Kid's Chance Scholarship

Kids Chance,

I am writing to thank you for your very generous scholarship of \$12,000. I was very happy, surprised/shocked and appreciative to learn that I was the recipient of your scholarship this year. I have just recently graduated high school from Fair Haven Union High this past June. I am attending Castleton University in the fall of 2017 majoring in Early Education with an emphasis in English. I plan to pursue a career in Education for grades Kindergarten-Fourth grade after graduating from Castleton. Thanks to you, I am one step closer to that goal. By awarding me the Kids Chance of Vermont Scholarship you have helped me on the financial end of going to college. This scholarship will allow me to help pay for tuition and books while attending college. Your extreme generosity has inspired me to help others and give back to the community. I promise you I will work very hard each and every day for all four years of college and I will eventually give something back to others, both as a teacher and possibly a scholarship to future students like myself.

Sincerely,

Andrea Tester
