Notice of Intellectual Property

Like a lush, well-tended garden, our women's fellowship group grows and bears the sweet fruit of the Ruach into deeper understanding and broadened insight. Our Ladies of Teshuvah group contains an endless stream of thoughts, ideas, and inspirations from the Ruach-filled hearts that gather there. Sometimes, the content is just too wonderful to lose in the feed, allowing it to slip away only to be forgotten and lost to history. As the Ruach ha'Qodesh lays on the hearts and minds of our members to post and comment, capturing some of this precious fruit has become an unexpected, organic opportunity. **For that reason, TM reserves the right to select and share inspiring, insightful posts and comments in other TM publications.**

Collectively, we have an opportunity to inspire, enlighten, and motivate other ladies to come and grow with us. For example, opinions or comments posted about a featured book may appear as a "Book Review" on our website or in other ministry resources. Subjects such as Scriptural discussions, ideas for sharing YHVH's Appointed Times, or creative children's activities supporting Biblical themes are other examples of GroupSpot content that TM might incorporate elsewhere. Should your GroupSpot posts or comments be selected for publication, that individual will be given credit.

Please initial: ____ After reading and understanding the information above, I grant my permission to Teshuvah Ministries to use any post or comment I make within the GroupSpot feed in other Teshuvah Ministries publications. I recognize that all GroupSpot content becomes the intellectual property of Teshuvah Ministries. I acknowledge that all content (posts or comments) appearing within our GroupSpot feed becomes the intellectual property of Teshuvah Ministries to use to encourage others to explore TM resources or find TM on other platforms, such as YouTube, etc.

NOTICE: Any intentions of using our Ladies of Teshuvah virtual GroupSpot App for covert agendas such as conflicting teachings, increasing a fan base or viewership, demographic scanning our members, data mining of any kind, advertising, etc. is strictly prohibited. If detected, our Moderators (MODS) will address it immediately to halt any further inappropriate activity, misuse, or patronizing of our members. Our GroupSpot App is a unique, virtual gathering place provided by Isaac and Rebekah Garvin as an extension of Teshuvah Ministries, Inc (TM). The App provides a set-apart, Torah-based, safe gathering place for ladies only. As a women's fellowship and relationship-building component to our ministry, TM has opened the door to receive new members, all of which are given a royal welcome by its' members, treated with respect, and valued as one of our Ladies of Teshuvah.

Ladies have joined to share their discoveries on the ancient, set-apart path of Yehovah, share their hearts, discuss obedience-to-the-Covenant—based challenges and experiences, and enjoy an agenda-free fellowship, independent from constant advertising, distractions, and worldly mindsets. Please respect our fellowship App and treat it as a set apart place. Thank-you for providing your answers and your interest in becoming a part of our Ladies of Teshuvah on the GroupSpot App.

I have read the above and agree.

Once we receive your App in the mail Rebekah will review it. She will email you with further instructions on how to get into the group :-) It's not hard. **Thank you for filling this out and mailing it to Rebekah—she does really look forward to meeting you!**

Once approved, we recommend reading the pinned posts in the Group. The pinned posts exist to add easy navigational assistance between our ministry platforms and provide a straightforward user structure that's in the best interest of all our members. You'll find essential user information such as "How To" Tutorials for joining us online for our member Shabbat gatherings, group Moderator video MOD introductions, instructions on how to join our War Room Prayer Page, and links to our TM YouTube teachings and more! :-)

Thank you for choosing to grow with our unique, Melchizedek-centered Ladies of Teshuvah fellowship. Pray with us that the "garden" of YHVH continues to grow in wisdom and the roots of understanding continue to go deeper. Together, we press on in one accord to gather the lost sheep of Israel and bring them back to discover their eternal heritage in YHVH Elohim.
