

Don Almand

My name is Don Almand and I've lived in Norris Lake for 39 years. Three generations of my family live on the lake today. My family and I are avid users of all the community properties and are lifelong friends with many of our neighbors. I love this neighborhood and am committed to its future. I've served on the board for 10 years and have worked hard for the betterment of the lake. One of my priorities is to ensure the health and longevity of our neighborhood's most valuable asset, the lake. I oversee the landscape company that is contracted to take care of the neighborhood grounds. I also help make sure the pool is operating properly.

I appreciate that Norris Lake is the kind of place where people know their neighbors, support each other in times of need and are kind and respectful to one another. I'm proud to have raised my family here and to see future generations of my family doing the same. As a board member, I always have an open mind and open ears. I do my best to make decisions and spend my time working with the betterment of the community in mind.

I've valued my position on the Board for the past 10 years and hope to be able to continue serving on behalf of the community.

Thanks,

Don Almand
