

What We Do - All Services Are Free

The Macomb Foster Closet provides free clothing and essential items to all children affected by foster care. We help kids heal from abuse, neglect, or abandonment by providing the resources they need to thrive and feel cared for.

Licensed foster families, qualified relative caregivers, children adopted from foster care, and young adults (ages 18-25) transitioning out of foster care are all eligible for our services. We offer a wide range of essential items, including clothing, shoes, coats, diapers, baby items, cribs, car seats, hygiene products, beds, sports equipment, toys, food basics, school supplies, and much more. We also create special childhood experiences by providing Easter baskets, Christmas stockings and gifts, Halloween costumes, birthday presents, and events.

By allowing kids to select their own items, we restore dignity and offer hope for a brighter future. Located in downtown Mount Clemens, we are the largest foster closet in the country, serving over 2,000 children each year all thanks to our generous community and volunteers.
