

IF YOU WANT

- The City to ask residents what they want
- The City to conduct all required studies
- The City to assess low density options
- The City to assess public finance options

**✘ VOTE NO
ON Question 2**

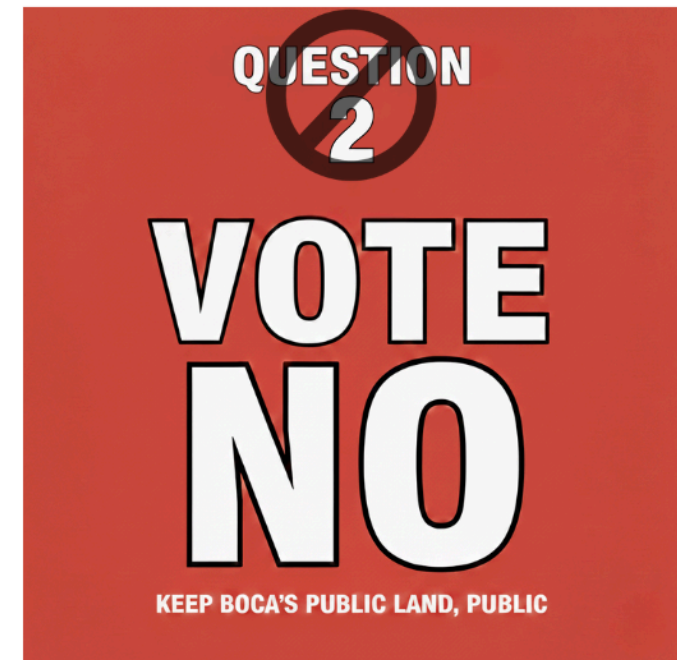

(on the back of the ballot)

This ballot question asks residents whether or not they support moving forward with the proposed P3 redevelopment of the government campus.

Don't be fooled by the wording.

The City will honor veterans and Memorial Park green spaces will remain even if you vote no.

Do you want better options?

A vote of "No" on Question 2 doesn't end the opportunity to have improvements in downtown Boca Raton. It forces the city council to consider other options to a P3.

We recommend a "No" vote on Question 2

(on the back of the ballot)

The project promises are unrealistic and fail to address the real risks of high density or the long-term consequences of a 99-year P3 agreement.
