# A Message from your District Directors

Kansas Monthly Newsletter  
Region 'H'

Jack & Doris Schoeck  
Grand Master Riders  
Jack #1961 Doris #2389

Hope you all have had a great month in July. We were busy with various things and rode our motorcycle whenever we got the chance.

We traveled to Estes Park, Colorado for a much needed vacation the third week of July. We rode our motorcycle and traveled 1,615 miles. We took a few ashes of a friend who had died with us and scattered them over the mountain top 12,000 feet up on Trail Ridge Road. Our friend went with us several times when we visited Estes Park and he loved it there. Another friend went with us and both he and Jack were able to scatter the ashes of our friend who had died. All in all it was a good and nostalgic trip. The weather was really hot when we got back into Kansas.

We had family here the first full week in July and had a family reunion that weekend, so we were not able to attend meetings that week. We know there were several rides planned by the chapters for the weekends and it sounds like everyone had a good time riding! Bill Tucker had his Bubba's Burger Bash for his birthday celebration on Saturday, July 9<sup>th</sup> and it looked like there was a really good turnout and that everyone had a good time. We were at the reunion on that day and therefore we had to miss Bill's celebration this time.

Upcoming activities include the Leadership Training Day on August 6, 2016. Once the class is done, those taking the class will be able to teach Leadership Training, Membership Enhancement, and Rider Education classes. This will be held at the Best Western Motel in Emporia, Kansas and will begin at 8:00 am on that Saturday. This is an 8-hour course and is full of information. We have a full class right now and cannot take any more people at this time. If others would like to take the class, we can set a date for later on. Anyone interested that is not taking the class now, needs to contact Mark and Linda Classen, Leadership Trainer for our state of Kansas.

Another upcoming event is Wing Ding, which is to be held in Billings, Montana this year. This is a great place to visit and attend Wing Ding. This year will be the third time that Jack and I have attended the event in their city. They are always glad to have us and they always let you know that fact. Some people even stopped us on the streets at the stoplights when we were there before to let us know how glad they were that we came! It was a very friendly welcome for our organization. The dates are August 31, 2016 thru September 3, 2016. The International Couple of the Year will be held on Tuesday, August 30, 2016 for those that want to watch the selection process. Our own Region Directors, Jim and Reba Berry, will be stepping down as International Couple. They have done an awesome job for GWRRA this past year! People will be going home over the Labor Day Holiday, so as always, be careful in your riding on the highways coming home.

Until next time, remember to Ride Often and Ride Safe. We will see you down the road!

Rider Ed Article August 2016

Hi all,

Hope all of you are handling the heat well when riding. I attended a couple of chapter meetings that the Chapter Educators talk was on how to handle the heat and what to do if someone on the ride becomes a victim of Heat Exhaustion or Heat Stroke. Take a Medic First Aid Class and learn more life saving methods.

I'm proud to announce that your Rider Education Team (Seminar Presenters) have been invited to attend the CMA (Christian Motorcycle Association) State Rally in Hutchinson, KS August 6<sup>th</sup> to present two seminars to the attendees. Marv Ayers, Rick Stevens and I will be presenting "Team Riding" and "Distracted Drivers" seminars. Rick Stevens told them the seminars we have to offer and they selected those two. This speaks well for the award winning GWRRA Rider Education Safety Program. None better!!!

I'm excited again by KSH. They have two more new Level IV's. I and Marv Ayers CE-KSH will be presenting Level IV patches to Don & Jan Schroeder. CONGRATULATIONS TO THEM. I'm not done. I have received paperwork for another couple, Jeff & Ann Whithorn, KSH. They have qualified for advancement to Level IV. Their paperwork will be forwarded soon.

Our Levels program is growing leaps and bounds from what it was. That is due to the work the Kansas Rider Ed Team of Chapter Educators, members and support from the Chapter Directors that makes this all happen. Of course without the volunteers that pay to get certified to teach riding courses, we would not have a solid safety program. That includes the six Medic First Aid Instructors.

I'm so proud of my Rider Ed Team and we thank all the members for their support by attending the seminars and riding courses we offer every year. We have made it very inexpensive for the courses (Co-Riders FREE) and the seminars are always free.

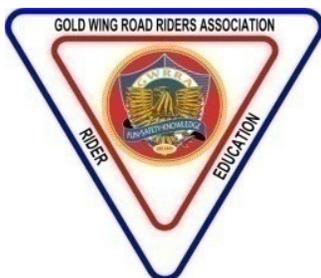

There seems to be some confusion on what your Rider Ed Team is doing for the next two riding courses, both 'Trailing'. Here is the scoop.

