HIGHWAY CLEANUP

There are many conflicting schedules for our HWY Clean Up this year, but it is our single largest fundraiser of the year. We are working hard to ensure we can handle it, and we appreciate so much all the help we can get. We are returning to the plan of meeting at the church at 7 am for training and to organize groups as the sign up numbers at this point are very low. We are hoping that lots of people surprise us the day of and we are able to accomplish the job. This is a big task but many hands make light work.
