

Hatboro Community Cupboard
June 12, 2024

The month of May brought some pleasant surprises while also continuing some trends. The trend of additional people coming each month continues. We saw on average 88 families per week this year as compared to 83 families per week in 2023. But, the trend of adding new clients slowed in the month as we actually had two weeks without adding any new families.

We are grateful to the employees of the Hatboro Post Office for their participation in the annual Stamp Out Hunger Campaign conducted on the Saturday prior to Mother's Day. This is a large effort on their part to advertise, collect and then deliver the donations. We count on their effort as part of our planning.

June began with a generous donation of items collected by our friends at Redeemer Lutheran. Twenty-two bags of packaged goods were delivered on Monday June 3.

We thank you all for your continued support as we transition from school year patterns of giving and distributing to summer time. We are looking for substitute volunteers to fill in during vacation times for our regular volunteers. Contact Carol Schlegel at cschlegel9@aol.com if you are able to help in this worthy community effort at alleviating food insecurity.

We ask you to support the donation campaign that Horsham Giant will be running for us starting in mid-June.

Our current priority needs list is:

Boxed pasta	Chef Boyardee
Baked Beans	Canned Chili
Pinto Beans	Canned Beef Stew
Kidney Beans	Toilet Paper
Canned Peaches	Shampoo
Canned Potatoes	Bar Soap
Macaroni & Cheese