We are combining the two classes because we rarely have enough people interested in the TC. The TTRC usually isn't a problem to have enough to have the class. As far as the classroom portion, we will send out information on how we are going to do the classroom.

Sept 25<sup>th</sup>= Combined Courses  
 TC (Two Wheeled Trailing Course)  
 TTRC (Trike Trailing Course)

That is it for now. As always, ride smart and be alert to arrive alive.  
 Your Educators, Bill T., Rick, Bob, Marv, Bill H., Gene, Eric

Hello Everyone

It's August and it's still hot.

So I'm going to tell you a little bit about what some of us in the chapter did in July. It started out with a bang with the Kansas Twisters riding in the 4<sup>th</sup> of July parade in Hutchinson. Not sure how big the crowd was but as I understand it they were quite impressed with what can be done on a bike as big as the Goldwing. So let's give a big THANK YOU to Chapter H for making this possible.

Next up was our monthly meeting on the 14<sup>th</sup> and let me tell you the room was crowded which was great (although it does make it hard on the little lady that waits on us). Bob Brown our fearless Riders Educator gave a great lesson on some group riding etiquette such as...  
Helmet time (or kickstands up), which means this is the time that the group is going to leave on the ride so don't be late or you will be left behind.

Riders need to keep the chatter on the CB to a minimal so your Road Captain & Tail Gunner can communicate with each other. Try not to have special requests or complaints.

Riders need to keep an equally spaced gap between you and the bike in front/behind you. Try not to "yo-yo" when riding as this can make it hard on the other riders in your group.

Road Captain should call for a rest break every 100-120 miles for fuel, restroom, drinks and to just stretch & walk around because riding on the bike for long periods of time can be tedious.

All riders should be on the lookout for debris in the street and when you see it don't only tell the other riders but point to it also...Co-riders this is something you can assist with too.

On the 16<sup>th</sup> Chris Roberts was in charge of a great ride that we took to Medicine Lodge Kansas. We started out @ 9:00 that morning with 10 bikes so we split into 2 groups. Took about 1 ½ hours to get there where we visited the museum and Carry Nation's home.

(For those of you who don't know Carry Nation was a little lady that didn't like alcohol very much so she became famous for taking her little hatchet into saloons/bars and smashing things up) here are just a few pictures that I took. (Next Page)

We had lunch at a little hamburger joint just down the street. I think we may have caused them to be a little bit busier than they were used to.

Last thing I will talk about will be the get together at Rod and Ann Gillett's on the 23<sup>rd</sup> which was supposed to be a little meal then when it got dark they were going to go on a "Bug Run" which is where everyone cleans off the windshield on their bike. Then they mark an area and then go on the ride. When it's over they count the number of bugs that stuck to the windshield. Well this ride was taking place during our little heat spell and everyone thought it was too hot to ride so they all "bugged off" and just spent the evening hanging out at Rod & Ann's.

Now let's talk a little about what's coming up in August

**3<sup>rd</sup>** - Tim & Cindy Howard Anniversary

**7<sup>th</sup>** - This is the 1<sup>st</sup> Sunday of the month and Larry Mazur is planning a ride up to Cassody. Helmet time is 8:30 @ the Quik trip @ 63<sup>rd</sup> & I-135 in Park City.

**11<sup>th</sup>** - the Chapters monthly meeting @ Country Café on south Seneca

Meeting starts @ 7:00 but come early to eat & visit with the other members.

**23<sup>rd</sup>** - Cindy Howard's Birthday

**25<sup>th</sup>** - Sharon Williams Birthday

**31<sup>st</sup>** - Chris & Michelle Groom's Anniversary

August 31<sup>st</sup> thru September 3<sup>rd</sup> is Wing Ding in Billings Montana. If you are going check with other members to see if anyone would like to have company during the ride. Remember it's always more fun when you ride with a friend .

September 11<sup>th</sup> is the State Fair ride. Another great adventure and we get to park on the fairgrounds which makes it easy to walk around then return to a place to sit, eat & rest (some even take a nap), More information to follow.

That's all for now so until then...ride safe  
Mary Mazur, Chapter A Newsletter editor

## Chapter B – DeSoto

CHAPTER "B"

July has really been hot in Northeast Kansas and not very good for comfortable riding, but Chapter B gathered in DeSoto on July 7 for the monthly dinner ride. Led by Dave Aiken, eight bikes and twelve people set off for Lawrence. It was hot, but the sun stayed behind clouds most of the way, making the ride a little more pleasant. We even ventured through the little town of Vinland showing off the small airport that resides in the town. We arrived at Wayne and Larry's to join an additional eight people who thought car riding was more appropriate for the hot weather. Half price appetizers attracted some while others enjoyed the wonderful hamburgers on the menu. A mysterious pink flamingo glass made an appearance in front of Chapter Director, Joe Magnant, during the dinner. Joe, we have discovered, is quite fond of pink flamingos and they seem to be multiplying as they have made additional appearances during the month. It was a fun evening of food and conversation.

