The Monthly District News Letter

Jack and Doris Schoeck Directors

Grand Master Ride

Jack #1961 Doris #2389

Merry Christmas to all our GWRRA friends! We hope that all of you have a wonderful time with your families and that the Holiday is Blessed for everyone.

We held our State Staff meeting on November 9, 2013 in Mulvane, KS and set our schedule for Mid-Winter Rendezvous coming up January 17 through 19, 2014 in Wichita. We have a lot of fun activities in store for you and hope to see all of you there. Please remember that the rooms are to be reserved by January 3, 2014 and the buffet breakfast is available for up to 4 people in a room. If you do not stay at the motel, GWRRA members will be able to purchase the buffet breakfast for \$5.99. Those who would like to bring a pet, there is an additional \$10.00 per day added to the room cost and ½ of that will be donated to the local Humane Society.

We had a good Region H Staff Meeting last weekend in Marshall, Texas. We got to meet some new staff members from other states and some new members of the Re-

gion H Staff.

We had the opportunity to share with those there what Kansas would like to do in the coming year. We are excited to start a new year in January and have a fun filled year with opportunities to Ride, Have new opportunities for education, and Have FUN FUN FUN! We are looking forward to a great fun year for Kansas GWRRA!

We have several parties coming up in December which should be a lot of fun.

Until next month, stay warm and Have a Wonderful Holiday!

BURR..... It's cold out side. Glad I'm sitting in front of the computer writing this article and putting the Winger together.

Thursday evening I drove (No Bike- Freezing Rain) to Hutchinson for KS-H monthly gathering. It was their soup night and the attendees had a choice of Beef & Noodles, Chili, Beef Stew, Ham & Beans. There might have been more, but I only sampled those four. I sure like to eat good food and it was good food. Marty & Ruth Dannar were the other representatives for the District.

CD Terry Mann presented information on the chapters upcoming activities. They have so much scheduled I think they will have to add a day or two to each calendar month to get it all done. He then called on me to give the Educator talk. Their educator, Marv Ayers, could not be there. I prepared several scenarios for them, divided them into teams to resolve their two scenarios assigned to them then they present their solutions to the entire group. It went very well and didn't take much time to complete.

Friday evening I drove to Jack and Doris Schoeck's home in preparation for the drive to Lenexa Ks Saturday morning to present CPR and First Aid and a Motor Awareness Program to Chapter 'B' members.

I arrived at Schoeck's home around 6pm and was greeted by a super good meal of roast beef, potatoes, veggies that were cooked with the roast and carrot cup cakes for Dinner. Did I over eat? Sure did, couldn't help myself. Doris is a good cook. Jack should be much larger because of it J

After the meal, Jack and I left the dishes to Doris L and headed for his man cave in the basement to watch the #2 ranked Kansas Jayhawks basketball team play Townson. After the game I retired because we were getting up at 5am to head for Lenexa with a breakfast stop in Ottawa. Jack said he wouldn't be far behind me (his own room of course! J)

The trip was uneventful (no sightings of deer or ice on road surface. Very windy!). We arrived around 8:50am and with help of the chapter members got everything unloaded and set up in a short period of time. Class started at 9:30am.

Eric Wadman, Chapter Educator for 'B' opened the session with a

few remarks and away we went. Nineteen Chapter 'B' members were in attendance and were great with their interaction and participation during both training classes.

We stopped for lunch at 1pm. Allen Robertson, CD of 'B' insisted in buying our meal at a really good BBQ place. I believe it was named ZARDA's. Thanks again Allen and Lee Ann. We returned to the classroom at 2pm and finished the training.

Upon completion of the sessions, Eric closed the session by announcing that he had the forms for those that wish to sign up in the Levels program and/or upgrade and that I had patches if any wished them.

Very productive day. I'm able to certify Doris Schoeck as a Rider Ed Seminar Presenter and Eric gave me nine N.7 forms that updated those folks. We welcome Sherri Orndorff, Johnnie Crow, and Sharon Crow for signing up in Level I (Safety by Commitment). Allen Robertson, Janice James, Steve Milan, Maurice Reiter, Joe Magnant, Paul Korb, Eric Wadman advanced to Level III (Safety By Preparedness). CONGRATULATIONS TO ALL!

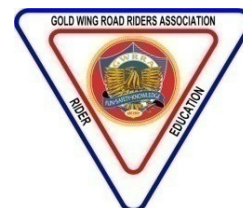

We would like to take these combined training sessions to other chapters. There are many we can combine besides the Motor Awareness and CPR/FA.

