

Spring Academy Re-Opening Procedures

Morning Drop OFF

The entry way area immediately outside the front door is our Designated Screening Area.

Families dropping off students should space themselves 6 ft apart from the family in front of them.

We will take your student's temperature. Any student with 100.4 (38 C) or above will not be admitted.

Families, students & staff need to wear facemasks. Students will wear masks throughout the day unless eating/sleeping.

During the Day

Small Classes. Maximum in a group will be 10 students.

Outdoor play will be increased including during reading and activity time.

No lunch will be provided. Parents need to pack all meals and snacks. Nothing will be shared.

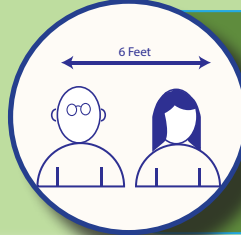

Strict Hygiene will be observed throughout the day including frequent hand washing.

Afternoon Pick-up

The entryway area immediately outside of the front door is the Designated Pickup Area at the end of the day.

Parents picking up should go to the entrance way one at a time and continue to social distance.

Reminders

1. No one, other than students and staff, are allowed inside our building.
2. We will be practicing social distancing throughout the day.
3. Students will be washing their hands frequently throughout the day.
