

Written here are the mission, intention, and objectives of The Jesus Christ Micahel Super-Human Ministry of Divinity

1). THE WORD OF GOD TO ALL HUMANITY

a. **The ENLIGHTENMENT of the global population¹—OPENING ALL EYES to the true nature of the Spirit of God within them.** Given Whom and what they had to work with: **We hold the Christian Church in particular ACCOUNTABLE**, in this respect.

b. **To UNITE ALL RELIGIONS, Races, Creeds, and Nations² UNDER THAT SPIRIT**—which is here; present in them **NOW**—according to the teachings of **THE LIVING MASTER**.

c. **To REVEAL HIDDEN SCRIPTURES in the Bible** (as well as other Inspired Texts³) **present for thousands of years—yet not revealed UNTIL THIS TIME**; as outlined in **DANIEL 12 VERSE 4... .**

d. **The TOTAL IMPLEMENTATION of the Fifth Epochal Mission to this earth⁴: THE URANTIA BOOK.** This is the book prophesied in Revelation 10; being "sweet to the mouth, and bitter to the stomach." We intend to **put the Urantia Book on EVERY bedside table, in EVERY hospital and hotel/ motel room, library, classroom, and HOME.**

e. **To PRESENT THE TRUE CHRIST to the worlds—AWAKENING THE MASSES to all matters of EPOCHAL SIGNIFICANCE**; as they relate to Cosmic Realities, Universe Meanings, and Personal Values currently being finalized and realized upon our world, Urantia—thereby **MAKING KNOWN THE TRUTH about Jesus, Michael of Nebadon⁵/ Christ Micahel, and His Archangel circuit.**

f. **To TOTALLY SETTLE the division between SCIENCE AND RELIGION—uniting them in Divinity⁶ UNDER OUR GOD**, Who is {+OMNI-SCIENT+} and {+ALL+} **Powerful.** The God of {+SCHIENCE+}, {-RELIGION-}, and {+PHILOSOPHY-}—the God of **EXISTENCE, EXPERIENCE, and EVOLUTION... OUR GOD: POSITIVELY SUPREME {!!}**

g. **To BRING THE COLLECTIVE dharma and culture of ALL`ah**(Islam), **YAH`weh**(Judaism), and **JAH`ovah**(Christianity)—**the Three Abrahamic Fellowships—TOGETHER**; in: {+ALL`YAH`JAH+}⁷ The Universal Father⁸—**THE ABSOLUTE PERSON**—Being: **First Source and Centre**⁸⁻¹² {-MI`CAH`EL-}⁷ The Eternal Son⁸—**THE PATTERN PERSON**—Being: **First Cause and Effect**⁷ {+EL`YUL`YAH`JAH-}⁷ The Infinite Spirit⁸—**THE PATTERN ACTIVATOR**—Being: **First Scenario and Consequence**⁷. These are the personal names of the **TRINITY OF PARADISE**⁹; comprised of Thought, Word and Action: Father, Son, and Mother: Spirit, Personality, and Mind: Love, Mercy, and Ministry: Infinitude, Eternality, and Universality—as they are {+Supremely+} **revealed** on Urantia⁴⁻⁷ by our own Creator Son⁵: Michael/ Micahel of Nebadon—**once again incarnate—in the son of man of Nassau**⁷.

Now, all can know the true origins and higher meanings of: **ALLAH, YAHWEH, JAHOVAH, ELYON, ELOHEIM, ANGEL**, etcetera⁷—**leaving no stone unturned**¹⁰. **THE THREE AGREE...**⁹ in {ALL`Lay•Loo`YAH !!}—the **Ultimate Praise**¹¹; being the **NAME OF PARADISE DEITY...** the three, Unified Personality-phases⁹ of **The ONE, Living GOD**. Nevertheless, **The Father is antecedent to every phase**¹² of **Creator-Creation identity—even** (quasi-paradoxically) **His own Fatherhood**—as yet: unqualifiedly¹². Thus is the perplexing mystery and intriguing quest of the Epochs¹³: **to find, know, and BE AS The 'GOD OF GODS'**—even within the context of everyday mortal life; as outlined by The Superhuman Ministry of Divinity¹³. **BE AWARE**: when you say "ALL`LAY`LOO`YAH, you have spoken **ALL`ah in the beginning and YAH`weh/ YH`vh on the end**⁷. "I AM the ALPHA and OMEGA—the BEGINNING, and the END. ¹⁴"

