BALLOT - PLEASE VOTE, COMPLETE AND SIGN

Check One – Annual Assessment Increase

- () **Yes**. I vote in favor of the Association amending its Declaration to increase the Annual Assessment to \$200.00 in 2020, \$220.00 in 2021, \$240.00 in 2022, \$260.00 in 2023, \$280.00 in 2024 and \$300.00 in 2025 and each year thereafter.
- () **No**. I vote against the Association amending its Declaration to increase the Annual Assessment to \$200.00 in 2020, \$220.00 in 2021, \$240.00 in 2022, \$260.00 in 2023, \$280.00 in 2024 and \$300.00 in 2025 and each year thereafter.

This document shall also serve toward the establishment of quorum at a meeting and any adjournments thereof.

ONLY ONE BALLOT MAY BE EXECUTED AND RETURNED PER LOT.

Name (print): _____ Date: _____

Name (signature): _____

Association Address: _____

Current Address (if different from Association Address): _____

QUORUM PROXY

I hereby nominate and appoint _____ as my proxy for the sole purposes of establishing a quorum and casting my vote as directed above. (Only one directed proxy is permitted per lot and it must state your address with signature.).

I did not appoint a proxy and therefore I hereby nominate the Secretary of the Association to vote as indicated above and represent me and my interests at the _____ meeting of the Association and otherwise act for me in the same manner and with the same effect as if I was personally present.

Use of this Proxy Form is voluntary on the part of the granting owner. This proxy can be revoked by written notice of the granting owner to the Association at any time before the proxy holder casts a vote. Absentee Ballots are available as an alternative to appointing a proxy by completing the prior section of this ballot, above.
