## A Message from your District Directors

**Joe & Debbie Gattenby**

The weather is much nicer now, and some of the Chapters are taking advantage of it, holding dinner and day rides. Debbie and I went on one last week, great pizza! Great turnout!

We're looking forward to the Campout on October 2nd and 3rd. Games, movies and food aplenty will be enjoyed. Plan on attending, it should be a great time. Gary Ohler has a dinner ride planned for Saturday, so let's all join in for a fun ride and a good meal. Hopefully the weather will be better this year, we're certainly due, but the tarps will be there, just in case. The stew on Friday will be prepared by a substitute chef, hopefully it will be edible. Jack is having a medical procedure done during the week and won't be able to camp with us, or prepare is famous stew, let's keep him in our thoughts and prayers.

Mid Winter plans are moving right along. Rider Ed and the University Trainers are putting together exciting seminars and classes for you. There will also be plenty of other things to do, the craft ladies will have their usual great project ready and the State Staff are looking forward to a super event. The location is the Quality Inn in Arkansas City and the dates are January 15th and 16th. There will be lots to do with a pizza lunch on Saturday.

I guess I'd better get up and get our camper ready, so I'll close here, hoping to see you at the Campout.

Joe and Debbie

## A WORD FROM YOUR DISTRICT RIDER EDUCATORS

Here it is fall already. I hope everyone is doing well and looking forward to some cooler temperatures for some nice fall riding. I know this has been a strange year for everyone but if you have the chance, please get out and enjoy some riding before it gets too cool.

September 17, 18 and 19 the Rider Education Team and our Rider Coaches took a riding road trip to Lenexa, KS to present a Trike Rider Course. Bob Brown, Don Schroeder, Rick and Carolyn Stevens rode to DeSota, KS to attend Chapter B's meeting on Thursday evening. We also had Kansas District Directors, Joe and Debbie Gattenby, and Kansas Asst. District Directors, Denny and Kathy Chesnut, at the meeting.

On Friday morning we set up the riding range at Central Church of The Nazarene in Lenexa. Thanks to Joe Magnant from Chapter B for helping to arrange this location for us to use for both the classroom and range. Friday afternoon we had the classroom portion of the course and enjoyed some refreshments provided by Chapter B.

Saturday morning was a nice cool morning with no wind and we had 5 trike riders and 4 co-riders participate in the range exercises. Overall, this was a very good group and everyone enjoyed the training and a lot of good information was provided to the participants. We enjoyed a nice lunch with the class at Jumping Catfish in Olathe on the way home and then a nice ride back to our homes.

**We will be planning our courses for next year this fall and providing those as soon as we get them finalized. We have already been contacted by Chapter B to bring the Advanced Rider Course for 2 wheelers to Lenexa next spring. More to come on this.**

**Stay safe and remember: Practice Makes Permanent...You are What you Practice.**

**Rick and Carolyn Stevens  
Kansas District Directors**

**Here is a nice article provided to us by Bob Brown.**

## **How to Choose a GPS System for Your Motorcycle**

BY ALLEN SCHNELL

IT CAN BE A LOT OF FUN TO SPEND AN ENTIRE AFTERNOON RIDING AROUND ON YOUR MOTORCYCLE AND GETTING LOST. ONE OF THE BEST PARTS ABOUT OWNING A MOTORCYCLE IS THAT IT GIVES YOU AN OPPORTUNITY TO EXPLORE AREAS YOU WOULDN'T NECESSARILY EXPLORE OTHERWISE IN A CAR, TRUCK, OR SUV.

But if you're one of the roughly 8 million motorcycle owners in America, there are also going to be times when you need to get your motorcycle from point A to point B as quickly as possible. And in those instances, you'll want to have access to a motorcycle GPS to keep you on track.

Would you like to add a GPS unit to your motorcycle today? Before you do, you should learn how to choose the right one. Here are 10 tips that'll make it easier than ever to pick out the best motorcycle GPS.

### **Ask Your Fellow Motorcycle Owners What They Use**

The easiest way to find a great GPS system for your motorcycle is by checking with your fellow motorcycle owners to see what they use when they're out on the road.

