

# Writing Numbers 0 - 10

Which woodland animal has 0 leaves? ✓

☒

Which box has 1 pumpkin? ✓

☒

Which branch has 2 acorns? ✓

☒

3 squirrels in jumpers? ✓

☒

Which tree has 4 red apples? ✓

☒

Which toadstool has 5 white spots? ✓

☒

Which fox has 6 conkers? ✓

☒

Which mug of hot chocolate has 7 marshmallows? ✓

☒

Which basket has 8 pinecones? ✓

☒

Which tree has 9 falling leaves? ✓

☒

Which hawthorn bush has 10 berries? ✓

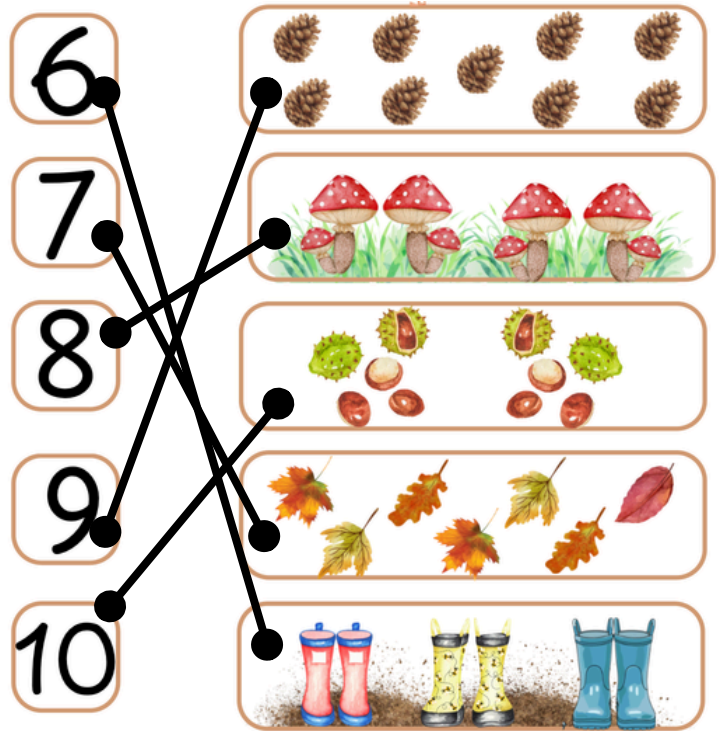

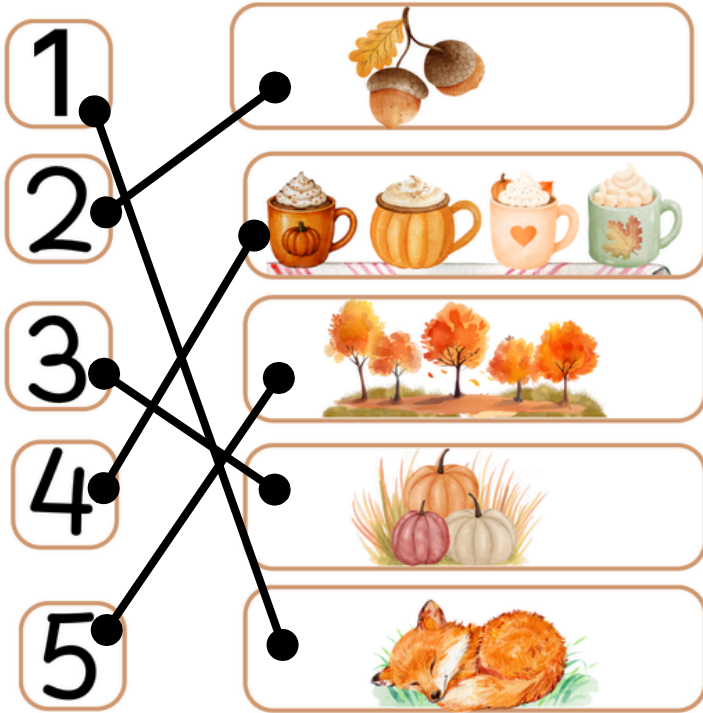

☒

Can you write the numbers 1 - 10?