Until next time, please remember,

PRACTICE MAKES PERMANENT! YOU ARE WHAT YOU PRACTICE!

Do yourself and your loved one a favor! Take a Riders course!

SEE YOU ALL AT MID-WINTER RENDEZVOUS

Kansas District Trainers

Marty & Ruth Danner

To start off my article I would like to thank everyone who has called or asked about how I am doing. My surgery went great. I am getting stronger daily. I do have good and bad days however good days are out weighing the bad. I will be going back to work the first part of January. (Boo Hoo) I already feel so much better and I am looking forward to getting back to an active role as your leadership trainer. Thanks again for all your care and concerns.

I would like to talk about the chapter of the year program. I believe most members feel this would be more work than pleasure. It does help to have one member in each chapter as the coordinator to keep all of the events documented. However, all of the members do help with obtaining the points.

Let us look at a quick list of items that you will already get points for without trying.

Having a CD, ACD, Treasurer, RE and MEC in each chapter.

Monthly meeting, monthly ride schedule, monthly newsletter

Financial report – (Your staff do this for you with)

Members in the levels program.

Having a Couple of the year in your chapter.

Other items are attending leadership training classes. There are at least six different categories that points can be gained from. Points are gained if your chapter has at least three new members join before the end of the year.

Hopefully this will help you realize it is not hard. The more members in the chapter that participate the easier it becomes. When we split the task up it always makes the load lighter to carry. So to get the year started right I will be giving a seminar at Mid-Winter to help you earn points for your chapter. On another note I would like to en-

courage all of you to attend the Horizon Program that will be hosted by Kansas. It will be the first weekend of March. This is an interactive program and the more who participate the FUNNER (I know that has to be a real word.) it will be. You learn about teamwork, self awareness, interpersonal communication, and building a better chapter. Included is how to have FUN in GWRRA.

The dates are Saturday March 1st and Sunday March 2nd. Times are not set as of yet but I believe 8 to 5 and 8 to noon is the usual course. This does not have to be couples only. If you are a chapter couple this course will help you with resume. The location is the Depot in El Dorado, KS. The address is 430 N. Main Street, El Dorado, Kansas. If you are driving north on main you it will be on the right hand side of the road.

There are hotels available or the lake has nice camping that is only a 5 minute drive away. Please RSVP to myself or Marty.

Have a blessed time with your family this season.

Ruth & Marty Danner
Kansas District Trainer

BY THE BOOK

By: Jack Wagner
Region H Trainer

“By the Book” articles are intended to help familiarize GWRRA Volunteer Leaders and Members with the policies, procedures, and information contained in the GWRRA Officer’s Handbook (OHB). A Copy of the Officer’s Handbook can be found at the following Internet website: www.gwrro.org/oconnect/officerhandbook.html
Please feel free to reprint these articles in Region, District, or Chapter newsletters.

The Time for Parties

Yes - this is a reprint from last year's By the Book article. At this time of year I believe it bears repeating.

December brings us all together for many different parties - celebrating the various holidays or watching our favorite teams in their endeavor to be the best. Many of the social events or gift exchanges done at this time of year have the tradition of involving alcohol. While it has been discussed at length many times, I thought it best to remind everyone of the GWRRA policy on alcohol. Page D-15 of the Officer Handbook states:

“ While GWRRA makes no attempt to legislate policy as it relates to an individual's freedom, we must give strong consideration to potential liability exposure of the Officer group. For this reason, GWRRA CANNOT: 1) sell alcoholic beverages; 2) profit from the sale of alcoholic beverages; 3) distribute as an award or prize any alcoholic beverages at a GWRRA event; 4) encourage its use by advertising its availability or causing it to be available at GWRRA events.”

The first few words are important to remember - **WE ARE NOT ATTEMPTING TO BE THE ALCOHOL POLICE.** However, that said, the next few words from the Officer Handbook are of utmost importance - **THERE ARE POTENTIAL LIABILITY ISSUES.**

What does this mean? Most areas have what are known as social host liability laws which impart liability to those responsible for serving alcohol. Those held liable in either criminal or civil actions provided alcohol to someone who is subsequently involved in a vehicle crash or other activity which caused death, injury or

even property damage. Most often the social host involved is a private individual who served alcohol in their home or other facility where they are considered to be the host. However, when the event is a company or organization affair, the company or organization can be held liable - meaning GWRRA and its officers could be held responsible. Think about that. If you're the Chapter Director, you could be held liable even though the event wasn't in your home. Yes, GWRRA has liability insurance which covers the Association and its officers. But would it cover you when you are violating written Association policy?

