

After School Programs

育泉

Spring Academy's After-School programs not only help children excel academically and socially, but assist them in discovering their true talents. The various enrichment programs combined with our rigorous academic offerings, makes us an ultimate 'one-stop shop'!

Included Programs:

Homework Help - assists students in completing their school assignments.

Foreign Languages - provides daily 1-session Chinese language study and additional practices, aligns with the official HSK testing standards

Math additional practices and Help - provides additional Math practices and helps students advance their levels.

Science Class - taught by certified Chemistry teacher, teaching various science concepts using easy-to-understand and fun method.

Optional Programs:

English Language Arts - an effective method of teaching students the essential ELA skills and advance their levels, and prep for tests such as ISEE/SSAT/SAT, etc. Taught by high school ELA teacher Mrs. Patsberg.

Critical Thinking – train students on various subjects such as Math, English, Social Studies, Science, critical thinking skills and verbal/non-verbal analogies, etc

English/Math tutoring – per demand! One-on-one or small groups

Middle school/high school subject Math – small sized classes help strengthen understanding

Tuition:

3:05-6pm: 5 days: \$600/month; 4 days: \$550/month;

* Fee includes transportation from Westfield school to Spring Academy
