

# 6-month agreement to give financial support to Teshuvah Ministries, Inc.

I desire to help Teshuvah Ministries, Inc. thrive. Therefore, for the sake of and success of Teshuvah Ministries, Inc. I am entering into a promise to give \$\_\_\_\_\_ every month for 6 months to Teshuvah Ministries, Inc. I will be giving this money on the \_\_\_\_\_ day of each month via \_\_\_\_\_ (PayPal, CashApp, Mail a Check or MO). By making this promise my random donation turns into regular support that the ministry can count on, which will help to sustain it where it is and help it grow and thrive depending upon Yah's future blessings.

I can be assured that Teshuvah Ministries, Inc. will use my support with thankfulness to operate the ministry. This would include things like paying ministry bills, promoting old content as well as producing new content such as books, tracts and handbooks, YouTube videos, online courses at Kingdom University, articles, products, communication, Feast Events and for Rebekah's women's ministry. At the end of 6 months I can opt in for another 6 months if I wish. If not, I can move on. But I'm here for 6 months to give continued support to TM and the Garvin Family, who operate it.

I understand that giving this financial support does not entitle me to get Teshuvah Ministries, Inc. (Isaac, Rebekah or the volunteers) to work for me and do special things for me. I also understand that the TM team are super busy with ministry and production and can not always be available for conversations, texts or emails as much as I may want or feel that I have the right to as a financial sponsor. I will remember during this 6-month time period that TM, its volunteers and Isaac and Rebekah are very grateful for the financial help and that they consider it provision from YHVH Elohim, not from me. I will be okay with getting blessed by YHVH Elohim for my selflessness in secret and I will remember that my reward will come from Ye'shua, not from Teshuvah Ministries, Inc., the Garvins or TM volunteers.

I have looked over the beliefs of TM and am aware of what Teshuvah Ministries, Inc. teaches and does. I am in support of this ministry's Kingdom efforts at helping the Scattered LIVE in repentance. If I come across a belief that I don't agree with or don't like I agree that that doesn't give me the right to abandon them before my 6-month agreement is up. I will be accountable to YHVH Elohim in how I speak about and treat TM, it's volunteers and the Garvin family. I am accountable to YHVH Elohim for my faithfulness to this agreement that I am entering with TM to support them for this 6 months. I am responsible to Him for what I say about TM and the Garvin Family at all times during and after supporting them. I will take responsibility for setting up monthly donations through one of the approved methods. I will also take responsibility for ENDING my automatic support at the end of the 6 month agreement. If I don't then TM will benefit from the extra support from me. I will not get angry at them, hold them accountable for not stopping my own automation or demand a refund. I know that YHVH will provide.
