

QUILTS *happen* 2025-26 BLOCK OF THE MONTH

FABRIC REQUIREMENTS

- All the colored fabrics use (1) fat quarter with the exception of fabric I, light apricot - it uses 2 fat quarters, you can easily use 1 fat quarter and switch out a fabric in one of the blocks. Also, fabric A uses almost the entire fat quarter so switching out another fabric in one block might be helpful.
- Both background colors both use $\frac{7}{8}$ yard of fabric each.
