

*EVERY WISH IS GRANTED IN  
LOVING MEMORY OF  
**LAUREN ELLE RICHMOND**  
June 6, 1993-December 20, 2008*

### ***The Heart of the ELLE Foundation***

At the age of 10, Lauren Elle was diagnosed with a very rare and tenacious chordoma tumor on her brainstem. For over five years Lauren fought numerous recurrences. She knew that a recurrence is more emotionally and physically devastating than a first diagnosis.

Lauren would say: "With a first diagnosis, you have a plan. You go through surgery, chemo, and radiation with the hope and faith that you are going to get better. It's a terrible thing to go through, but there's hope. Then suddenly, whether it's a month, a year, or two years, it comes back. Now you feel...why can't I catch a break, what did I do wrong?"

In her final days Lauren wrote, I AM UP TO YOU – and charged her parents, Laurie & Dean and older sister, Dana, with taking care of her final wish & foundation, which Lauren defined as the "Reason for Her Journey".

Lauren's vision for ELLE's mission was to give children with a recurrence of cancer and their families a moment to forget, to laugh, to rejuvenate their spirits.

Lauren inspires us every day and continues to teach us that with love, perseverance, courage, and compassion for others you can turn a terrifying experience into something good and make a difference in the world.

### ***What Wish Applicants Need to Know:***

1. The ELLE Foundation is operated on a 100% volunteer basis - staffed by Laurie, Dean, Dana and a family of volunteers. Every wish is granted personally by Lauren Elle's family.
2. ELLE's financial support comes from the generous donations of family, friends, community organizations & local businesses all touched by Lauren's journey and the journeys of ELLE's Kids.
3. ELLE does not have the financial resources of larger wish granting organizations therefore ELLE's Wish Guidelines are strictly adhered to.

### ***Paying It Forward***

***ELLE's Wish Supporters Love Wish Stories***

In order to comply with this federal law, The ELLE FOUNDATION, Inc. now requires that the parent/legal guardian sign and return the HIPAA Form in order to process the wish application. The physician's application requires a response from the wish applicant's treating physician. The physician should require the wish applicant's parents/legal guardian to complete and sign a HIPAA form during the treatment process.*

**Please ensure, before returning the physician's portion of your application, that signed copy of the HIPAA form accompanies this document. If a HIPAA form has not yet been completed, please call the treatment facility and request one. Please note: the wish application cannot be processed without the signed HIPAA form.**
