

1. Please be aware that I, Kent S. Rosengren, Psy.D., am a licensed clinical psychologist in the State of Colorado. By law I am required to have anyone I work with, even in a strict consultative relationship, sign a HIPAA form and provide them with a disclosure statement. All this notwithstanding, I inform everyone that his/her participation in Body Based Mindfulness Consulting is for educational purposes only, and does not in any way constitute a therapist/client relationship between myself and the participant. The participant must agree to and understand this limited consultative relationship and a signature will be required on the consulting registration form.

2. At times, we may discuss topics that might trigger unpleasant memories and/or reactions. You are free at any time to decline to participate in any or all of any possible activities. Please monitor and stay aware of your own mental and emotional wellbeing.

3. Even while I am acting as a consultant, it must be understood that I am a part of a profession required by law to report possible child abuse or neglect if I have “reasonable cause to know or suspect that a child has been subjected to abuse or neglect or who has observed the child being subjected to circumstances or conditions that would reasonably result in abuse or neglect”. If this is the case, I am required to “immediately upon receiving such information report or cause a report to be made of such fact to the county department, the local law enforcement agency, or through the child abuse reporting hotline system as set forth in section 26-5-111, C.R.S”

4. Cancellation Policy – In the event that you need to cancel or reschedule, at least 24 hours notice is required for a full refund, or your payment will be applied to the rescheduled appointment. We understand that emergencies and illnesses occur, therefore one appointment may be cancelled or rescheduled with less than 24 hours notice for a full refund or may applied to the rescheduled appointment. Any further instances of cancellation or rescheduling that occur with less than 24 hours notice will forfeit the full appointment amount.

5. If you desire to contact me with any questions or concerns, these are the most effective ways to get in touch with me within a reasonable amount of time. My regular email is BodyBasedMindfulness@gmail.com, which is not considered to be secure. I also have a secure encrypted email at kentrosengren@hushmail.com.

Acceptance of this statement and your signature will be required on the consulting registration form.
