A Letter from Pastor Bo

October – It's About Faith

A professional tightrope walker asked a crowd if they believed he could walk a wheelbarrow across a tightrope 50 feet in the air. A man said, "I believe you can." The tightrope walker said, "Do you really believe? Get in the wheelbarrow."

Each month in the newsletter, I will give an overview of the theme of the month's readings in church. In October, the theme is FAITH. On October 2nd, Jesus tells us what faith the size of a mustard seed can do. On the 9th, faith involves gratitude, even when your journey is incomplete. On the 16th, faith insists that right will not lose to injustice. On the 23rd, faith trusts in God even when we have nothing to offer. On Reformation Sunday, faith involves the courage to step out publicly into a new kind of life.

Martin Luther insisted that faith wasn't just head knowledge about God and the events of Christ's life, death, and resurrection. After all, even the devil knows that, but the devil does not have faith. Faith is a personal trust, with skin in the game. Faith is stepping out as if what we proclaim is really true – that there is a Creator God, that Jesus lived in the same world we do, that he died and rose again, that there will be a resurrection and a judgment. (And the other bits, too.) If we really believed, how would we live our day to day lives? How would we break through what holds us back? How would we work to make the world a better place? How would we pray? How would we treat people? These are questions we will be exploring in our weekend services in October, including Youth Sunday on October 30th!

"If God had a face/what would it look like and would you want to see/if seeing meant that you would have to believe/in things like heaven and in Jesus and the saints/and all the prophets?" – Joan Osborne, "One of Us"

Blessing of the Animals

The feast day of St. Francis of Assisi is coming up, and we are inviting the congregation and the community to bring your pets to be blessed! Join us on **Tuesday, October 4th from 5:00-6:30pm** in the loop out front for a drive-thru blessing. All pets are welcome!

Altar Guild

Altar Guild will meet Sunday, **October 2nd** in the sanctuary following the 10:00 service.

Needleworkers

The Needleworkers group will meet on **October 3rd** in the library. Come to the meeting to plan our activities for the year.

Food Pantry

August was a month for the record books. The heat waves this summer made conditions close to unbearable in the Food Pantry, and both volunteers and equipment were overheating. A proposal was brought to and approved by Church Council to add additional air conditioning units. At this time the installation has been completed, but the fundraising still continues to get us to the \$10,500 cost of the units.

At the end of August, HATPacks had a volunteer at the pantry distribute school supplies, which brought more clients to the pantry, and brought the total families helped that week up to 121. The total for the month of August was 400 families served.

This additional client load depleted inventory substantially, and we are still working to replenish packaged and canned goods.

We deeply appreciate your prayers and support.

Sunday Family Dinner

Family dinners are back! Join us **Sunday, October 23**, for a Halloween party and haunted house, put on by our youth group! Bring your spookiest dish for the potluck, wear your costume, and we'll all have a scary good time!

St. John's Day Thank You

Thanks to all who joined us for St. John's Day on Sunday, September 18th. The games were a great success, and the bouncy house was a real hit. About 80-85 of our friends and neighbors came out and had a great time!

Thanks to all who prepared food (it was delicious), took care of the grilling, helped with the games, and ran the popcorn and snow cone machines. Thanks to Bob for taking care of the music, the Bannister girls for dishing out the water ice, and Cat Adduci for the awesome face painting. Thanks to Denise Betz and Joan Parker for taking care of everything in the kitchen so efficiently! Last, and definitely not least, thank you to everyone who helped set up and clean up!

This couldn't have happened without all of you!

Marcie Divver and Lynne Larson
