

War Room (WR)

SUMMARY, GOALS, EXPECTATIONS & RULES

WAR ROOM SUMMARY

The War Room is a set-apart, distinctly different Prayer Page that all Ladies of Teshuvah members are encouraged to join. This page is exclusively dedicated to the "weighty" matters of the believer in Ye'shua ha'Mashiach that need prayer for a breakthrough. The main Ladies of Teshuvah page builds relationships through posts and comments. However, the War Room page provides further support of relationships through active prayer intercession. There are three appropriate categories of posts for the prayer page, which help monitor the timeline of each prayer request.

- Prayer Requests
- Prayer Request Updates (Ongoing)
- Glorifying Elohim for answered prayer.

A prayer is a significant act of love for the believer. To enter the Throne Room with the burdens of others, and lay them at the feet of the Most High Yehovah, in the Name of His only begotten son, Ye'shua, our High Priest and Messiah, is an honor and privilege that cannot be over-stated. We commission our angels to their assignment and trust Yehovah's will and timing in all matters. We type out our prayers so they can be revisited for continued encouragement and comfort.

WAR ROOM GOAL

To establish a "Virtual Prayer Room" as a devoted area where members receive prayerful attention with great care and respect while honoring all requests as "sensitive" information, deserving of our utmost care and privacy. Members are **instantaneously alerted with notifications of prayer requests**. Immediately, ladies willing to devote time to intercession honors each request.

WAR ROOM EXPECTATIONS

You can expect from others that ...

- Prayerful eyes will review your concerns often and seek Yehovah's Will on your behalf.
- Your requests will live ONLY on our prayer page and not be shared on other social sites.
- Members of the WR page will genuinely care about your requests and, consequently, inquire periodically on the status of your situation(s).

We expect from you that ...

- You will update your requests so intercessors are praying correctly concerning your need(s) as circumstances change on your request timeline.

WAR ROOM MEMBER RULES

- **DISCERNMENT** – Please, exercise discernment with what is "appropriate" for a spiritually mature prayer space. Honor our sacred prayer space where *serious concerns* are shared and taken before the altar of the Most-High. Potty training pets and children are examples of (apparent) *inappropriate* requests.

- **RESPECT** – Should the page Moderator (MOD) bring an issue or concern to your attention, respectfully embrace the recommendation. Any disagreement should be handled through private chat and not within the comment section of any post that appears in the page feed.
- **CONTACT PROTOCOL** – Reach out first to the appointed page Moderator (MOD). If extended clarity is necessary, then one of the WR MODS will contact the Owner and Executive Director, Rebekah Garvin to assist as needed.

WAR ROOM PRIVACY AGREEMENT

- **PRIVACY**- Privacy Is Paramount. Every War Room participant is to keep the confidentiality of ALL content on this prayer page private. "Private" means not to disclose any details of our members' requests outside of the safe boundaries provided by this page. If a member wants to share their request elsewhere, that is their prerogative; however, it is not for another to take the liberty of doing so. In order for you to understand the seriousness of this we ask that you download, print out, sign and mail to Rebekah our WR PRIVACY AGREEMENT (see below).

PRIVACY AGREEMENT

- All participating members must consent to all War Room Page Rules and strictly honor our TM GroupSpot App Privacy Agreement. Please find the Privacy Agreement Form on Teshuvah Ministries website (www.teshuvahministries.com) under the tab Ladies of Teshuvah. Download, print it, sign and date it and mail it to TM's address printed on the bottom of the form. If you want to use Acrobat Reader to sign it digitally, that's fine. Just fill it out and email it to repent@teshuvahministries.com. If you do not have access to a printer, please private message one of the the page Moderators (MODS) and she will mail you one immediately. Once received, please sign, date, and return it through the mail (US Postal Service), preferably the same day.

Thank you!
