

Hatboro Community Cupboard

April 9, 2025

First, an apology to Riverside Church in Horsham. They were accidentally left off the list of donors in last month's update. We welcome their support.

We are delighted to report that March broke the cycle. The last day of January and February saw us have equipment failure on two different units. The last day of March only produced a clogged toilet for a problem.

We are delighted to share that an anonymous donor has provided the funds for us to purchase a new commercial freezer. We expect to take delivery shortly. This will not only increase our storage capacity but also allow us to take off line two very old inefficient units.

Attendance in March returned to previous levels. Though there was a slight falling off in numbers attending in January and February, March saw 365 families visit which is very close to last year's attendance of 383. We added 20 new families in March.

We are making plans to offer a special meal for the week prior to Easter and sign-ups are currently proceeding.

As always, we are grateful for your support and prayers.