Ask around and see if you can get some kind of consensus on which motorcycle GPS system your fellow riders think is best. This is an especially effective approach for those motorcycle owners who don't have the slightest clue as to which system might be right for them.

By talking to different motorcycle owners, you can see which systems they trust the most. You can also ask specific questions about individual systems to give yourself a good overview of each one.

## Learn About the Different GPS Brands

While you're speaking with your fellow motorcycle owners about the GPS systems they like best, you'll start to hear some brand names come up over and over again. When you do, you should write them down and make an effort to do your homework on the brands that specialize in building motorcycle GPS units.

Some of these brands include:

- Garmin
- TomTom
- Trail Tech
- BMW

And more

When buying a GPS for a motorcycle, it's typically best to stick with a brand you know you can trust. Big brands will often offer the best GPS coverage and updates that will make your GPS more useful to you down the line.

## Read Reviews for a Bunch of Different GPS Systems

One of the other great ways to learn about the different motorcycle GPS systems on the market today is by using the internet to your advantage.

Search "motorcycle GPS systems," and within just seconds, you'll find long lists of the "best" GPS systems in the business. You should be cautious about relying on just one list to tell you which GPS systems are worth considering. But as you sift through different lists, you'll likely see two or three GPS systems showing up on multiple lists.

Those are the GPS systems you'll want to seriously consider. Just make sure you scroll through some reviews for them first. You can learn almost everything you need to know about GPS systems by analyzing the various reviews that are available for them.

## Keep the Durability of GPS Systems in Mind at All Times

At this point, you should have a few motorcycle GPS systems that you're considering for your bike in mind. Whether you've learned about them from other motorcycle owners or on the internet, you like what they have to offer.

Now, it'll be time to take a look at some specific features that are important when trying to choose the right motorcycle GPS system.

One of the first features you'll want to consider is durability. A GPS for a motorcycle has to be extremely durable.

Your GPS is going to be exposed to everything from the vibrations of your bike to the debris that you encounter when you're out on the road. It should be designed to stand up to whatever might get in its way while you're riding your motorcycle.

## **Find GPS Systems With Large Enough Screens**

Screen size is another important feature when it comes to your motorcycle GPS. What good is your GPS going to be if you can't actually see the screen while you're riding?

Motorcycle GPS systems come in a wide range of sizes. Some of them have screens that are only 3 or 4 inches, while others have screens that are upwards of 7 or 8 inches.

Your screen should be large enough for you to see based on your individual eyesight. You don't need to splurge on a super large GPS system if you have excellent vision, but you also don't want to select a small GPS system to save money and end up regretting it later when you can't see it.

## **Make Sure GPS Systems Are Easy to Mount**

Are you planning on taking your GPS system on and off your motorcycle on a regular basis? There are some motorcycle owners who will buy one GPS system for multiple bikes and move it around.

If you're going to do this, you want something that will be simple to mount whenever you want to use it. Different GPS systems rely on different mounting systems to keep them in place.

You should choose a GPS system that's going to go on and off your bike without a problem. Even if you're not going to move it around much, it's still important for your GPS to be as easy to mount as possible.

## **Try to Find GPS Systems That Are Waterproof**

At some point, you're unfortunately going to get caught out in the rain while you're on your motorcycle. You need to be very careful when riding in the rain.

You should aim to:

- Use your brakes and your throttle sparingly
- Finish up all your turns before you begin accelerating
- Steer clear of putting yourself in positions where you'll have to make last-second movements.

You should also make sure your motorcycle GPS is up for the challenge of riding in the rain. The last thing you want to do is be fiddling around with your GPS and trying to put it away when it's pouring out.

Search for a GPS system for your motorcycle that is completely waterproof. It'll give you one less thing to worry about when it starts raining while you're on your bike.

## **Test Out Different GPS Systems With Your Motorcycle Gloves On**

Just about all GPS manufacturers claim that their motorcycle GPS systems will work great for those wearing motorcycle gloves. But that's not always the case.

