SonoEye

Your 3rd Eye Anytime Anywhere

WWW.CHISON.COM

Go light

Go waterproof

Go thumb-play

Go anywhere

SonoEye

can help to provide high quality patient care in any location.

Featuring an adaptable design that goes from pad to mobile phone, increasing the portability, and making it possible to work together with doctors from patient to patient all the time, initially in point of care applications and longer terms in primary care.

GO light

Half weight of a phone,
highly integrated design,
less volume.

Multiple devices

SonoEye provides
a flexible connection with
smart phone or pad.

IPX7

GO waterproof

SonoEye, a hand-held ultrasound,
gives you the power
to sterilize and clean freely.

GO anywhere

SonoEye, integrated with the best handheld technologies, can provide multiple solutions for fast.
