

Handlers

Gordy Powell and Rachel Strawder both of Georgia Clean are Mirandas Handlers. They are both very dedicated and involved in Mirandas daily hands on training and well being.

Miranda has been specifically trained for aiding in anxiety of those following a traumatic event. With her companionate spirit, smaller size, soft coat and loving blue eyes, Miranda is the ideal K9 to visit a scene to aid in and start the recovery process for families, friends and children. She is available to ease the tensions and to calm emotions down so that a recovery process for those directly involved in a homicide or suicide can begin.