If possible, you should test out different GPS systems while wearing the motorcycle gloves that you wear when you're on your bike. See if systems are as responsive as companies say they are while you have your gloves on.

## **Check the Battery Life of GPS Systems**

Your motorcycle GPS system isn't going to do you a whole lot of good if the battery inside of it is dead. Therefore, you need to find a GPS system that offers you excellent battery life.

There are some GPS systems that will only provide motorcycle riders with about an hour of life. That's not going to be nearly enough for those riders who enjoy spending long afternoons getting lost out in the world.

Check for a GPS system that will set you up with at least a few hours of battery life, if not more.

## **See If GPS Systems Offer Any Special Features**

A great motorcycle GPS system should do more than just point you in the right direction when you turn it on. It should also be able to provide you with a bunch of other features that will help you navigate when you're out on the road.

There are some GPS systems for motorcycles that can give you updates on the weather and help you find shelter before you find yourself riding in the rain. There are some other GPS systems that can give you traffic reports and help you avoid traffic jams that might be up ahead.

There are even some motorcycle GPS systems today that come with satellite radio included in them. You can keep yourself entertained when you're riding through a particularly boring stretch of land on your motorcycle.

Many of these extra features aren't necessary for all motorcycle owners. But you might find that they come in handy once you start using your GPS system every time you ride your motorcycle.

## **Purchase the Right Motorcycle GPS Today**

In addition to considering everything else that's been mentioned here while choosing a motorcycle GPS, you should also keep the cost of GPS systems in mind.

A motorcycle GPS system could cost you anywhere from \$100 to as much as \$1,000 in some instances. It's why it's best for those searching for GPS systems for their motorcycles to create a budget before they do it. It'll prevent you from spending too much on a GPS system for your motorcycle.

If you don't have one, try one out. If you do have one, you need to get busy because winter is circling around the block!

Chris & Margo Roberts

Hello fellow riders

It's October and the leaves will be changing colors and falling from the trees so that means fall and the holidays will soon be upon us.

I want to start this newsletter off with a little word to Chris & Michelle Grooms over the loss of Michelle's mom. Ms Diane was a very fine lady and I for one am going to miss seeing and talking to her.

Now here's information on what little bit went on in September.

Our Chapter meeting this month was on Tuesday the 8<sup>th</sup> and that could be the reason why there were only about half the number of people in attendance as there normally is, but as always the meeting was fun & informative. The best part was when we all stood to do the Pledge of Allegiance and when our waitress saw what we were getting ready to do said "I want to join this party" and came in and recited the pledge with us. It was good to have her there.

On the 21<sup>st</sup> a number of us did a ride up to Newton and went to Back Alley Pizza for dinner. We had 8 bikes leave from Wichita and there were a few bikes that came down from Hutchinson so we had a good crowd for dinner. Here are some pictures of everyone that came to enjoy the food and company

For those that didn't get to come...we missed you and hope you will join us next time.

So what do we expect to happen in October? Well the District Campout is October 2<sup>nd</sup> through the 4<sup>th</sup>. It's being held @ Council Grove Lake, Santa Fe Cove. They've got quite the weekend planned for those who like to camp out. Last year it rained so here's hoping they will have better luck this year. If I can remind Chapter members to take pictures and send them to me so I can share them with those of us who won't be going. Also include a little bit of a story so we'll know what's going on in the pictures...and maybe it will help to show what we missed so we'll try to make it next year.

Oct 2<sup>nd</sup> is Chuck McClung's birthday...don't forget to wish him a great day if you see him.

October 4<sup>th</sup> is also Cassoday Sunday and it's the last one of the year so those of you who aren't camping out this weekend you might think about going to Cassoday to see all the motorcycles.

We will be having our next Chapter meeting on the October 8<sup>th</sup>. Chapter P will again be joining us and we will be meeting again at Spears 4323 W Maple. Plan to get there by 6:00 to eat and visit with the others. The meeting will start @ 7:00. Remember this is "Free Pie" day @ Spears so please join us if only to have a piece of pie 😊

Oct 13<sup>th</sup> is Bob Davis's birthday...so if you see him don't forget to ask him how old he is.

