

Your Ultimate Holiday Home Guide

Keep Your Home Merry, Safe & Bright

Home Safety Checklist:

- *Test all smoke detectors and carbon monoxide detectors
- *Replace batteries if needed
- *Inspect all holiday lights for frayed wires or damage
- *Replace any damaged strands
- *Use UL-listed lights and decorations only
- *Review your home security system
- *Update vacation settings if traveling
- *Check all window and door sensors

Have a Happy, Safe Holiday!!!
