

# PARKVIEW HEALTHCARE CENTER

September 19, 2022

To Our Valued Residents,

We hope that you are healthy and safe during these extraordinary times. As a company that focuses on delivering quality care to you, we want to share some important news about our Parkview nursing facility.

As you may know, we announced a reorganization process that will allow Parkview to restructure liabilities under Chapter 11 of the Bankruptcy Code and emerge in a better position to continue delivering quality healthcare.

We want you to know your care remains our top priority. We will be fully operational throughout this restructuring process and all resident programs and services will continue as usual. Our employees will remain on the job, and we will continue to provide the quality care that you expect from us.

We plan to keep you informed throughout this process and we encourage you to reach out to Parkview's Administrator with your questions. You may also visit [www.parkviewhealthcarecenter.com](http://www.parkviewhealthcarecenter.com) for additional information.

Sincerely,

Linda Taetz