31<sup>st</sup> is Halloween...who knows if there will be Trick-or-Treating going on. (Guess that leaves more candy for us)

That's all I have for now.

Remember to ride them not hide them (weather permitting)

Mary Mazur,  
Chapter A Newsletter editor

# Chapter B – DeSoto

Meet 3rd Thursday every month in DeSoto at JT's Grill 7:00 PM - Eat 6:00 PM

**Chapter Directors**

Gary Ohler  
913-845-3946

**Newsletter Editor**  
Paula Aiken

**Chapter Couple of the Year**  
Mick Schurer & Leslie Thompson

August ended with cool, wet weather in northeast Kansas and Bob Savner led three cars to Pomona for the August 29<sup>th</sup> breakfast ride. Six people had breakfast at Green Acres. A good time was had by those attending.

September brings fall and Chapter B is enjoying the continued nice weather. Gary and Reba Ohler led the September 3<sup>rd</sup> dinner ride. Seven bikes and one "four-wheeler" traveled to Easton for dinner at the Hilltop Market. The specials that night were chicken fried steak and chicken fried chicken. Some of the thirteen there enjoyed one of the specials and others tried something different. It was a wonderful time of friendship and fun.

Allen Robertson needed an "attitude adjustment" on September 4<sup>th</sup> and even though there were things to do at home, he headed out with some of the gang for a ride. The weather was perfect, and a place located online called "Atchison Fried Chicken" was calling his name. It operated out of a gas station, there was a park nearby to eat and practice social distancing, and it just sounded good. What could go wrong?

Francis Dalsing, Brad Willis, Bill Groh, Maurice Gray, and Steve and Carla Ramirez met Allen at TeePee Junction on the north side of Lawrence. Back roads were ridden to Tonganoxie and then onto Leavenworth where the river was crossed into Missouri. Scott Henson joined the group along the road east of the river. Mary Rose Enderle and Bogie Bogenrife met the group in Weston, Missouri.

It was time for lunch when the group arrived in Atchison, but Allen's GPS must have thought he needed to be on a diet as it was unable to locate the gas station with the fried chicken. After several turn arounds and still no chicken, they headed downtown and stopped at Mueller's Bar and Grill overlooking the river. There was a nice patio for eating and enjoying the beautiful weather, great friends, and nice scenery.

It was homeward bound following lunch. Some took a direct route while others followed Allen southeast through Valley Falls and down the west edge of Lake Perry before returning to Lawrence. Unfortunately, Allen's chores were still waiting for him, but with a better attitude and a ride under his belt, he was ready to tackle them.

Because of the trike course the following day, Chapter B enjoyed extra friends at the September 17<sup>th</sup> monthly meeting. State Director, Joe Gattenby, announced information pertaining to the District campout and Mid-Winter. Carolyn Stevens was the winner of the trivia contest on pencils. Steve Ramirez shared plans for the poker run on September 26<sup>th</sup> with funds going toward medical expenses for Don Jones, a fellow motorcycle rider who has cancer.

September 18<sup>th</sup> and 19<sup>th</sup> found some Chapter B members and others practicing their trike riding skills. Rick Stevens and crew came to the northeastern part of the state to teach the trike course. Friday evening found those participating inside learning and then the riding portion of class happened on Saturday morning. Following the successful completion of the course, everyone met at Jumping Catfish in Olathe for lunch. These riding courses are so important and a great way to refresh and practice safe riding.

Chapter B events for October:

October 1	Dinner Ride
October 2-4	District Campout
October 15	Chapter Meeting
October 31	Breakfast Ride

Safe travels,  
Paula Aiken  
Chapter B Editor

**Happy**   
 **Fall y'all**

## Chapter F – El Dorado

Meet 4th Tuesday every month at Oil Hill Elementary School 7:00 PM - Brown Bag at 6:00 PM

### Chapter Directors

### Individual of the Year

Sharon Webster

### Couple of the Year

John & Karen Glaves

GREETINGS TO ALL from Kansas Chapter F

The meeting was called to order by Rick Kistler. We had 12 members and 9 visitors present. The visitors were from A, P, and Q. Welcome to our visitors!

