ABOUT ME

My life is centered around family and service. I am an active community advocate who has lived in Norris Lake for over 12 years. I have been happily married for 32 years, and we are blessed with five wonderful adult children and three grandchildren. I bring a deep personal investment to the neighborhood's future.

Dedicated to Unity, Integrity, and Proven Service

EXPERIENCE

Professionally, I bring extensive leadership, institutional, and administrative expertise to our board. I have spent 20 years working for Georgia State University and have dedicated 34 years to public service working in government. I am also deeply committed to lifelong learning; I am currently completing my bachelor's degree in business with a concentration in Human Resources and Real Estate.

I firmly believe in growth through every single experience—big or small. That philosophy fuels my passion for **community togetherness and service**. Over the years, I have actively volunteered with organizations like **The March of Dimes, Habitat for Humanity, DeKalb and Gwinnett Counties, and Kappa Alpha Psi Fraternity**. Locally, I have channeled this passion into action right here at home, serving summer lunch for 10 years, and serving as the **President of FONL (Friends of Norris Lake)** for 8 years.

My priorities for our Norris Lake community are **Fostering Community Togetherness**: Creating spaces and opportunities for neighbors to connect, engage, and support one another.

Active Community Service: Driving hands-on volunteerism and local improvements to keep our neighborhood beautiful, safe, and clean.

Structured Advocacy: Using my government experience, HR focus, and real estate knowledge to ensure our neighborhood's rules, finances, and infrastructure are managed transparently and effectively.
