

AndreaWorthing

AS AN ART TEACHER, I STRIVE TO ENCOURAGE CREATIVITY AND HIGHER-ORDER THINKING TO INCREASE STUDENT PERFORMANCE AND ENGAGEMENT. MY ULTIMATE GOAL IS FOR STUDENTS TO BE ABLE TO LOOK AT A PROBLEM OR ASK A QUESTION, AND THEN DESIGN A SOLUTION THROUGH ART.

EMPLOYMENT

2020 - present

OWNER/ART TEACHER– The Artist League theartistleague.com

- + Design, develop and implement art curriculum catering to students of all skill levels. Develop and execute marketing strategies to attract new students.

2015 - present

PARTNER/PLANT MANAGER– Breasco Wire Forming LLC breasco.com

- + Direct and manage plant operations for production, quality, shipping and receiving. Organize daily operations of prototypes, assuring the plant runs smoothly, quickly, efficiently and safely.

2008 - 2015

ART TEACHER– Grass Lake Community Schools

- + Developed elementary and middle school art curriculum, introduced students to a wide variety of art materials and art-related technology, assessed student learning and displayed student work.

2001- 2010

TECH LEAD/GRAFIC DESIGNER – Edwards Brothers/Ann Arbor Media Group

- + Provided technical support for and leadership within the Electronic Prepress Department. Designed and developed book covers for internal publishing company.

1997 – 2000

GRAFIC DESIGNER – BCBSM of Michigan/Flying Colors Toys

- + Designed and developed annual reports, brochures, posters, logos, internet graphics and licensed activity kits. Involved in all phases of design from concept to final product and packaging.