Liability issues aside - the main reason for the policy as I see it is we don't want to be the cause of losing any of our GWRRA family as a result of GWRRA provided alcohol. So let me leave you with this. If you're having a Chapter event at your home or other location that doesn't commercially serve alcohol, follow the policy and don't make it available. If you're having your event at a location that does serve alcohol as part of their normal business and choose to consume, please do it responsibly. I want to see all of our family together in the coming year!

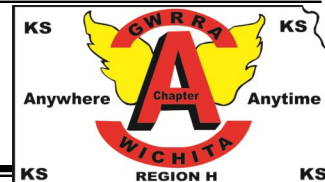

The more you know...the better it gets

Hello everyone.

Well it's December, and I hope everyone had a great Thanksgiving. Before we start talking about all the things planned for December let's talk about a few things that we did in November (and just a little bit left over from October). Our October dinner was on the 24th and although there were only a few of us we did enjoy a nice dinner @ Soho's out by the Airport. We welcomed a couple of visitors Sharon & Hal Williams. Hal's looking for people that like to go for rides on their bikes. No he doesn't ride a Gold Wing but that doesn't matter...we welcome them to our group if they will have us.

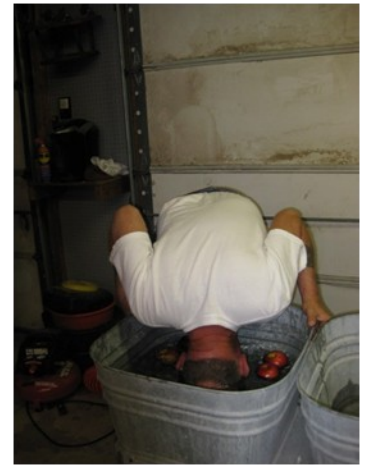

Two days later we had our Halloween party at Joe & Debbie's and again our numbers were few but we did enjoy ourselves. Here are a few pictures of some of those that showed up,

Next Page

KS-A Continued

I have included the pictures of the brave ones that "bobbed for apples" I'll let you try to figure out who is who.

(Secret...the one with all the hair is Joe's granddaughter)

Now for November...we had our yearly planning meeting @ Rod & Ann's on the 3rd where we as members of the chapter have a chance to help plan some of the activities that we will be enjoying next year.

KS-A Continued

KS-A Continued

A lot of thought goes into deciding what we will be doing next year and I hope you will all come out and enjoy what was planned. And if there is an activity you would like to try or a place you would like to ride to please let us know and we will try to fit it into our schedule or put it on the calendar for next year.

On the 10th there was a Veteran's Day ride where they rode down to the Vietnam War memorial in Winfield. There were 7 bikes with 9 people and they had lunch @ Braum's with a ride by Winfield Lake on their way home.

We had our monthly meeting on the 14th and Home Town Buffet and there was a large group. Marty & Ruth were in charge because Rod & Ann were gone. The meeting lasted about an hour and there were about 30 people there who enjoyed visiting with each other. Larry gave a good lesson about how Trikes are safer than bikes...but only because of the differences in having 3 wheels instead of 2.

Here are some of the things coming up in December they include:

5th Chili feed & Newton parade. Meet @ Steve & Terri's for chili around 5 while there if you haven't already got lights on your bike you can decorate your bike then go ride in what I've been told is a very short parade...then meet back @ Steve & Terri's to eat more chili or just visit.

7th Christmas party in Burns Kansas

12th our monthly meeting @ the Home Town Buffet on West Central meeting starts @ 7:00 but come early to eat and visit with the other members

16th the Lady Riders (and any husbands to wish to go) are having a get together they will start @ the Wichita Fish Co on West Douglas for dinner then they will go a few blocks down the street to the Blue Swallowtail Studio for an evening of making jewelry...please contact Debbie Gattenby by Dec 11th if you are interested in going so she'll know how many people to expect.

21st Bob Vicker's birthday

21st winter begins (although it's been cold long before this date)

25th Bob Brown's birthday

25th Christmas

26th Kwanzaa

27th Swilley's Anniversary

31st New Year's Eve...everyone who has plans to be out on this evening please be very careful

Well that's all for now...