July 16 was the annual breakfast and blackberries ride. Eleven bikes joined Dave Aiken in DeSoto to ride to Louisburg, KS for breakfast at Miss B's Café. We were joined by an additional twelve people at the restaurant. Twenty-eight of us had a wonderful meal. After eating, we headed to Cy and Dee's Blackberry Patch where some purchased berries already picked and others braved the heat and went to the patch to pick. The canes were loaded and it didn't take long to get what you wanted. Corn and tomatoes were also available and everyone had an enjoyable time.

To further promote blackberry knowledge the trivia fun at the monthly meeting was also about blackberries. Eric Wadman received a gift card to Dairy Queen for his winning answers. Did you know that botanically, blackberries are not true berries? They are aggregate fruits formed from a single flower. Blackberries are native to every continent except Antarctica and they can naturally hybridize and create new forms to adjust to climate, soil, and other environmental conditions. There are thousands of varieties and they are a great source of nutrients, including vitamin C, vitamin K, vitamin E, manganese and fiber.

Chapter B events for August:

August 4 - Dinner Ride

August 6 - Peach Run

August 18 - Chapter Meeting

August 27 - Breakfast Ride

Safe travels,

Paula Aiken

July is off to a rip roaring start with heat. We had our monthly ride to Marilyn's in Osage City with 13 people in attendance. We only had 4 bikes but with the heat in triple digits it sent some of us into our enclosed vehicles with Brenda and I being one couple. Brenda flat said she wasn't riding and with 20/20 hindsight it was a good decision since the additional 120 miles we would have had to ride wouldn't have been a lot of fun in that much heat. The food was excellent with the exception of Rita Thompson having to eat with an individual eating liver and onions on both sides of her. She did manage to survive but it appeared to me to take a lot of willpower on her part. We were joined by two "strangers", Don & Deb McCullough made the trip down from Harveyville. It was the first time they have been able to join us in quite a while. It's always good when old friends can make it. We also had a new couple join us for the first time Sam & Ronda Boling on their California Sidecar trike with a lot of bling. Sam & Ronda, welcome to the Chapter.

The wait staff did a great job especially since they also had another large group when we arrived. Teresa Gull decided she wanted to try liver so she conned Rick Thompson out of a taste of his but he got the last laugh. Teresa looked like a little baby with its first taste of lemon. She shivered and shook while making all kinds of faces in addition to drinking about half a glass of water chasing the liver. I don't think the piece was a big as a dime. It was too bad nobody thought to take a video of her.

We switched our extended ride up a bit this month with "starting" it in Manhattan. Actually Brenda and I were leading the ride and were going to the Boyer Museum in Belleville so we decided to meet in Manhattan, which was on the way. Four bikes and seven people linked up with us at the Dara's Fast Lane more or less on the west side of town and headed out via the big metropolis of Keats. Since it was already getting a bit warm we made one stop before we got to Heavy's BBQ in Concordia. Surprise surprise there was a poker run someplace and they were pretty much packed with customers. We had called ahead and they had tables just about ready for us. The waitress gave us some menus and asked us to share because she didn't have enough (it was that crowded). Being in an ornery mood I said fine but it would be a 30% discount for our inconvenience. She never missed a beat and said that was fine because there was a 50% gratuity for our orders. The rest of the meal went downhill fast. John Gull and Rick Thompson both ordered sandwiches without pickles, but Rita Thompson spoke up and said she would take them so the waitress said she would take care of it.

When the food arrived she had actually put the pickles on the wrong plate but Teresa Gull just gave them to Rita. She caught her mistake and in a couple of minutes returned with a small plate full of pickles just for Rita. The rest of the meal was uneventful with great food. Since we were in a BBQ place only Randy and Denise Benteman ordered BBQ the rest of us ate other stuff. Everybody said their food was good so we were all happy, especially myself. Heavy's was open when we got there and as it is well known in the Chapter, Brenda and I can find just about anything closed. Just to mention two. We found the 4 Corners Monument closed (it was being remodeled) and one weekend while out riding with Jamie & Gayle Conway we found the city of Council Grove closed (that one was due to a power failure city wide).

