

**Wesley Preschool Waiver of Liability During Pandemic 2020-2021**

This year's program will be adjusted to meet the daily precautions as outlined for the safety and health of students, staff and families. The following items will be in place for protection and compliance with current standards.

- Parents and family members will not be permitted inside the school building beyond the drop off/pick up area
- Your child must be free of all COVID-19 symptoms. If during the day any symptoms appear your child will be separated from the group and isolated in a sick room monitored by a staff member. You will be contacted and must pick up your child within 20-30 minutes of being notified. These symptoms will include a fever Of 100.4 degrees Fahrenheit or higher, dry cough, shortness of breath, chills, sore throat, nausea, diarrhea and loss of taste or smell. Your child will need to be symptom free without medication for 72 hours and have a doctor's note indicating your child is healthy to return to school.
- Your child will be required to wash their hands using CDC guidelines for handwashing with a teacher's help if needed throughout the day using warm water and rubbing with soap for at least 20 seconds. Teachers will also supervise the use of hand sanitizer in the classrooms for additional precautions.
- You will need to immediately notify a teacher or administrator at Wesley Preschool if you are aware of any person with whom your child has been exposed to or exhibits symptoms listed above. You will also need to notify Wesley Preschool if your child or other household member has traveled to an area with significant community spread of COVID-19 or if any member of your family or exposed person with whom your child has been in contact with has been advised to self-quarantine or self-isolate.
- While your child is at Wesley Preschool your child will be in contact with people who are also at risk of community exposure. You understand that no list of restrictions, guidelines, or practices will remove 100% of the risk of exposure to COVID-19 as the virus can be spread by people without symptoms. You understand that you play a crucial role in keeping everyone in our facility safe and reduce the risk of exposure by following the practices outlined.
- Our staff will perform daily visual checks of your child along with daily temperature checks upon arrival (and as needed) to allow your child in the building.
- Wesley does not assume liability for illness to staff, students, or family members.

\_\_\_\_\_ I certify that I have read, understand, and agree to comply with the items listed herein. I acknowledge that failure to act in accordance with the items listed herein, or with any other policy or procedure outlined by Wesley Preschool will result in termination of services. I acknowledge that care for my child will terminate if it is determined that my actions, or lack of action unnecessarily exposes another employee, child, or their family member due to COVID-19.