Furthermore, the Blessed Hymn which goes: "**MICHAEL, ROW THE BOAT ASHORE: ALL`Lay•Loo`YAH**"—is, indeed, a powerful testimony of this⁵⁻⁷! **Jesus: Christ Micahel, is TOTALLY living this Revelation**—For Us, and For God—fulfilling the prophecies and **enacting the NEW phase of Jesus' mission on earth**⁵⁻⁷—all within a society whose cultural perspectives of Deity, Reality, and Divinity are radically different from those which One Joshua Ben Joseph bestowed himself into... .

**Come: row this boat to the PARADISE SHORES—where¹⁵ ALL`LAY`LOO`YAH/God LIVES—WITHUS...
{ALL`Lay•Loo`YAH !!}**

h. To PROVIDE FURTHER INSIGHT into the nature of the Triune Paradise Deity, in light of the revelations of the 'pre-reality' of Primordial Volition¹²⁻¹⁴—which QUALIFIES the Three Persons of GOD. The Primal Absolution—The ABSOLUTE INFINITY OF INFINITIES.⁷

i. To PROVE to the world that the SPIRIT OF GOD and His Christ is HERE NOW WITH US—in our minds and consciousness—over our heads. Were this not so: GOD and His CHRIST would be LIARS—this is AS RIDICULOUS AS IT IS IMPOSSIBLE!!! Despite the presence of the Seven Epochal Missions upon Urantia⁷⁻¹⁶; Humanity yet has little faith... ! This is due to our being **taught by the world to look OUTSIDE OURSELVES**—for **Whom and what is INSIDE US ALL**. Indeed: The Kingdom of God is Within, and comes without outer observation¹⁷. This is an intimately experiential and highly personal phenomenon¹⁸.

2.) DOCTRINES AND PHILOSOPHY FOR THE HEALING OF THE NATIONS.

a. The CORRECTION, dissemination, and clarification OF ALL scientific, philosophical, and religious texts: doctrines: concepts: principles—whether they be ever present upon the world stage, hidden from it, or somewhere in between—**with special regard to this Spirit¹⁸**; as shall be judged necessary and wise by a **global COUNCIL OF specially educated and Spirit-lead DISCIPLES⁷⁻¹⁸**.

b. The CLEAR, CONCISE, AND LEGIBLE: classification, identification, distinction, and CATEGORIZATION of Right and Wrong—Righteousness and Wickedness—pertinent to this day, age, and dispensation⁷⁻¹⁸. This NEW COVENANT⁷⁻¹⁹ is to be projected concomitantly with the utilization of Divine Discretion⁷, wherein every case is judged upon the basis of its own merit; with respect to: Spiritual Intentions, Cosmic Realities, Universe Meanings, and Personal Values¹⁸⁻²⁰.

c. The PRESENTATION of the doctrines and ideals⁷⁻¹⁸⁻²⁰ that SHALL FORM THE BASIS FOR ALL governmental/ constitutional, industrial, and military Ethics, Strategies, and Policies—correcting all current, and eliminating any future: bottlenecks, bureaucratic 'red-tape' areas, antiquation, bias, injustice, and/ or corruption in the presently implemented civil, corporate, and criminal World Justice Systems—thereby establishing UNIVERSAL LAW, and implementing a total judicial-economic and social SOLUTION unto every sovereign or oppressed nation.

d. The ESTABLISHMENT OF REFLECTIVE GOVERNANCE,⁷⁻²² in the image of God The SEVENFOLD.²³ When the Eternal Deities interact with time and space realities, they do so through God The Sevenfold—a divine organization of SPIRIT RULERS, reaching from the distant Eternal Isle¹⁵ through the starry realms, all the way to each and every individual world; ministering to the Spirits on High and animal-origin²⁴ mortal man indiscriminately—connecting all places, beyond time, in Spiritual Reflectivity²². The order of God the Sevenfold is as follows:

The 700,000 Micahel/ Creator Sons and Creative Daughters⁵ of the local universes, the 21 Ancients of Days of the 7 Super-universes, the 7 Master Spirits, The Supreme Being, The Infinite Spirit, The Eternal Son, and The Universal Father.