After lunch we headed out the approximately 30 miles to the Boyer Museum and didn't even get lost with the construction in Belleville. The Museum is well worth the \$6 that it cost to go thru it. It is small as it only has two rooms but you will see plenty of "mechanical/animated things" you won't see anyplace else. It is all made by the staff's father who is in his 80's now and also in bad health, which only allows him to work a couple hours a week now when he feels like it. Everything is handmade and without plans or pictures. He says if he can see it in his head he can make it.

As we were leaving the museum somebody said they needed some fuel and Rita and Teresa piped up and said we needed to find a Dairy Queen. It actually happened to be right across the road from the Casey's where we fueled. The Dairy Queen was a big shock to us. With the temperatures in the 90's it was busy but that didn't stop us. We ordered anyway. The shocking part was our orders were ready almost before we got them paid for. That was the fastest service I've ever seen in a Dairy Queen. As we were leaving John Gull stopped and told the manager that was the best service he had ever gotten at a Dairy Queen. For GWRRA members to say that makes a point since we all know Dairy Queen is a top priority stopping place.

With our ice cream fix complete we headed out toward home more or less. As we were coming into Clay Center, Rick came on the radio and said Teresa needed a bathroom break. In case nobody knows Rick is psychic in that way because Teresa was riding with John and (thank goodness) she doesn't have a push to talk switch at the present time. Anyway we stopped and the facilities were used by those that needed them and we all got cold drinks. While we were finishing our drinks Teresa was talking about the merits of Hagan Das coffee flavored ice cream. While she was saying this she looked at Rita and asked her if she ate ice cream (flashback to the two that wanted to stop at Dairy Queen). Rita almost spit her drink in Teresa's face but managed to swallow it instead. On that cheerful note we headed out and went to Wamego via Olsburg and with Brenda and I splitting off in Wamego and the rest returning to Topeka.

Our meeting started with 23 in attendance and Bill Hanson being recognized for becoming our Rider Education Officer. He now gets to be the individual that "officially" comes up with safety topics and gets to fill out paperwork each month while getting no pay whatsoever for doing basically what he's been doing for several months. Thank you Bill for volunteering to go thru the process of getting appointed to the position I know it was an "interesting experience doing it.

Bill's "subject" this month was a discussion about two of his friends that were riding some other brand of bike were caught in a heavy rain on the interstate near Emporia and decided to pull under an overpass to wait it out and as they were slowing down on the shoulder of the road they were crossing the rumble strips there and both bikes went down at a very slow speed. Nobody was hurt so all was well in that area. Neither rider had a clue why they went down they said they were right side up and then down. After a good discussion it was determined or at least guessed it could have been caused by either hydroplaning over the rumble strips or oil from the road that hadn't washed away. Nobody is sure exactly what happened but it is food for thought to be extremely careful under those conditions.

There will be two MSF courses in Wichita in September. There will be a trike course on the 18<sup>th</sup> and a two wheel course on the 25<sup>th</sup>. In addition to the range course there is a classroom portion. As it stands now the classroom portion will be on Saturday evening probably at Rick & Carolyn Stevens' home. The reason for the split sessions is to keep from having to do the range portion in the heat of the day. Because it is hard to fill a trailering course both courses can be accomplished with or without a trailer. The choice is up to the rider. Co-riders are encouraged and welcome to participate. The cost of the course is \$25 with a \$5 discount for every course taken consecutively down to a minimum charge of \$15. Just as a comparison the same course at Wing Ding costs \$50 for the rider and the co-rider is free.

When I took it at Wing Ding in '09 they gave a \$20 refund when you completed the course, but I don't know if they are doing that this year or not. Even if they are doing it the cost is still higher and the money doesn't go to the district it goes elsewhere. If there are any questions Bill Tucker can be reached at [wtucker1@cox.net](mailto:wtucker1@cox.net) or Rick Stevens at [rfstevens@gmail.com](mailto:rfstevens@gmail.com). Bill's cell number is 316-315-2782. If you call him have patience he's like me and doesn't like a telephone too much. If wanting to enroll in any of the courses contact either of the above individuals directly. The course is limited to 12 bikes or 24 people.

The Chapter birthday party was discussed and decided to reschedule since 4 couples at a minimum were unable to attend. The new date is August 27<sup>th</sup> at John & Teresa's home at 4020 SE 34<sup>th</sup> Terrace starting at 2:00 pm. It's requested you arrive early in order to help carry tables and chairs upstairs to help John & Teresa keep their workload down. Also bring a covered dish and be prepared to enjoy the afternoon.

With nothing further to discuss the 50/50 drawing was held with Rod & Lara Williams doing their usual and winning the largest amount and then promptly winning the second amount, which was graciously redrawn with Jamie & Gale Conway winning that one. We had enough this month to have a third winner and that was Brenda & I.

