SIMMENTALS

**Silent Auction Sale**  
**Selling 25 bulls**  
**February 1st– 3rd 2024**  
**White Lake, SD**  
**605-680-1347**

To all our valued friends and customers,

Welcome everyone to our annual production sale at Triple B Simmentals! We are very blessed to be doing the job we love and hope to continue it for many years! We look forward to visiting with return customers and are excited to meet new customers as well!

The sale will be taking place February 1st through February 3rd, 2024 and will be silent auction. I will do my best to explain but if you have questions, please don't hesitate to reach out to me. **The bidding will open at 8 a.m. on February 1st and close at 5 p.m. on February 3rd.** All the bulls will start at a base price. When the sale opens you can start at the base price or start higher if you want. All bids will be in **\$500** increments. There will be an up-to-date price sheet on all the bulls at our website; [triplebsimmentals.com](http://triplebsimmentals.com). If you bid on a bull, you are in on that bull until the end of the sale or until you say you are out. I will let you know via text or call if you get bid up. There will be no new bids on bulls after 5 p.m. on the 3rd! If you have bid on a bull, we will bid that bull off after 5 p.m. until we have a winner. There is no benefit until waiting to the end to start bidding. Best bet is to get in on the first 2 days of the sale if you like one.

Our feeding program has stayed the same as previous years. The bulls do receive creep feed in the yard from March-May until they get to grass. Once they get to pasture, they no longer get any creep feed. Several of the pastures get rotate grazed so these boys are very used to electric fences! This year we weaned the bulls on September 10th and have been **hand-fed** twice a day, everyday! They receive 8-10 lbs of bull grower pellets and free choice prairie hay everyday. Bulls were weighed September 10th and again on December 11th, 2023. We sent DNA in early this year so all bulls will be marked homo/hetero black and homo/hetero polled.

Any questions please reach out to me at 605-680-1347. Also find us on our website at [triplebsimmetals.com](http://triplebsimmetals.com) and give us a follow on **Facebook and Instagram.**