Everyone Have a Great Christmas And a Very Happy Safe New Years

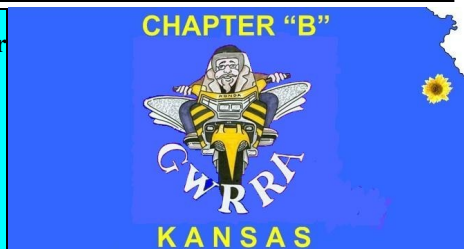

Mary Mazur...

Chapter B – DeSoto

Chapter Director Allen & Lee Ann Robertson 785-979-4831	Ass't Chapter Director Paula Aiken 785-842-8503	Chapter Educator Eric Wadman 913-219-6678	Chapter Treasurer Ed James 816-225-2679
Chapter Couple Roger & Melissa Shores	Chapter MEC Joe Magnant	Chapter Editor Paula Aiken 785-842-8503	

Everybody loves a parade. Chapter B had their own parade as eighteen members traveled in formation for the last scheduled breakfast ride of 2013 the end of October. John English and Maurice Reiter led the group on a 75 minute ride to Melvern, KS. The service proved to be rather slow, but the food, once received,

was good. A small private parade was held later that same day when all the attendees at the club Halloween party piled on the hay wagon and set off for a ride through the back pastures of the Aiken property. Two deer were spotted in the headlights of the tractor as members enjoyed a night of fun, food, and laughter.

November 9 found twenty-two members enjoying breakfast at the Old 56 Diner in Ottawa prior to saddling up for the Veterans Day Parade. The motorcycles shone in the fall sunshine and American flags waved from antennae. The weather was great and the streets lined with people. They watched and cheered as we promoted GWRRA and saluted our veterans.

Not to play favorites, Chapter B participated in the

Leavenworth Veterans Day Celebration on November 11 also. Again motorcycles shone and flags waved as we rode in the largest Veterans Day Parade west of the Mississippi. The weather was warm when the parade started, but cooled off greatly just as we finished the parade route. We were eager to get away from the north wind and eat lunch at the Pullman Restaurant, but glad we were once again able to honor and celebrate all the wonderful men and women who have served or are serving in the armed forces of the United States of America.

Chapter B events for December:
December 7 - Christmas Party
December 19 - Chapter Meeting
January 1 - Polar Bear Run

Safe travels,
Paula Aiken

The poem on next page was submitted by Paula Aikens, Chapter 'B' Editor

'

Twas the night before Christmas when all through the house,
Not a creature was stirring, not even a mouse.
The stockings were hung by the chimney with care,
In hopes that St. Nicholas soon would be there.
The motorcycle magazines were all over the floor,
The owner was wishing for chrome galore.
The cycle's in the garage for its long winter's nap.
While the snow blower was ready for use in a snap.
When out on the lawn there arose such a clatter,
We just had to see what was the matter.
Away to the window we flew like a flash,
Tore open the shutters and threw up the sash.
The moon on the breast of the new fallen snow,
Gave a luster of midday to objects below.
When what to my wondering eyes should appear,
But a '14 Goldwing with just the right gear.
With a little old driver so lively and quick,
I knew in a moment it must be St. Nick.
The snow blade was mounted securely and tight,
The snow tires and chains were all just right.
This new model was great. The heater worked fine,
We knew it was just a matter of time,
That this wonderful machine would some day come to be,
For Goldwing enthusiasts all to see.
As I drew in my head and was turning around,
Down the chimney St. Nicholas came with a bound.
He was dressed all in leather from his head to his toe,
Quite properly attired, for safety you know.
A bundle of chrome he had flung on his back,
And he seemed to be checking the list in his sack.
His eyes how they twinkled! His dimples how merry!
His cheeks were like roses, his nose like a cherry.
His droll little mouth was drawn up like a bow,
And the beard on his chin was as white as the snow.
He had a broad face and a round little belly,
That shook when he laughed like a bowl full of jelly.
He winked and then told us, Tell your friends in RA,
To ride safely and know no matter what some may say,
Santa lives in us all every day of the year.
This holiday helps us to spread some good cheer.
But I heard him exclaim as he sped away,
"Merry Christmas to All in GWRRA".

