 FRI-SUN WEEKEND
 MILE*

- ✓ If your towing vehicle is an SUV, it must be equipped with a hard top.
- ✓ Towing with an electric vehicle may result in reduced mileage, we recommend planning your route with charging stations along the way.
- ✓ Towing vehicle and towing device lighting must be operational at all times, day and night, loaded or unloaded.
- ✓ Reduce your normal driving speed. The maximum recommended speed is 55 MPH.
- ✓ Towing vehicle must have external mirrors on both sides.
- ✓ Load trailers heavier in front.
- ✓ Always wear a seatbelt.

4' x 8' Cargo Trailer

- Inside dimensions: 8'1" x 4'2" x 4' (LxWxH)
- Door opening: 3'5" x 3'10" (WxH)

The **allowed cargo weight** (the amount of weight you can put in a trailer) is based on your vehicle's curb weight (4750 lbs), the trailer's capacity and your hitch system rating.