#### Birthdays

2 Ken Felch

#### Anniversaries

5 Rod & Lara Williams

5 Randy & Denise Benteman

12 Jamie & Gayle

## GREETINGS from Chapter F!

We hope all of you are out riding in this weather. It has been extremely hot, but there have been days when it was great riding. Jack and I got to take a trip to Estes Park, Colorado where it was at least cooler to sleep at night in our KOA cabin. It was rather hot in the day time, but nothing like here in Kansas.

Our Chapter met on Tuesday, July 26, 2016 this month, and we had a great meeting. We had visitors from other chapters and welcomed Byron Johnson and his lady friend, Teresa Colhour to our chapter. We are glad to have them join us!

Due to a conflict in schedules, the monthly eating ride has been moved from a supper ride on Friday evening, August 5, 2016 to a breakfast ride on Saturday, August 13, 2016. Please adjust your calendars accordingly. Everett and Carol Chastain will have more information on that and will send out an e-mail to all members and interested parties.

Several people from Chapter F attended the Birthday Party at the Beranek's house in Wichita on Saturday, June 25, 2016. As usual, it was a lot of fun and there was plenty of good food! If you were not there, you missed a great evening.

Remember Wing Ding will be in Billings, Montana from August 31 to September 3, 2016. Hope all have gotten their reservations in. It should be a lot of fun and the latest issue of the Wing World has all the classes and seminars listed so you can choose what you want to attend before you get there. By knowing ahead of time, it helps with your scheduling.

For our July 26, 2016 meeting we had refreshments provided by Rick and Brenda Kistler and Jack Schoeck got a Happy Birthday song since it was his birthday. There were 2 different kinds (a pineapple cake and a blackberry cobbler) of goodies to eat and they were both delicious!

August Birthdays are: Deloris Shannon – August 19  
Dale Mooney – August 28

August Anniversary: Rick and Brenda Kistler – August 9

Until next time, Ride Safe and we will see you down the road!

Our regularly scheduled gathering is 7pm on the 4<sup>th</sup> Thursday of the month.  
 We go to the Sirloin Stockade on 17<sup>th</sup> street in Hutchinson, KS (just a little west of 17<sup>th</sup> & K-61 Hwy).  
 We begin the feeding frenzy at 6pm.

We have had a very hot July which makes for fewer people riding. We started the month with a barbeque at the Watts, great turnout and thanks to Bob Brown for the demo repair on Randy and Julie Flickinger's trike, had electronics problem.

The next day we had a great turnout in our Hutch 4th of July parade, had the KS Twisters performing all the way down main street, they were a big hit.

The next weekend we had several ride to Mulvane and celebrate Bubba Bill Tucker's birthday with a backyard barbeque. Great food and fellowship.

On July 16 we had a short ride to the Barn in Burrton and had a great BAR B Q buffet.

July 23 we had a short ride to Braum's in McPherson, big turnout and as always outstanding ice cream and fellowship.

On July 28th we'll have our monthly meeting.

July 30th we're riding to Washington, KS to tour the Herr Machine Museum, plan on eating at Joe Snuffy's in Abilene coming back and ice cream at Scoops in Hesston. Looks like temps are starting to break, hope to have a good turnout for this long day ride.

Thanks Terry and Judy Mann Senior Directors of Chapter H.

## Dale &amp; Georgeanna Tritsch ACD'S

Keeping in touch and discovering new things is something that keeps us informed and able to do new things. There are many ways to do this. Visit with others about your ideas and likes and even dislikes. Stay motivated by listening and watching others. Tell others what works for your chapter. Go to other chapter events and invite other chapters to attend your events. Read all the newsletters along with Wing World. Start with the Kansas Winger, the Region H News, Wingin' It, and also Insight. Links to all of these are on our Kansas District website. Go to Kansas District Newsletter and they are all there. Most have archives so you can go back and read what you may have missed or re-read articles.

We should all make an effort to go to as many other GWRRA events as possible, such as other chapter gatherings, fundraisers, celebrations, and rallies. Read the Afterthoughts article below Have You Visited Anyone Lately? Keeping the chapter strong and having FUN while learning is what we are all about. It takes every member to build and keep a chapter going. After all, we are all Friends for Fun, Knowledge, and Safety.

## Rider Ed. Bits July 2016

Come on man, I thought last month was hot! When you ride in hot weather it is easy to become distracted. Being distracted on two or three wheels is not ideal riding. At the same instance you are riding distracted you are riding with and around other vehicles that are much larger, which can cause you a lot of hurt, that are texting, reading, putting on make-up, eating, and may not care about you and the space you occupy. Quoting GWRRA's Dealing with Distracted Drivers, driver distraction is --- **ANY** non-riding activity engaged in that has the potential to distract from the primary task of riding and increase the risk of a crash. The average delayed reaction time because of a distraction is the equivalent of a blood alcohol level that has reached the legal limit of .08%.