Well November started off with a splash. We had our supper ride on the 5th and it turned into a super drive to Red Robin in Topeka. Even with the downpour we had 8 people in attendance and it was a very pleasurable experience other than Bill Hanson explaining to everybody his options on his knee replacement surgery. It's scheduled for the 12th so if all goes well he should be back on his feet and hobbling around by the time you read this. I won't go into detail but let's just say I don't think I want any part of that kind of surgery. Just having a spouse go through it is enough for this guy.

The food and service was good at Red Robin as usual with plenty of talk about riding since the Chapter C members are smart enough to come in out of the rain most of the time.

Our 4th annual trip to Paradise was somewhat of a success. Al Davis started the ride so Chapter C is taking credit for the event. If that sounds familiar we are just following the lead of those that will not be mentioned. Brenda and I, along with two other bikes and three people, linked up with the rest of the bikes at Sapp Brothers in Junction City. After refueling and introductions, of those that didn't know each other, we blasted off for Paradise. Upon arriving at the first stop sign Jamie Conway let some vehicles pass and then just sat there. When he let the clutch out on his trike nothing happened. He came on the radio and said he thought his transmission had gone out. We all parked our bikes and a couple of us gave him a push to get him turned around so he could coast into the parking lot again and try and trouble shoot it. As it turned out it wasn't the transmission, but the drive shaft. California side car

strikes again. Earl Barnes had recently retrieved his trike from the shop with the same problem. Earl was lucky as his didn't break. Tim Wolfe, in Lawrence, had just checked Jamie's trike earlier in the week and it looked fine. It broke with no warning at all and required Jamie and Gayle to wait at Sapp Brothers for AAA to come and get them and take the trike to Lawrence to be repaired and missing out on lunch. Just to keep things interesting Mike Quintanar couldn't get his bike started. Thinking it was the battery he went looking for a replacement. Nobody had a charged battery he could buy and as it turned out it was a sticky starter switch. After our shaky start we just hopped onto the big road and headed to Paradise. We arrived in plenty of time to get the food. Cost is \$10 and if you leave hungry it's your fault not the people providing the food. All food is homemade and is pretty much a traditional Thanksgiving dinner. The folks in Paradise are nice enough to provide us with reserved motorcycle parking right in front of the venue, which is pretty much the only fairly level place in town. Since we were almost an hour later than our estimate time, there were 3 other bikes in the parking area that had come in from the west. We ended up with 10 bikes in the parking lot and only one of them was a Harley. After about an hour bull session after all had eaten the Quintanar's headed to Colby for their 500th Geocache having saved the first one in Kansas for their 500th find.

Next Page

KS-C Continued

One other rider had to head back to Topeka to do the dreaded “W” thing. I have to apologize to him since I’m terrible at names and only remember his screen name from the GL18000 rider’s forum (BMXDAD).

We headed back toward home at about 2:00 pm working our way south to intercept US 40. Al was leaving and in true Al fashion he turned down a gravel road for about 3 miles where we ended up at Mushroom Rock State Park. For those that haven’t been there you guess it. It’s a 5 acre area that has a bunch of big rocks that resemble Mushrooms. We then ended up riding to Junction City on US 40 and then we too I-70 home with the various riders splitting off along the way. We are looking forward to more bikes joining in next year so mark your calendar it is always the first day of Pheasant season.

With Bill Hanson being fresh out of the hospital from another knee replacement we didn’t get his normal words of wisdom relating to motorcycle safety. Al Davis mentioned that riders should be aware of cars backing out of parking places without looking. It was also mentioned that deer are still on the move and Ken Felch confirmed that when he told us 3 deer had crossed in front of him in his pickup but he was far enough back to get stopped without hitting any of them.

Teresa Gull reported that Bill was doing pretty well at home but was still in quite a bit of pain since he had started therapy on Monday. He’s not up for visitors. Ron reported that Jack Scheock was having surgery this week on his wrist and that the operation should be an in and out in one day.

The Chapter Christmas party is Dec 8th in Lyndon at 5:00 p.m. Bring a covered dish and also a gift for the exchange value around \$10. Come one come all and have a ball again this year. Mid-Winter will be held in Park City at the Best Western on 17-18-19th of January. The

theme will be Snowmen. Any Chapter members wishing to donate door prizes for Mid-Winter please bring them to the Christmas party and they will be picked up. Also donations are needed for the Chapter Basket for the rally.

Bring those to the Christmas party also or if unable. They can be dropped off on New Year’s Day when we are all at Red Robin in Topeka. Hopefully we will be able to ride again this year.

