

Scholarship Application

The Oregon Council on Economic Education provides assistance to teachers in support of their mission to teach economics. The purpose of this Economic Education Scholarship is to help teachers of economics develop their skills and increase the quantity and quality of economics taught in Oregon Schools.

This Economics Education Scholarship will support the efforts of teachers to expand their knowledge and skills in teaching economics and helping other teachers improve their economics teaching.

Eligibility

- Must be a current OR teacher, either public schools, parochial or private schools
- Teacher must be teaching in K – 12 classroom