Brenda Kistler led us in the Flag Salute. Rick Kistler thanked everyone for coming. He introduced our KS-F Chapter Couple of the year, John and Karen Glaves. He also acknowledged our Kansas District Couple, Joe and Debbie Gattenby from Wichita.

Rick also introduced our new member, James Mabrey. We extend our welcome also to James and are glad he is joining our group!

Joe Gattenby talked about the upcoming Campout the weekend of October 2-3, 2020. Everyone is to bring food for Friday and Saturday nights. The State will furnish the meat and the buns. Sunday morning we will have breakfast casseroles, biscuits and gravy, orange Juice, and coffee.

During the weekend, there will be games to play such as horse shoes, etc. There will be a movie on Saturday evening with Bill Watts bringing the projector for the movie.

Joe next talked about the Mid-Winter event and stated there will be no more door prizes at that event. The date for that is January 15 and 16, 2021. We hope everyone across the state will come to this event.

Rick Kistler then talked about the group picture that KS-F had taken on September 12, in El Dorado. We had a good turnout for our Chapter for this event.

Jack Kistler advised the next meeting date for Chapter Q, will be on October 1 2020. He hopes that all can come and share that time with them.

Kathy Chesnut advised that Chapter A will be meeting at Spears Restaurant, by Town West. October 8, 2020. Chapters A& P will be meeting together for this meeting. She invited all to attend. She advised they recently had a ride to Newton, Kansas.

Michelle Grooms thanked everyone for the cards, prayers, and thoughts on the recent loss of her mother.

Jack Schoeck reported on the information on his upcoming Kidney Transplant. No date is known at this time, but he will advise everyone when he is notified. He is currently on the list.

Rick Kistler advised that his last radiation treatment for his cancer is September 23, 2020. He will be glad it will be done!!

While there are no Anniversaries in October, Sharon Webster will be celebrating her birthday on October 26th.

The 50/50 was won by: Brenda Kistler - \$20.00 and Doris Schoeck - \$10.00.

Drawing for the Centerpieces were the following: John Glaves, Joan Warne, Debbie Gattenby, Vicki Kalous, Michelle Grooms, and Rick Stevens.

Rick Kistler asked how everyone liked the food here and everyone stated they Loved It!!

The meeting was adjourned to go outside for Cake and Ice Cream.

Until Next Time,  
Doris Schoeck, Newsletter Editor

## A Message from your KS-H Chapter Directors

As we move into the fall, motorcycle plans change to fit the weather. Some may be planning fall or winter trips south while others may be busy putting their motorcycles to sleep for the winter. Whatever your plans are, we can think back and realize the summer was different but it was a good summer overall.

Chapter H meetings have been fun, informative and very well attended. Thanks to all of you for your participation. Looking forward, there is the Kansas District campout October 2-3 at Council Grove. Mid-Winter is January 15-16. Be sure to check out the calendar for future events.

Fall often provides some of the best riding of the year, take advantage of a nice afternoon or evening. As the leaves turn and cooler temps arrive, enjoy the change of seasons. You may need to pick your day, but Jan and I have had some really great rides this time of year and through the end of the year.

Thank you to all our chapter members and guests for participating in Chapter events. It is the fabulous members of GWRRA that make this a fun group to hang out with.

Don & Jan Schroeder  
KS-H Chapter Directors

**October 10** - Saturday - Chapter H meeting at Applewoods Eat at 6 meet at 7.  
(order and pay at the hostess desk before heading back to the meeting room) Theme: How to  
extend your riding season with cold weather gear.

