

# **Hatboro Community Cupboard**

## **May 8, 2024**

We have two opportunities for donations but need drivers to pick them up.

One is seasonal with the growing season. Rolling Harvest will be distributing fresh produce items probably starting in June. The site has yet to be announced but likely will be in Bensalem as it was last year. The time was 11:30 every Tuesday last year. It lasted into September. Lifting from the pallet to your car is involved though a hand truck helps.

The other need is a new one. We have an opportunity to get milk from Garden of Health located in North Wales. This is pick up would be around 9AM every Tuesday and continue indefinitely. Lifting crates of milk is involved.

Please contact Carol Schlegel [cschlegel9@aol.com](mailto:cschlegel9@aol.com) if you are able to help with either of these opportunities.

April 2024 was certainly a different month. Neither earthquake nor solar eclipse deterred folks in need from visiting the Cupboard. We had enough solar eclipse glasses donated that every family could receive a pair during the week prior to the eclipse.

We ended the month with the highest number of visits in ten years. 415 visits total with only one of the weeks in the month with a total fewer than 98. The number of new families registered in the month was 19.

We are thankful that numerous individuals and each of our cosponsoring churches provided a monetary contribution during the month. Also, thanks to those who contributed product. We all know that the cost of food is rising and the support is vital.

Thank you for your continued support and prayers.