**SO BE ALERT AND RIDE SAFE**

Marv & Toni

## Kit &amp; Donna Sand, Chapter MEC

Hello! from your chapter MEC, Donna and Kit Hope this finds all well and trying to stay Cool. We have attended several rides this month, some chapter rides and some not so. During these ride have made contact with several riders, some have shown interest in our group, I am trying to follow up and see if we can grow our chapter and friends. We are looking forward to the trip to Wing Ding for our First big trip. If anybody needs help following up on prospective members I am here to Help, please contact me and I will be here for support.

Love You All;  
Kit and Donna

## Marvin &amp; Toni Ayers Chapter Couple

After Chapter H travelers returned from Colorado, our chapter began a month of celebrations, picnics, parades, and HOT weather. Bill and Sarah generously shared their home for a great 3<sup>rd</sup> of July picnic complete with homemade ice cream from Donna Sand. No Chapter H gathering can be complete without ice cream, but Donna went above and beyond. Afternoon entertainment was graciously presented by the mechanically gifted Bob Brown. We all observed, laughed, and applauded his successful repair of Randy Flickinger's motorcycle. The holiday continued the next day. Chapter H and the Twisters participated in the 4<sup>th</sup> of July parade in Hutchinson. It was a great day.

Judging from the varied and scenic pictures on Facebook, Chapter H friends had some fun-filled vacation time this month. We traveled to Arkansas and enjoyed some new sights and experiences. In addition to those activities, the Chapter enjoyed several favorite eateries and fellowship. July has been busy and memorable.

Toni & Marv

Dale & Georgeanna Tritsch, Chapter Newsletter Editors

We had another great meeting on June 23. As always, good info, good friends, and Fun.

We had a good ride to Bent's Old Fort in Colorado on June 25 - 26. It was hot on Saturday and mixed hot and wet on Sunday. 12 bikes, 1 car, 1 pickup, 28 people.

On July 3, Bill & Sarah hosted the 2<sup>nd</sup> annual 4<sup>th</sup> of July cookout. There was plenty of food and a good turnout.

Bob Brown did a repair job on Randy Flickinger's trike and had plenty of supervisors to block any breeze.

# Member Rides

Daryl & Nita and Don & Jan had an enjoyable ride to our western states in July.

Don & Carma Gray got their new 2006 Motor Trike GL1800

The latest addition to Chapter H, Bill and Sarah Watts. 2006 GL1800, Roadsmith trike, 11000 miles, congrats guys. That makes the 9th upgrade in Chapter H in 3 mo's.

## Bugsy

I had so much fun this month with my little friend Rhonda. We hung out at home, where it was nice and cool. Hid under the bed a couple of times. Rhonda is scared of thunder, so I kept her company.

We got to get out of Kansas for a couple of days when we went to Lamar Colorado. I rode in the pickup with Dale & Rhonda until she got to ride the trike with Mark. Dale kept me company, but I mostly took a long nap.

I was happy to have the pickup so we would have plenty of cool water for the riders. It was wicked hot out there. But all the fun and smiles and us all being together was worth it.

I learned a lot of history at Bent's Old Fort. Met a lot of new people. Everyone was so nice. I made a new friend, Lee Lirley at breakfast before we all headed back to Kansas. He's a very nice guy. Maybe I'll get to see him again.

I got to go with Dale and Georgeanna to Bill and Sarah's 4<sup>th</sup> of July weekend BBQ. Rhonda had to work but joined us for a bit. A lot of my friends were there and the food was so good. I really enjoyed my hot dog!

A big thank you to Georgeanna for fixing my boots. Now I'm ready to ride, or dance, or anything!

It was a good month. Now I look forward to my next adventure with another wonderful family in Chapter H.

Bugsy had fun on the ride to Bent's Old Fort.

Bugsy enjoyed his hot dog at the Watts cookout on July 3. After that he just snoozed.

## Afterthoughts

### HAVE YOU VISITED ANYONE LATELY?

In keeping with our last few Insight articles relating to Chapter issues, we'd like to address another and important Chapter activity. That activity is VISITATION. By visitation, we mean one or more Chapters visiting another's gathering or other social event.

When the GWRRA Chapter system was devised back at its founding, it was envisioned that the various Chapters would support and intermingle with each other. The Chapters were not designed to be autonomous "clubs" that functioned on their own or elected their officers, etc. The idea was that the Chapters would be pretty much structured alike, the officers (volunteer leaders) would be appointed and that they would support each other to at least some extent. By "support" each other, I mean that the Chapters would interact with each other by occasionally attending each other's gatherings (business meetings) and attending each other's social events and importantly, their fund raising events.

