About Us

Derzhavin University is a brand known not only in Russia but also abroad. The University is among the top 10 universities in Russia in terms of the number of foreign students.

01 Legacy of Excellence

Founded in 1918, Derzhavin Tambov State University is one of the largest and most prestigious universities in the region, known for preserving the traditions of classical education with modern innovation.

02 Global Student Community

The university hosts over 14,400 students from 60 regions of Russia and 55 countries, creating a diverse and multicultural learning environment for international students.

03 Innovation & Research

Derzhavin University features advanced scientific infrastructure including technoparks, research centers, startup studios, simulation centers, and modern laboratories supporting innovation and practical learning.

04 Modern Education

Students can develop additional IT and digital competencies through the university's "Digital Department," preparing them for future global career opportunities.

05 Student Life

The university offers vibrant campus life with 100+ student organizations, clubs, volunteer groups, and world-class sports facilities including ice skating arenas, fitness centers, football fields, and sports complexes.