If you can’t ride then come on 4 wheels. We will meet at 12:00 for lunch.

Hi everybody,

Chapter F had their supper run on November 1 and went to the copper kettle in Eureka Kansas. There was one trike and one by and everybody else showed up in automobiles, you can tell the weather is starting to get a little on the bad side. We did have a good turnout for the supper even though I can't remember the amount of people that showed up.

Rick Kistler, Dale Mooney and Janis Mooney went to chapter Q's meeting on November 7 they are now meeting at a Mexican restaurant in Wellington, Kansas there was a tremendous turnout of 34 people well above any averages they were having at Pizza Hut. I saw people there that I didn't even know. It was a good meeting and a lot of information was exchanged. The food was good and it was a buffet style. You could also order off the menu.

There was a district officers meeting on November 9 at Bill Tucker's home Mulvane Kansas. There was a lot of discussion in regards to the Kansas rally/convention. It was also a considerable amount of discussion on midwinter.

Rick Kistler and Marty Danner were late getting to the meeting because they were performing in El Dorado, Kansas with the Kansas twisters at a parade for Veterans Day.

There was a region meeting held at Marshall, Texas and Gary and Phyllis VanBuskirk, Jack and Doris Schoeck, Rick and Brenda Kistler, Bill Tucker, Marty Danner, Steve Bockhaus, Dale and Janis Mooney. There was approximately 60 officers from five states and it was good to see old friends, as well as making new friends. The meeting lasted from 8:30 AM until 5:30 PM with a break for lunch which the convention center picked up. We had fried catfish and it was very, very good way everybody enjoyed it, with spicy hush puppies.

I'll let sit for this time, looking forward to the midwinter event and rendezvous hope to see all of you there. Come out and support your chapter couples of the year as they compete for district. The district is going all out to bring the fun back into the Kansas rally/convention.

Don't forget the all chapters Christmas party in Burns, Kansas on December 7 at 12 o'clock noon, bring a covered dish (with food in it).

Also, bring a gift for a man and a woman for the gift exchange. Gifts not to exceed \$10 in value.

Please! Be sure to check the events calendar for all upcoming events and happenings. There are many things going on in the last part of November and most all of December.

November was a slowing down month for chapter H. We rode to Clyde, KS to see Bob Condray's Toy Museum. Bob is friendly and has more toys than one can imagine. He has been collecting toys and repairing toys for 40+ years. He has even built some to scale from machinery he has owned. It is amazing how looking at the toys bring back memories. (I even saw a few from my childhood that I still have in the basement)

We went to Waters Edge in Moundridge, KS on October 27. Five rode and 6 arrived by 4 wheels. I think there were about 16 of us - it was hard to keep track since so many kept going back to the buffet line and returning with a "fresh load".

On Saturday, Nov 9, we went to the BreadBasket in Newton, KS for the German buffet. (no, Jimmy Buffet isn't related; and he isn't German). There were about 18 of us, we were scattered around the 208992 room somewhat. 6 Eskimo types rode on 3 trikes. The rest of us went in heated, 4 wheel comfort --- aka whimps.

Next Page

KS-H Continued

Granted a few of us had other things going on that day that did conflict with riding. It was fun having some of our newest members join in the feasting and fun.

Our next gathering on Nov. 21 will be a soup supper before, during, and after. Members are asked to bring a soup or crackers or dessert. 6pm at Penwell Gable meeting room, west door, 300 E 30th, Hutchinson, KS. More on how this went in the next newsletter.

Dale T has decided to give it a go and become a vendor at the Region H events. Tritsch's Stitches will be doing some custom embroidery on hats and shirts. There will be some patches for chaps with the lettering GWRRA available in gold, red, and pink. This is something entirely new for me and I have a lot to learn, but I will be ready in March for the Region H convention.

Some Coming Events:

Dec 5 Thursday

Chili Feed at Steve & Terri Bockhause before Newton Christmas Night Parade

Chili at 5pm, parade at 6pm.

KS-F Annual Christmas Party

Sat Dec. 7

Burns, KS.

Start Time: 12-NOON

Gift Exchange limit \$10 Bring a gift to match your gender. Bring a covered dish with food in it. Also be prepared to have FUN.

GOLD WING RESTAURANT REVIEW ASSOCIATION

We've all heard it! We laugh about it! As I look at Chapter calendars, we seem to live it! It's been said that some groups ride from bar to bar, while Gold Wingers ride for dinner and ice cream.

