THANK YOU!!

We cannot say thank you enough to everyone who came out to help with Highway cleanup. In true PV fashion, you not only met but exceeded expectations. We had 41 people show up, and we were in and out of the ditches by just after noon with 100 kms of ditches cleaned. Thank you!

MUSEUM CLEANUP

May 25 is the annual Museum Cleanup.

Join us at the Climb Through Time Museum to help prepare the museum for the upcoming season of visitors. We will enjoy some work time together as well as fellowship and food on the deck. We will not be mowing the lawn around the museum this year so please do not bring any mowers to the cleanup. If you have wash buckets and rags you can bring for the day please do as we tend to run short of these. The meat for the lunch will be provided. Please bring a side dish to share.
