Which persona is more like yours?

BE CAREFUL WHAT YOU ASK FOR:

So...we say we want more control to save the animals,
 environment, and have more leveling in religions...

So...we say we want freedom to create: life, biological solutions,
 and other beings through cellular manipulation...

What if we get it?

ERASED book elements interact organically with its environment revising religions and providing a twist of fate: a **mythological creation story**.

A new era designed by nature through environmental and anthropological challenges building the perfect harmonic earth with humankind:

~ plant, animal & human synergy with natural surroundings a different form of evolution; humans collaborate with animals for their living in order to ensure their safety and propagation (eliminating potential extinction).

~ people no longer eat meat, hunt for animals, or disturb environmental habitats with catastrophic consequences.

A civilization of merged traditions and culture with intermixed languages of the result of random survivors who emerged from a cavern in Venezuela to re-populate the world.

~ people evolved with slight DNA changes from the 2100 survivors to begin again with one advantage; 21st Century technology.

A **Golden Age cyclical** civilization is in harmony, where **murder** is only a myth birthed from a two thousand year old past.

CHARACTER SETTING:

You can't escape the **ETERNAL SHADOW**, a **reflective subconscious** which follows you through life.

~ Daren must face his shadow self to become whole, integrating Jungian's duality of the **shadow father figure** to regain sanity.

ENVIRONMENT:

Yellowstone Park, Venezuela Guayana, Antarctica, Greenland, Emerald Pond, Antipodes, Tiller Farm and Wilkes Coast.
