

Shelby County Park District

Board Meeting

Meeting 6/30/2026

Cara Kellersmith _____ Noah Ganson _____ Kyle Doak _____

Others in Attendance:

New Business:

Renner Sanctuary:

Mowed and maintained by Brian and Dee Monnin.

Carol – electricity update.

Brian pulled the bridge up to the top of the parking lot. We moved it onto the woods, but still need some muscle to take it back down and secure it.

Bornhorst Woods

Sign at Bornhorst was fixed by the county. We still need to trim the old legs off and paint it. Alex Kellersmith and Bryce Sauvie mowed and cleaned up at Bornhorst several weeks ago. We need to go back out and mow and finish the sign soon.

HARDIN PARK

- Carol and Cara weeded the flower beds.
- Carol has been mowing and maintaining the park.

Lockington Dam:

- Lockington is now completely cleaned out. Thank you to the Boy Scouts leaders and Tom Frantz who came out to help us move the last several loads out. The van was towed to the junkyard. We need to make sure Roxanne knows we are finished.

Other Business

We are now finished with the bi-yearly audit. We need to discuss if we want to make it part of our policy to reimburse for taxes since we are tax exempt. If so, Krisine (auditor) sent the current policy and how we go about making that change.
