Welcome to the 10th Annual Production Sale at Triple B Simmentals!

Dear friends and valued customers,

We are thrilled to invite you to our 10th annual production sale at Triple B Simmentals! Raising bulls for incredible people like you truly is a privilege, and we're excited to present what we believe is our most powerful set of bulls to date! We hope you find the perfect addition to your herd!

Dates: February 3-5 2026

Format: Silent Auction

Bidding: Opens at on Tuesday, the 3rd at 8 a.m. and closes on Thursday, the 5th at 5 p.m.

Each bull will start at a base price, and bids must increase in \$500 increments. Heifers will also start at a base price, but their bid increments will be \$250. You can begin bidding at the base price or higher, and an updated price sheet will be available on our website: triplebsimmentals.com. If you bid on a bull or heifer, you'll remain in the running until the sale ends or you decide to bow out. We'll keep you informed of any updates via text or call. After 5 p.m. on February 5, bidding on any bull or heifer with active bids will continue until a winner is determined. To maximize your chances, we encourage you to start bidding early!

Our bulls receive creep feed in the yard from March through May before transitioning to pasture and cover crop grazing, where they no longer receive supplemental feed. Many pastures are rotationally grazed, so these bulls are accustomed to electric fences.

This year, we weaned the bulls on August 22, 2025. This may be the earliest we have weaned and this is our heaviest set ever! They've been hand-fed twice daily ever since. Their diet includes 8-9 pounds of bull grower pellets and free-choice prairie hay.

Any questions please reach out to me at 605-680-1347. Also find us on our website at triplebsimmentals.com or find us on **Facebook and Instagram** for more updates and insights.

Thank you for your continued support, and we look forward to helping you find your next herd bull!