The beginning of the unbroken ladder to The Father of Lights is in the Micahel Sons and their Consorts⁵. These Creators **create and rule their respective universes in the name of Allyahjah, in the pattern of Micahel, and with the space-mechanisms of Paradise⁵**. Once they have completed their bestowal careers, these Sons are recognized as the Experiential Sovereign/ **Master Son** of

their creation by the next level of God The Sevenfold; the Supreme and Original Rulers of Time and Space: **The Ancients of Days—whose fellow and subordinate ambassadors of the Paradise Trinity²² function as advisors²⁵** down through the super-universal segments and into the local universes. When this happens—as has happened with our own Micahel⁵ and wife Nebadonyah⁷—then does the proceeding level of God The Sevenfold begin to function more directly in the universe of time and space⁵.

The 7 Master Spirits are the original Spirit-expressions of the 3 Eternal Deities in time and space²⁶, and are the source of the laws of relative physics and the individual Life-frequencies of the Super-universe of their projection.

They are: The father, The son, The spirit, The father-son, The father-spirit, The son-spirit, and The father-son-spirit. Our Master Spirit (**Orvontonyah⁷**) is number seven—the **united spiritual expression**

of all 3 Eternal Persons²⁶—and as such is the Supreme Master Spirit. In the Supremacy of Mastery,⁷ Jesus Christ Micahel now comes to uplift this far removed and isolated²⁷ World of The Cross...²⁸{ALL`Lay•Loo`YAH !!}

When a Creator becomes a **Master-Creator**, then does he begin to actualize—in time and space—the **Supremacy of God; wherein God The Father has bestowed himself into every phase** of existence/ creation and **personally participated with every phase** of experience/ evolution. This Supremacy is **revealed to all orders of created intelligences in The Supreme Being,²⁹** who is the personalizing **equilibrium between God and Creation** and intermediate between Eternity and Space-Time, **reveals the highest possible coordination of Existential Deity and Evolutional Deity**, and between creatures who are created perfect in Eternity, and their siblings—who attained perfection in Time and Space; and also embraces the highest comprehension of the finite towards the infinite; and the infinite towards the finite²⁹. Furthermore, The Supreme Being is the **creator of Majeston—The Chief of Reflectivity²⁹**. **Only those governances which wholly and willingly accept and honour³⁰** the presence of these unified Supreme Creators functioning within The Grand Cosmos—and **now personally resident in this physical world as Christ Micahel of Nassau⁵⁻⁷⁻³⁰**—shall overcome the finite limitations of space, **AND STAND THE TEST OF TIME... {!!}**

e. To SANCTIFY MARRIAGE, STRENGTHEN FAMILY, ENCOURAGE FAMILY TIME (introduce new holidays), **UNIFY THE HOME,³¹** and 'Bring Rainbows Back To God⁷/ BRBTG' and **PROTECT CHILDREN** from the **rampant evils of animalistic, sexual PERVERSION;** while truly **leading, nurturing, and RECONCILING** the 'LGBT' community to **Righteousness**—educating the next generations on the superiority of the **MALE and FEMALE consecration of MARRIAGE UNDER GOD;³¹** while providing compassionately motivated and adaptive counselling for the addicted and **The Afflicted** (concomitant with section 2b) of any sexual orientation—**WITHOUT PREJUDICE.**

