PERFORMER | RECORDING ARTIST | SONGWRITER

A soulful indie songwriter who has been creating a unique brand since 2005. With 6 independent tours and over 700 performances under his belt, he has shared the stage with artists ranging from Lupe Fiasco, Bone Thugs-N-Harmony, and B.o.B to Leon Bridges and The Revivalists to Everlast, Mod Sun, and Wax to Cody Cannon of Whiskey Myers. He's grown confident in the grey area he resides in, making it comfortable for music lovers that "listen to a little bit of everything." Expect the depth of an introverted poet, the precision of a perfectionist, and the relevance of a leader with an emphasis on concept projects.
