vs.

DAVID LESTER STRAIGHT tm

By invitation David Lester Straight  
One of we the people, Petitioner, Attorney in Fact  
Sui Juris, a living soul, created by God, a self  
governed individual, an ambassador of Christ,  
having taken dominion over Juris of the Land, Air,  
Water, this LAW

Court File Nos. case #000000000

**NOTICE OF  
SPECIAL DIVINE APPEARANCE  
STATUS STANDING DOMINION**

**To be Treated as a Certified/Sworn  
Affidavit In Writing**

*NOTICE TO: THE ABOVE DE FACTO GOVERNMENTAL SERVICES CORPORATE AGENCIES*

NOW COMES: David Lester Straight, Competent and Sui Juris, as Principle, as fiduciary, as trustee, an adult man, a living soul, a son of God, an ambassador of Christ, One of “We the People” a Creator of Government, who’s status is well defined in Genesis 1:26-28, & 2:7, Job 32:21-22, Deuteronomy 1:17, Proverbs 28:21, Mathew 22:16, Galatians 2:6, in the Maccabees in Ecclesiasticus 4:22, 4:27, 10:5, 35:13. It is in any case a sin unto God to accept the Person. Therefore, it is absolutely against my beliefs.

My status is also further defined in USC title 8 Section 1101 (a) (21) & (23) as a state national,

My estate and/or trust is, described in 26 USC 7701 (a) (31), as a TAX-EXEMPT “foreign estate or trust.”

And as a Non-Resident Alien Individual, in the Internal Revenue Code at [26 USC §7701 (b)(1)(B)].

Therefore, there shall not be any presumption of my status, as it is my gift from God and my un-a-lien-able right of self determination.

Being Sui Juris (of ones own right) is derived from taking dominion over all three jurisdictions, in being self governed.

“We the people” lay down the law and when our public servants step outside of the law in which “we the people” laid down then they are committing a violation of emolument.

In order to make that determination, I mandate that at least these three questions shall be asked of the magistrate, these questions are...

1. Are you claiming to derive your authority from your Oath of office, and (any/all) other requirements required (by the state or federal government/s) that you must have to hold your honorable position, and are those requirements complete and up to date? As discovery, May I have written conformation that all requirements have been met on or prior to this date with copies thereof.
2. Are you claiming to derive your authority over me from the doctrine of PARENS PATRIAE, where the STATE is the Parent?
3. Are you claiming to derive your authority over me from STATE OF \_\_\_\_\_ statute(s), By-Laws of the corporation?

If your answers are yes! then, Your Authority and Claim of Jurisdiction is hereby openly and publicly challenged...

...as, I Am Claiming the Minor estate and have TAKEN DOMINION over the Land, Air, Water, LAW, as I am commanded by God.

...as, I possess a private express trust giving me the trustee as fiduciary the responsibility to act in the best and most honorable position on behalf of my heirs/beneficiaries, successors, and/or assigns, forever. Thus taking Dominion of the Juris of the Air! And, Thereby, having an express trust overriding any implied trust.

...as, I possess the superior titles to all properties held by that trust, it's patents, deeds, grants, certificates, titles, securities, household goods, minerals, commodities, cash, and other properties, including the vessels. Thus taking Dominion of the Juris of the Land. Thereby overriding any/all inferior or abstracts of titles implied.

...as, I possess the Successful Business Acumen to maintain a business Licensed by the State, bonded by Gold & Silver, having the intent to make a profit, with products offered for sale in international commerce, and possessing the Copyrights and Trademarked names of the Vessels, under contract with the business, including its Bank accounts & EIN#. Thus taking Dominion of the Juris of the Water.

Under USC title 15 the STATE may regulate commerce but SHALL NOT interfere in it.

Therefore bring forth the superior trusts, titles, & contracts or dismiss this case with extreme prejudice. I mandate the return of all "private properties" to me immediately.

As discovery, Please authorize risk management to provide me with all malpractice / malfeasance insurance policies and bonding informations so I may make a proper tort claim.

Herein now known, as “PETITIONER”, by and through his choice, may if he chooses, use any non-bar Lawyer, Attorney in-fact or next friend, or Private Attorney General, for Lawful Counsel, having full power to act in the same manner as the Principle, giving notice as Fiduciary/Agent/Attorney in fact acting on behalf of the Principle as one of “we the people” and as an Officer under Executive Order of the President to provide legal services and enforce equal protection under the law as **Loss Prevention** in the matter above listed court file numbers.

**See Power of Attorney in-fact filed with the County Records Office.**

As Fiduciary / Informant

I, David Lester Straight, with honor hereby is filing this Notice of Special Appearance as to my status as *sui juris*, “Fiduciary Expert and Friend of the Court” per the following circumstances and establishment of Practice to re-task my Fiduciary Obligations to voluntarily serve *We the People* of **The United States of America** as **Loss Prevention co-counsel** for The Government of The United States of America, and Appellant in this matter. *Reus excipiendo fit actor*

On March 13, 2017 the **POTUS** issued a lawful EO *13781* in which President Donald J. Trump as President of the United States of America, asked for help from we the people to assist in the restructuring of the Executive Branch. Citing the *Qui Tam Provision 31 U.S. Code, § 3730(b),(c)*,

I am following said Executive Order in a continued effort to expose these continued assaults upon the court by frauds upon the court through Malfeasance of Office, and Prosecutorial Misconduct/s resulting in multiple Emolument/s Violations.

In order for this Fiduciary to effectively make his Report to the President of the United States of America, per Executive Order 13781 and 13825; we must first define in

context, and apply, the following three (3) terms as viewed by the court under the Equal Protections Premise beyond their dictionary definitions as follows:

**Emolument/s** [*Ad recte docendum oportet primum inquirere nomina quia rerum cognitio a nominibus rerum dependet*] meaning: In order rightly to comprehend a thing, it is necessary first to inquire into the names, for a right knowledge of things depends on their names.

***Definition:*** Any advantage, profit, or gain received as a result of one's employment or holding of office.

**Libel** [*Lex punit mendaciam*] The Law punishes falsehood

***Definition:*** A published false statement that is damaging to a person's reputation; a written defamation.

**Fiduciary Duty** [*Justitia nemini neganda est*] Justice is to be denied to no one

***Definition:*** A fiduciary duty is a legal duty to act solely in another party's interests. Parties owing this duty are called **fiduciaries**. The individuals to whom they owe a duty are called **principals**. Fiduciaries may not profit from their relationship with their principals unless they have the principals' express informed consent. They also have a duty to avoid any conflicts of interest between themselves and their principals or between their principals and the fiduciaries' other clients.

**A fiduciary duty is the strictest duty of care recognized by the US legal system.**

**Capital Felony Treason** is committed by any actor of a foreign state, acting as a public servant, pretending to be government, who denies or deprives, One of we the people of

any right given by God, listed or written in any international treaty or any constitution of the United States of America or of any one of the States of the republic.

**Deprivation of Rights under Color of Law USC TITLE 18 SECTION 242**

see attached exhibit(s)...

**from DOJ letterhead title 18 section 241 & 242, Story of a mother, deeds of re-conveyances, patents of nativity, affidavits of repudiations, etc...**

**MY MISSION STATEMENT**

**We The People of The United States**, in Order to form a more perfect Union, establish Justice, insure Domestic Tranquility, **provide for the Common Defense**, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our posterity, do ordain and establish this Constitution for the United States of America. To prove this, let these facts be submitted to a candid world.