This is not to say that the sole function of any Chapter is to do nothing but visit other Chapters. Far from it, the principle function of a GWRRA Chapter is to provide a fun, safe and enjoyable experience for the members. The Chapter is supposed to be the place that members go to get the full GWRRA experience. To learn safe group riding, participate in GWRRA activities at all levels, up to and including Wing Ding. But in addition to all this, interacting in a fun and enjoyable way with other GWRRA Chapters is an important part of that total experience.

This is where Chapter leadership, leadership by example, really comes into play. The typical member (particularly new members) may be unaware of the concept of Chapter visitation and mutual support as a fun activity. It's up to the Chapter Director and the staff to promote the idea and leading by example, put it into practice where appropriate. We're all aware that if the Chapter Director and the staff don't enthusiastically participate and support any activity, then the members will follow suit. If you don't attend, then they likely won't.

When you and your Team are assembling your activities calendar for the upcoming month, take a look at what other events the Chapters within reasonable distance from you are having. Are there any poker runs or other social activities that you could put on your ride schedule? What about a monthly gathering? The Chapters that you support by your visitation will be glad you came, you'll have a lots of FUN and the next time you want your Chapter members to visit again, they will be more inclined to go along. We have found that very nearly all of these Chapter social events are lots of fun and the folks who put them on have gone to a real effort to make them enjoyable. And incidentally, it was a good excuse for a ride.

One more thing to consider; at some point your Chapter may feel the need to host a social event designed to raise funds for Chapter operations. The only way it will be successful as a source of revenue is for other Chapters to attend, in sufficient numbers and spend their money with you. This is where the visitation concept becomes a two-way street.

If your Chapter doesn't support other Chapters events, then they likely won't support yours when the time comes. When you and your staff have worked hard to put an event together, you'll want other Chapters to join in the fun. It (fund raising) isn't the primary reason to visit and support your fellow Chapters; the primary motivation is to show your members a great time have fun and keep the concept of the GWRRA "family" alive. Please give it some consideration when planning your future rides and events.

(Insight March 2016)

## Kansas Chapter "Q" August 2016 Newsletter

Well considering how HOT the month of July was there were still a lot of events going on. We couldn't make all the events, but sure had a good time at the ones we did make.

We started the month off going to breakfast with Chapter "F". Everyone gathered at the Solid Rock Café in Rock, Ks. It was nice to get out on the bike and join up with this group. Thanks Rick Kistler for a nice morning! Later that same day it was once again time to celebrate Bill "Bubba" Tucker's birthday. The temperature was hot, but the food and the friends made it all bearable. It's always fun to watch Bill's face as he reads his cards and opens his gifts. Thanks Bill & Sheila for a great evening! The next event on the agenda for some of us was Chapter "A's" ride to Medicine Lodge, here we visited the home of Carry Nation. After meeting with the group in Wichita, we were lead by Joe Gattenby, we had a wonderful ride that day. Thanks Joe and "Big Chris" for putting the ride together for all of us.

We know that there were many other events this past month and hope that all had a good attendance, as for us this was all we could work in.

Our next meeting is August 4<sup>th</sup> in Winfield, we hope that you can join us!!

### August Birthdays:

Rosemary Gardner is on the 2<sup>nd</sup>

Wendy Daniels is on the 23<sup>rd</sup>,

Happy Birthday Girls!!!

Until the next time,  
Jack & Teresa Kistler

KSQ Chapter Couple, Bill & Sheila

Hello all,

We were able to attend Dave & Dana Beranek's annual cookout. As always, great company and excellent food. We went to Rock Ks for Chapter 'F's breakfast ride. Small café but very good food.

We stayed home and prepared our home for guest that chose to come the annual BBBB (Bubba's Birthday Burger Bash) and it was well attended. Not as many as last year when Bubba turned 80, but couldn't tell that there were fewer people. No left overs. The following page are some photographs taken by Carol Chastain and sent to us. ENJOY and thank you Carol C.

Bubba

Bubba

Bill-Carol-Bob-Vicki (siblings)

Joe Sydney Jennifer  
Son-in-law-granddaughter-daughter

The Roast

Bubba reading cards with Rick Stevens opening cards for the old man! Bubba looking at 3 deck of cards sprayed on him by who else? Dale Tritsch (Blue shirt)

Bobby Shepherd waiting

Bobby beginning his roast

Bobby giving Bill present

Bubba opening present

Bubba opened sack from Bobby and found platform shoes to assist him in reaching the ground while on a two wheeler.

