This is a 2027 Cabela's National Team Championship (NTC) Qualifier Tournament. Each team member must be registered for BOTH the Walleye Federation and the Harlan Anglers Walleye Club before the tournament to qualify. See attached form for registration.

**Entry Fee: \$190 per Two Person Team Per Day. You must enter each tournament **SEPARATELY**. All Entry Fees must be **PAID** through the eTournament App. 100% payout! Entry Fee includes Big Fish as \$10 per team. This does not include TWF or H.A.W.C membership fees. You do not have to be a member to fish the tournament.** Teams will be released to fish in order of entry received.

**Due to the uncertainty of the water levels**, we have made a difficult decision to have our tournaments using the **eTournament Fishing app**. The virtual LiveWell can consist of eight (8) total fish, with only two (2) being over 22 inches in length. The App will pick your biggest 5 fish being weighed for the daily total.

You will not need to send in an entry form for this tournament. You will need to download the app to your phone. The App looks like this. We will be doing our tournaments using this format this year. This app is live now.

**REGISTRATION WILL CLOSE THURSDAY, JUNE 4 AT 5:00 PM.**
