

Hatboro Community Cupboard

November 15, 2024

Last month's report inadvertently neglected the September collection at St. John's by the Community Outreach Committee. We regret the error and thank both the committee and the members of St. John's for their contributions.

In October Church of the Advent conducted a matching campaign for personal care items. Whatever the congregation donated, the church matched. The end result was 126 tubes of toothpaste, 360 bars of soap, 75 shampoos, 24 toothbrushes. We are very grateful for their support.

October was an unusual month in that because of the way the days lined up we actually had five full weeks of serving clients. 499 families were served during the month making the average 100 families per week. That seems to be our new steady number.

We are gearing up for the holiday season. Gathering of items for Thanksgiving meals is well under way. If you have earned a turkey at the supermarket but don't need it, we ask that you cash in your receipt for a turkey breast and bring it to the pantry during operating hours.

Monday 5:30-7:00 set up (no clients)

Thank you for your prayers and generosity. Have a Blessed Thanksgiving.
