# Welcome to the Annual Production Sale at Triple B Simmentals!

Dear friends and valued customers,

We are thrilled to invite you to our annual production sale at Triple B Simmentals! Raising bulls for incredible people like you is truly a privilege, and we're excited to present what we believe is our most consistent and impressive offering yet. We hope you find the perfect addition to your herd!

**Dates:** February 6-8 2025

**Format:** Silent Auction

**Bidding:** Opens at 8 a.m. of February 6th and closes at 5 p.m. February 8th

Each bull will start at a base price, and bids must increase in \$500 increments. You can begin bidding at the base price or higher, and an updated price sheet will be available on our website: [triplebsimmentals.com](https://triplebsimmentals.com). If you bid on a bull, you'll remain in the running until the sale ends or you decide to bow out. We'll keep you informed of any updates via text or call. After 5 p.m. on February 8, bidding on any bull with active bids will continue until a winner is determined. To maximize your chances, we encourage you to start bidding early!

Our bulls receive creep feed in the yard from March through May before transitioning to pasture, where they no longer receive supplemental feed. Many pastures are rotationally grazed, so these bulls are accustomed to electric fences.

This year, we weaned the bulls on September 4, 2024, and they've been hand-fed twice daily ever since. Their diet includes 7–8 pounds of bull grower pellets and free-choice prairie hay. While we've kept them leaner this year, their size and weights remain impressive. We weighed the bulls on September 4 and again on December 15, 2024.

Any questions please reach out to me at 605-680-1347. Also find us on our website at [triplebsimmetals.com](https://triplebsimmetals.com) or find us on **Facebook and Instagram** for more updates and insights.

Thank you for your continued support, and we look forward to helping you find your next herd bull!
