

As the new 2022-2023 school year begins, the Laverne All Sports Booster club would like to say "Thank You" to the previous donors for their support. AS we prepare for another year, your help is much needed and appreciated for our student athletes. This year our goal is to help accommodate in EVERY sport.

To help make our school the best, **we need your help!** Membership fees will be \$40.00 per family and \$150.00 for Corporate Sponsors. Members and Corporate Sponsors will have names and/or businesses published in every home program. Again, thank you for your support and helping with the Laverne All Sports Booster Club.