Close up of the platform shoes ready for a ride. Ask about the story behind these fantastic shoes!!!

Spectators listening to Bubba read the cards he was roasted with and admiring the beautiful silver shoes.

I didn't have a picture sent to me of the person behind the scenes that worked her 'you know what' off to put this party together, my wife and best friend SHEILA. So here is one from the District Campout!

Sheila set everything up, she insisted on doing all the cooking of 50 plus hamburgers, 25 doggies, many brats and hot links, made the tea and lemonade.

We both thank you for bringing a side dish. I checked everyone of them and there was food in them! Thank you very much for coming and sweating with me to celebrate 81 years on this beautiful earth. To those that were not able to make it but sent cards, 'thanks to you for remembering'. Maybe next year you and all that came this year will come again.

One more thing. Thanks for eating up all the food. No leftovers for me to pig out on. Hope to see you and others next year for number 82.

Bill 'Bubba' Tucker

And don't forget- **PRACTICE MAKES PERMENANT! YOU ARE WHAT YOU PRACTICE!**

Take a riding course. Your Co-rider will be glad you did and so will the group you are riding with.

## BY THE BOOK

By: Jack Wagner  
Deputy Director  
Region H Trainer

“By the Book” articles are intended to help familiarize GWRRA Volunteer Leaders and Members with the policies, procedures, and information contained in the GWRRA Officer’s Handbook (OHB). A copy of the Officer’s Handbook can be found at the following Internet website: [www.gwrro.org/oconnect/officerhandbook.html](http://www.gwrro.org/oconnect/officerhandbook.html)

Please feel free to reprint these articles in Region, District, or Chapter newsletters.

---

## THE IDEALS OF GWRRA

The most important ingredient for a successful Association is the Member. Where do we find them and how do we make these people interested enough to want to become one of us? Before anyone can be successful in “selling” GWRRA, they must first sit for a moment and determine the reason they joined. Each of us had our own reasons - it may have been the emphasis on keeping each other safe when riding, the 'G-rated' family atmosphere of our events or that we know the best places for food and desserts. In most cases the motorcycles brought us together and its the relationships and ideals of GWRRA that keep us together. Let's take a closer look at these ideals:

**PROMOTE SAFETY** - This will help us continue to enjoy our hobby. We can also enjoy the fact that we are doing something to protect others by teaching them safe riding practices. **We are saving lives!**

**PROMOTE FRIENDSHIP** - Among ALL of the motorcycling public. What better way to enjoy our way of life than to make friends and share with them?

**PROMOTE THE POSITIVE IMAGE OF THE MOTORCYCLE RIDER** - We must always keep “our best foot forward”.

**PROMOTE FUN** - This is the glue that holds it all together!

**PROVIDE A MONEY-BACK GUARANTEE** - GWRRA will provide a money-back guarantee to any Member that is of the opinion the Association has failed to live up to their expectations.

It really does boil down to *Friends for fun, safety and knowledge*, and we back that up with a money back guarantee!

The more you know, the better it gets!

Jack Wagner  
Region H Trainer

# OUR SPONSORS

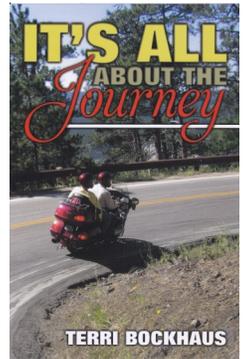

## THEY WILL APPRECIATE YOUR SUPPORT

Faith and Life Bookstore in Newton Kansas is pleased to introduce new local author, Terri Bockhaus. Her debuted book is titled, "It's all about the Journey." The book is a collection of short stories detailing her journey from riding on the back of her husband motorcycle to being one of a handful of female riders nationwide to perform on a motorcycle drill team.

The book chronicles her mishaps as she learns to ride her own motorcycle, and many of the funny (and sometimes scary) things that have happened on some of their trips. You don't have to be a biker to enjoy this book.

Terri and her husband Steve were involved in a serious motorcycle wreck in 2004. During their recovery, they were introduced to the Goldwing Road Riders Association (GWRRA), an organization that promotes safe motorcycling. Terri reports that she has always enjoyed riding on motorcycles, but never thought of owning one, let alone riding on a motorcycle drill team. She has always dreamed of having her original writing published. She hopes that through her love of writing and riding, that she has brought a glimpse of her passion of both to you, the reader. Terri and her husband live in Newton Ks..

The book is available for purchase at Dan's Cycle in Hesston Ks or by contacting Terry directly at [tmbockhaus@cox.net](mailto:tmbockhaus@cox.net).
