WALKING TOURS

Often throughout the school year our teachers find it needful and educational to take the students on a walking tour of the various sights surrounding our school: Capitol, museum, City Island, waterfront, nature walks, city library, scientific museum, firehouse, police department, etc. Sometimes these become appropriate during a specific lesson or event.

At no time would children ever be alone or without adult supervision. The administration is always aware that a class is on a walking tour.

We would like your permission for these special occasions.
Each student must have a form on file.