Most Chapters plan "dinner rides" weekly. After a while, Members start to pick and choose their rides based on the restaurant. Does that sound familiar? How many of you have planned a dinner ride to a restaurant twenty minutes from your gathering place? Let's think about this.....Is your priority the restaurant or the ride? Some "old timers" told me it was nothing to jump on the bike in Tulsa, OK and have lunch in Amarillo, TX. They would have dinner in Wichita, KS and be home by 10pm. Now THAT was a dinner ride!! NO, IT WAS A RIDE THAT INCLUDED DINNER!

Members drop out of Chapters and GWRRA altogether because "the Chapter does not ride enough!" Maybe we need more "rides that include dinner!" I suggest during your next planning meeting, think about roads to ride and places to see rather than what restaurant to eat in. Put some food in a cooler and have a picnic somewhere along the way. GOLD WING RESTAURANT REVIEW ASSOCIATION? No, it's GOLD WING ROAD RIDERS ASSOCIATION!!

Let's Ride!!

KS-H Continued

"I've just had the most awful time," said a boy to his friends. "First I got angina pectoris, then arteriosclerosis. Just as I was recovering, I got psoriasis. They gave me hypodermics, and to top it all, tonsillitis was followed by appendectomy."

"Wow! How did you pull through?" sympathized his friends.

"I don't know," the boy replied. "Toughest spelling test I ever had."

You do not stop laughing because you grow old.

You grow old because you stop laughing!

My Goodness, where has this year gone? Hope everyone had a great Thanksgiving, with plenty of family time and lots of food. At this time of year we all need to remember to give thanks for all our family and friends. So that being said we would like to say how blessed we feel to have each and every one of you in our lives. We want to wish each of you a Very Merry Christmas. May your holidays be filled with lots of love and many memories.

Ok, now on to Chapter business. Our first meeting back in Wellington turned out quite well. We had a good crowd and everybody seemed to enjoy being back at Fabiola's. The main topic of discussion that night was our agenda for 2014, hopefully all of you have had a chance to look over the events and have marked your calendars to attend as many as possible. Just a reminder, we have 5 months that we would like someone to plan a ride for the chapter. Let us know if you are interested and we will help get the word out on all member rides.

Right now our next event, besides

our regular meeting, will be our Christmas Ornament Exchange. We have scheduled it for Saturday, December 7th at the Corner Bank 4th floor meeting room. We will be serving breakfast at 9:00am and will have our exchange after that. Looking forward to seeing all of you that morning.

The Kansas Twisters

Drill Team

Steve Bockhaus, Team Captain

It may seem to some of you that the Kansas drill team was literally thrown together quickly, with not much thought or planning. Perhaps this is a good time to give everyone some history.

Steve, Marty and Terri attended their first Wing Ding in 2007 in Billings, Mt. That was way back when Marty was on two wheels, and Terri and Ruth were co-riders. (Actually, Terri was a beginner rider, but that's another story.) The trio watched several drill teams perform that year, and were completely enthralled! They attended a drill team meeting that year. While very interested, they were not sure they could make a commitment to the time, travel and expense involved (not to mention possible damage to the bikes.) But, this meeting was not a total loss, as this is how the three of them became involved in judging Top Gun.

For the next 6 years, the trio attended drill team meetings at Wing Ding. They also have been regular judges at Top Gun, and the men rode in the Amazing Team Challenge in Des Moines. While these meetings were supportive, they did not give one the information about how to get started.

This year, things were different. While planning their itinerary for Wing Ding, Terri was reading Wing World Magazine, and noticed that not only was there going to be a meeting, but a possibility of riding with a drill team!!! So, before they even arrived in Greenville, Steve contacted the International Drill Team Director, Randy Rodriguez. (Incidentally, this is why Terri and Steve

make such a great team. She is the mastermind, and he makes it happen!) Is that really so hard to believe?!