|   |   |   |   |    |
|---|---|---|---|----|
| 1 | 2 | 3 | 4 | 5  |
| 6 | 7 | 8 | 9 | 10 |

# Counting to 10

# Number Bonds to 10

|   |                                                                                   |              |
|---|-----------------------------------------------------------------------------------|--------------|
| 1 |  | $1 + 9 = 10$ |
| 2 |  | $2 + 8 = 10$ |
| 3 |  | $3 + 7 = 10$ |
| 4 |  | $4 + 6 = 10$ |
| 5 |  | $5 + 5 = 10$ |

|   |                                                                                    |               |
|---|------------------------------------------------------------------------------------|---------------|
| 1 |  | $6 + 4 = 10$  |
| 2 |  | $7 + 3 = 10$  |
| 3 |  | $8 + 2 = 10$  |
| 4 |  | $9 + 1 = 10$  |
| 5 |  | $10 + 0 = 10$ |

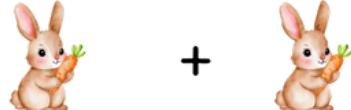

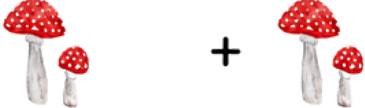

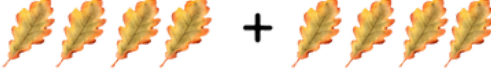

# One More and One Less

| 1 less |                                                                                     | 1 more |
|--------|-------------------------------------------------------------------------------------|--------|
| 2      |  | 4      |
| 3      |  | 5      |
| 1      |  | 3      |
| 5      |  | 7      |
| 8      |  | 10     |

| 1 less                                                                               |   | 1 more                                                                                |
|--------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
|  |  |  |
|  |  |  |

|  |  |  |

# Adding

|                                                                                  |      |
|----------------------------------------------------------------------------------|------|
|  | = 5  |
|  | = 8  |
|  | = 3  |
|  | = 10 |
|  | = 7  |

|                                                                                    |      |
|------------------------------------------------------------------------------------|------|
|  | = 2  |
|  | = 4  |
|  | = 8  |
|  | = 8  |
|  | = 10 |

# Subtraction

|                                                                                    |         |
|------------------------------------------------------------------------------------|---------|
|   | - 2 = 2 |
|  | - 2 = 4 |
|  | - 1 = 4 |
|  | - 3 = 4 |
|  | - 3 = 3 |

|                                                                                      |         |
|--------------------------------------------------------------------------------------|---------|
|   | - 4 = 0 |
|  | - 4 = 4 |
|  | - 5 = 5 |
|  | - 6 = 3 |
|  | - 6 = 3 |

# Doubling

 +  = 2

 +  = 4

 +  = 6

 +  = 8

 +  = 10

  Double 2 is 4

  Double 4 is 8

  Double 1 is 2

  Double 3 is 6

  Double 5 is 10

# Halving

  They get 1 each. 

  They get 2 each. 

  They get 3 each. 

  They get 4 each. 

  Half of 2 is 1 

  Half of 4 is 2 

  Half of 6 is 3 

  Half of 8 is 4 

  Half of 10 is 5 

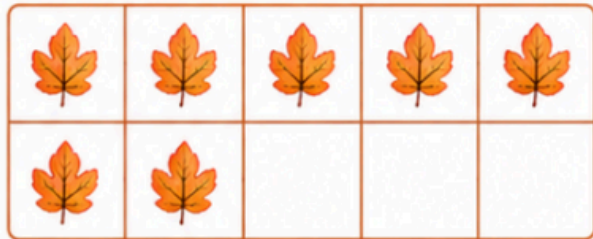

# Ten Frame Challenge!

1. How many?

I can see **4** acorns.

2. How many?

I can see **7** leaves.

3. How many more to make 10?

There are 6 pumpkins.

**6**

more will make 10.