**October 11** - Sunday - Bug Run to Buster's in Sun City. Leave Kwik Shop, 30<sup>th</sup> St. Hutchinson  
at 12:30 pm. Details of how much bug stickers will cost will be announced at the October 10th  
meeting. Prizes will be awarded. Thank you to Daryl Regier for organizing this event. RSVP to  
[kansaschapterh@gmail.com](mailto:kansaschapterh@gmail.com)

**October 23** – 4<sup>th</sup> Friday Breakfast ride. Carriage Crossing, Yoder. Leave Kwik Shop, 30<sup>th</sup> St. Hutchinson  
at 8:30 AM. Or meet us there at 9 AM. Appreciate Don and Carma Gray for hosting this event. RSVP  
to [kansaschapterh@gmail.com](mailto:kansaschapterh@gmail.com)

**November 14** – Saturday – Chapter H meeting at Applewoods. Eat at 6 meeting at 7.

**November** – date TBD- day ride to Evil Knievel Museum in Topeka, mostly likely on 4 wheels

**December 12** – Chapter H meeting at Applewoods.

**January 9, 2021** – Chapter H “After the Holidays” and Chapter H Birthday meal.  
6pm at the King Park shelter house, corner of Ridge & Lincoln in Hesston  
Menu and details to come. This is instead of a Christmas party. The holidays are always busy and  
the gift exchange has pretty much run its course. This year we will give back to the community  
with donations to the Reno County Food Bank instead of a \$5 gift exchange.

**Watch email for short notice rides**

### **Other GWRRA, District and area Chapter Events.**

**October 2-4** - Friday-Sunday - Kansas District Campout at Council Grove Lake, Santa Fe Cove, 1219 Old  
U.S. 56 Hwy, Council Grove. Be sure to reserve your camping space soon.  
(See flyer attached)

**January 15-16, 2021** – Mid Winter Rendezvous, details will be provided when available.

**If you feel unwell, or have a fever, we respectfully ask you refrain from contact with  
GW members. Hand sanitizer and masks are available at Chapter H meetings. Thank  
you for doing your part to minimize the risk of COVID-19 transmission.**

# 4<sup>th</sup> Friday Breakfast Ride

August 28, 2020

Buhler, Kansas

# The Underground Tunnels of the Wolf Hotel Ellinwood, Kansas - September 20, 2020

Dinner First

Then down to tour the tunnels

A suicide took place in the dining room. The bullet went through his skull and up through the ceiling. The bullet hole still remains.

Tack Room

Terry Mann is ready for a haircut.... or perhaps get his tonsils out. Barbers were also the surgeons back in the day.

The room below is where the most paranormal activity is found. Does anyone else see the face looking back!!!!

Cowboys had to clean up before they could stay at the hotel Baths 15¢ (Used water 5¢)

Saloon

# Chapter P – Derby

**Asst Directors**  
Duane & Vickie Kalous

**Treasurer**  
Sheila Tucker

**Ride Coordinator**  
Bill & Sheila Tucker  
billtucker@gwrraks.com

**MEC**  
Judy Eggleston

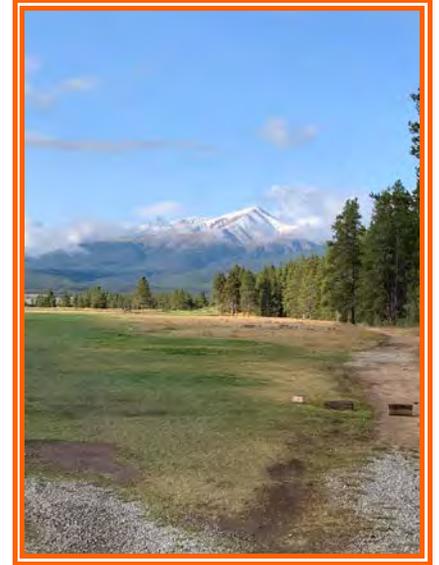

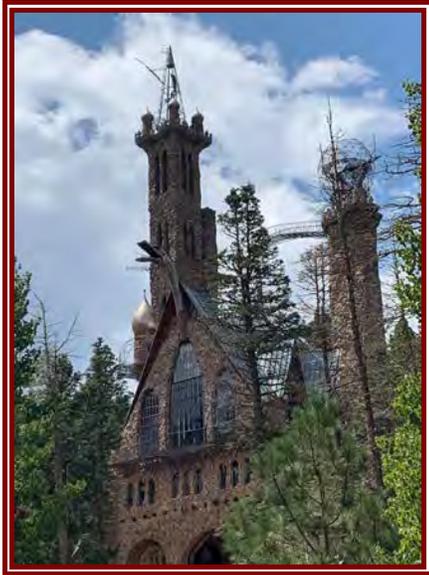

Fall is here and the temperatures are great. We hope all of you get the chance to get out and ride.