Steve missed the meeting and one practice, but was able to do a "walk through" with a group of novices, then one riding practice. The next practice was rained out. The leader of this group of novices knew that Terri wanted to ride, too, but that would have made an uneven number of riders, so Terri was kind enough to step aside so Steve could fulfill his dream. (boy, the sacrifices that woman makes for her husband!!!) The next day, the novice team performed for a large and enthusiastic crowd. It wasn't until after the Twisters' first performance that the team understood the high that Steve experienced that first time. After that one performance, Steve was hooked. He talked at great lengths with Randy and his assistant, Reno Birt. They spent a lot of time giving Steve tips, and ideas of choreography. Steve then talked to Bill Gray and Jack Shoeck about starting a team in Kansas. They were both very supportive of the idea. During supper with the Kansans the last night of Wing Ding, Steve mentioned that he wanted to start a team in Kansas, and asked if any of those present were interested. Denny Chesnut said he used to do that with airplanes, and thought he could give it a try. Upon returning home, Steve sent out an e-mail, scheduling a meeting for all those interested.

Next Page

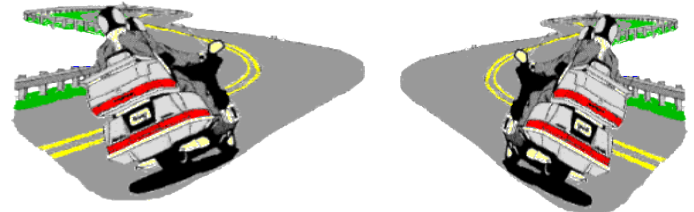

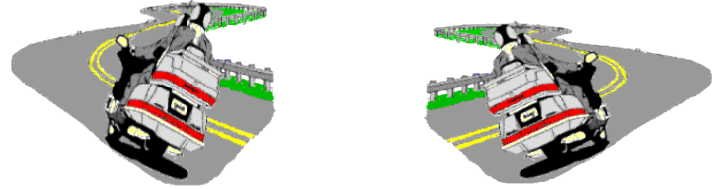

The Twisters Continued

The day of the meeting, the living room of the Bockhaus' was crammed full, and several called to say they couldn't make the meeting, but wanted more information.

While there were some excellent riders that attended the meeting, only nine could make a definite commitment at the present time. Those nine include: Steve Bockhaus, Steve Pena, Marv Ayers, Bob Brown, Rick Kistler, Terri Bockhaus, Larry Mazur, Denny Chesnut, and Marty Danner. At this meeting, they unanimously agreed on "Twisters" as their team name. (with all of its implications.). Shy Mary Mazur was secured as announcer, and Kathy Chesnut as team aide. Chuck and Marilyn Powell serve as performance critics.

After eight practices, the team had their debut performance at the District Rally in Abilene on September 14, 2013.

The team would like to welcome Rick Stevens and Gene Shannon to the range for the 2014 season. Watch the newsletter for more information about the Kansas Twisters.

Lady Riders.....millions of light years in the past

Deb Gattenby

Recently Ann Gillett & I took a trip to the Lake Afton Observatory for an evening of Exploring the Milky Way. Parts of the Milky Way we viewed through the telescope were an open star cluster, a blue and white star that appeared to be side by side, and a nebula which is in reality millions of light years in the past. Another interesting fact is that the sunlight we see each day is actually seven minutes old, as that's how long it takes the light from the sun to reach earth. All the stars we see each night are actually millions of light years in the past because that is how long it takes the light of the stars to reach us. The evening was crystal clear and outside the observatory we were able to see the Milky Way reach from horizon to horizon - a beautiful sight!

Upcoming on December 16th at 5:30 pm, the Lady Riders will have dinner at the Wichita Fish Company (1601 W. Douglas Ave, Wichita) and then go to the Blue Swallowtail Studio (1712 W. Douglas, Wichita) for an evening of jewelry making using pieces of glass. The owner of the studio will let us use pieces of glass she

has leftover from projects to create our personal works of art which she will she will fire for us to be picked up a few days later. The cost of each project is \$10 and more than one project can be made if desired. So that we can give the studio owner an idea of how many to expect, please call me at 316-648-5172 or email gattenbyd@yahoo.com your RSVP by Dec. 11th. This will be a fun evening of creativity and friendship.

For any new members, just a little explanation of what a Lady Rider is. A Lady Rider is a lady that has her own bike, or a co-rider, a lady in any chapter that enjoys the company of other ladies participating in fun and interesting adventures. All ladies are welcome to join in as we go to dinner theaters, have a Bunco night, go to a glass shop to blow a glass ornament, and many more adventures. In the coming months, I will do my best to give ample notice of upcoming events so all ladies can check their calendars.

Again, please let me know if you will be able to make the jewelry at the Blue Swallowtail Studio by Dec. 11th. Looking forward to seeing all of you on December 16th.
