ROCKSOLID REFUGE

We have recently been blessed by a few different volunteer groups coming and showing the love of Christ to our students in meaningful ways.

Spending time together, working together, cooking for them, studying scriptures together.

It's difficult to describe the way that groups like this bless our students and the ministry of Rock Solid Refuge. Any focus on a single aspect of what they're doing fails to appreciate the myriad of other ways that they are a blessing.

They are completing building projects, working alongside and building relationships with the students, learning scripture together, and overall demonstrating the love of Christ through lives of service to Him.

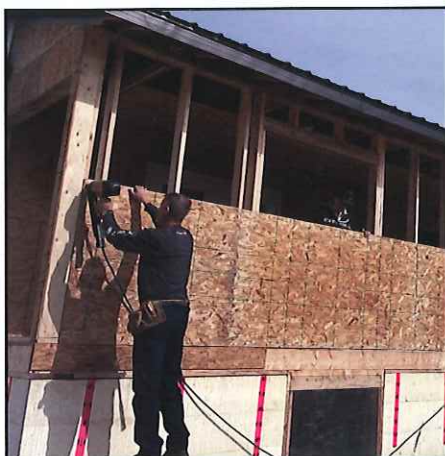

Thank you to the many volunteers:

Bergen Church group: April 12-17

Didsbury Tradesmen: April 24-28

Old Colony Mennonite Church youth group: June 4-8 & 18 – 22

We believe that God still has great things in store for hurting Canadian teens and their families through the ministry of Rock Solid Refuge. Our pause this summer is to relaunch in the fall with confidence.

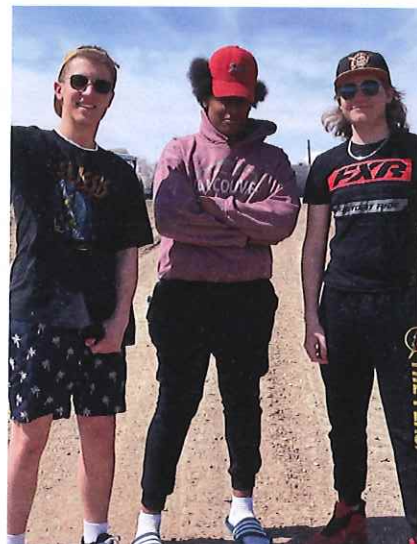

Many of the current students are excited to spend the summer with their families and we anticipate their return to Rock Solid Refuge in the fall with the start of the new school semester. Though their summer will certainly be a challenge, we're committed to helping our students and their families navigate the summer months well.

Before they leave us, most of the students will spend one last week in early July at Bible Camp or a northern Saskatchewan canoe trip. This is a great opportunity to connect with, pour into, and show Christ's love to these struggling teens. Be in prayer for this time, that the students would learn and grow and be best prepared for the rest of July and August.

Your prayers and financial support will help relaunch the program from a position of strength and surety. Please consider making a gift today and please share the ministry of Rock Solid Refuge with friends or family who have a heart for teens and a passion for ministry.

We are incredibly grateful for your ongoing prayers and support.

God bless!