3.) THE NEW CHURCH: THE “UNITED UNIVERSAL UNIVERSITIES OF UNIVERSALITY: IN JESUS CHRIST MICAHEL (UUUUJCM⁷)”, AND NEW TECHNOLOGIES

a. To WORK ALONGSIDE ANY AND ALL willing religious, educational, governmental, and corporate INSTITUTIONS—as well as **The COMMUNITY** itself—in order to install **high-tech systems of SELF-SUSTAINABILITY;** with respect to: education, rehabilitation, health maintenance, healthy water, food, shelter, clothing, energy, and communication needs; in particular—**providing the "TOTAL PACKAGE TO ALL constituents** in all communities. This Model **University/ Church of Churches**, which is our ultimate phase of 'incorporation'—being an intrinsic step within the manifestation of our **complete Plan of Action**—shall be discussed in great detail **in future addresses.**

b. The FORMULATION, creation, and mass dissemination/ implementation of NEW AND DIVERSE technologies; being based upon sound **SCIENTIFIC METHODOLOGY** and **mathematical principles**, as well as Qualified and Unqualified **REVELATION ('Inspiration')³²**. These technologies shall induce revolutionary new methods for: ***electricity generation: broadcasting: medicine: transportation: agricultural/ food and water processing: packaging: recycling: pollutant detoxification: myriad reversion activities: etcetera***—likewise, **shall be the topic of future addresses.**

4.) UNITING THE HUMAN RACE ON EARTH/URANTIA WITH OUR UNIVERSE FAMILY

The ENLIGHTENMENT OF THIS HUMAN RACE in its entirety to the **UNADULTERATED KNOWLEDGE** of its true **Universal Family**—our **COSMIC NEIGHBOURS AND UNIVERSE SIBLINGS**—a neigh-unlimited family of terrestrials, celestials, and transcendentals; constituted by all manner of **Spirit Beings, Midway Creatures and other Angels, Humanoids, and a VAST DIVERSITY** and **myriad** of pre-personal, non-personal, personal, and super-personal entities; **populating a far-flung and friendly Universe of Universes⁴.**

This otherwise **universally common knowledge** being reinstated **upon Urantia** (a WORLD in **SPIRITUAL ISOLATION**, since the fall of its former Planetary Prince²⁷) is an **absolutely necessary and INTRINSIC step** toward the **'RAPTURING' OF THIS WORLD and Her inhabitants** into the **higher MATERIAL DIMENSIONS of Light and Life³³; concomitant with** the progressive **spiritualization of its Humanity**, as outlined in section 1 of this letterhead. The Spheres of Light and Life is a **cosmic FRATERNITY IN THE UNIVERSAL FATHER's name and image³³**, which simultaneously and **universally reveals THE ULTIMATE TRUTH ABOUT GOD**, The Prophets, Jesus, Michael/ MI`CAH`EL of Nebadon⁵, and His Archangel circuit; which are portrayed in the Holy Books and in the Urantia Book; **thereby FULFILLING ALL PROPHECIES, and SETTING FREE ALL spiritual captives³⁴.**

SUMMARY: ONLY THE TRUTH CAN SET YOU FREE³⁴

OUR PLANS ARE INDEED GRAND—our undertaking IS, in fact, {+UNIVERSAL+}.

As outlined in section 3 of this letterhead: our plan involves building state of the art, Model Universities (**The NEW CHURCH⁷**) around the globe indiscriminately—each one, fully equipped on a 24/7 basis, to provide: medical attention, shelter, food and water, clothing, education, power, internet, and rehabilitation to all constituents of its mother community—and, ultimately: to train any and all willing and able people to go back out into the community... uplifting it from the inside out, in all areas in which assistance is required and accepted. The homeless: the abandoned: the sick: the addicted and afflicted: the ignorant and deprived: the isolated and denied: **for all of these, we shall provide—and ACTIVELY COUNCIL.**

The greatest reciprocating benefit to Society of the 'UUUUJCM' is the influx of reformed and transformed, truly Moral and Discerning Minds—which we shall send out of our Church; back into the individual mother community, in order that they may teach: counsel: reform: otherwise help: in–turn, **transform their fellows via their own Living Testimony—**uplifting the Whole World: **one mortal mind at a time... MAKING DISCIPLES OF ALL HUMANITY³⁵—{ALL`Lay•Loo`YAH !!}**