We would like to thank Duane & Vickie Kalous for running our meeting for September. We were told that they did a great job.

We had a great time on our vacation trip to Colorado. We were gone a total of 11 days and 3055 miles. We finally got to mark going up to Pike’s Peak off of our bucket list. The view from the top was beautiful, but the ride up there and back down is quite interesting. Hope you can join us for our October meeting; we will have more vacation stories to tell.

October Birthday: Sheila Tucker on the 12<sup>th</sup>

October Anniversary: Vern & Zola Trenkle on the 17<sup>th</sup>.

Until the next time,  
Jack & Teresa Kistler

## Appreciate your support!

### Why should you call Law Tigers?

We get it. Most people don't want to involve a lawyer when they get hit on the road. Maybe the damage wasn't that bad, and you feel fine.

Here's the reality...

Without representation, there are no guarantees that you'll get a fair shake.

Hospitals, medical providers, and insurance companies fight to make a profit from the worst day of your life. Without the right motorcycle lawyer on your side you will be the only loser in that fight.

### What Law Tigers Motorcycle Accident Attorneys do for their Clients

At Law Tigers, our main focus is to assist in the prevention of motorcycle accidents, and to promote motorcycle safety. However, when accidents do occur, a Law Tigers motorcycle accident attorney is there to assist you. Available for free consultations (at our office, hospital, or your home), we provide clients with aggressive, experienced representation. As motorcyclists ourselves, we understand the challenges that you are going through and are prepared to assist you every step of the way. Because we are committed to helping our fellow motorcycle riders, we work on a contingency basis. There are no up-front charges, and our motorcycle accident attorney will only receive legal fees upon conclusion of your motorcycle accident case.

### Motorcycle Accident Representation: It's the only thing we do

If you have been injured as the result of another motorist's reckless, negligent, or careless driving, you may be entitled to compensation for any damages you suffer. A Law Tigers motorcycle accident attorney can help you get your life back on track and help you obtain the maximum settlement possible.

[Find a motorcycle accident attorney near you](#) or call Law Tigers, toll-free, at 1-888-863-7216. Our lawyers are available — 24 hours a day, 7 days a week.

### How much does it cost to have Law tigers represent you?

Every attorney-client relationship with our personal injury lawyers begins with a free consultation. Once we have evaluated your motorcycle injury case and determined it is viable, we charge no fee. That means clients do not pay attorney fees unless we obtain compensation on their claim, either through a settlement or a trial.

### **RACKUP TRAILERS**

Manufactured 100% in Tennessee, we make and sale new and pre-owned trailers for motorcycle, ATV, Razor, Jeep, Mini-Cooper, Smart Car, and other vehicles.

RackUp trailers is your premier source for motorcycle, utility vehicle, and small vehicle trailers. Why choose Rack Up? Rack Up trailers were designed by people who use them. Tracing our roots over a decade ago, we quickly noticed that the trailers on the market had suspension issues causing the trailer to bounce and handle poorly. We also noticed most trailers were set at a price point that were not feasible for a single transaction.

We set out to change that. First we worked with the suspension and developed an adjustable air suspension that does not bounce. Second we worked on the price point. Our approach allowed us to save money but also allows you to build your trailer buying the options you want as you go. Our experience on the road combined with our engineering and machining specialties allowed us to make a trailer far superior to any on the market today. We are confident that our trailer rises far to the top among the competition.

### **CONTACT US**

Customer feedback is the lifeblood of our business. Tell us what's on your mind, good or bad. We respond to all customer feedback and look forward to hearing from you!
