A Message from your District Directors

Kansas Monthly Newsletter
Region 'H'

Jack & Doris Schoeck
Grand Master Riders
Jack #1961 Doris #2389

Happy Valentine's Day from your Kansas District Team! Well, our Mid-Winter Rendezvous is now history for 2015 and it was a GREAT success! .

We want to Congratulate Rick and Brenda Kistler on becoming our new Kansas District Couple of the Year. They will do an awesome job of representing Kansas. We would also like to thank Steve and Terri Bockhaus for doing a great job in 2014 of representing us and we encourage all of you to be at the Region H Rally in April to support them at the Region H Selection for a new Region Couple of the Year. They have gone a lot of places over the last year and we want to show our support for them at Region Convention.

We had 108 people registered for Mid-Winter this year and there were a few who came late in the day on Saturday and stayed for the banquet. We served 108 also for the banquet. Our attendance was up somewhat this year and we were excited about that.

We had a day full of great fun and many things to do. There was a leadership seminar taught on Friday evening and we had 15 people in attendance including the seminar leader which was Doris Schoeck. We had an ugly sweater contest this year which generated a lot of participation. We had 3rd, 2nd, and 1st place winners and everyone had a great time! Our winners were: Mary Rose Enderle, KS B, 1st Place, Jim Owens, KS Q, 2nd Place; and Sarah Taylor, KS H, 3rd place. There was a lot of participation for a first time event and everyone had a good time doing it! We had a "Battle of the Sexes" game led by Sheila Tucker which was a hoot and the audience had a good time laughing! We had the Family Feud game again which is always popular and there again a good time was had by all.

At the end of the day on Saturday, we had a great banquet and then closing. Dave Patton from Chapter B in DeSoto entertained us all with some awesome music before we ate. He does a wonderful job and everyone loves to hear him! If you were not there, you missed a good time! Thank you again Dave for entertaining us!!

At closing we introduced our new Couples of the Year from each chapter. Their names and pictures are on another page of this newsletter so be sure and check it out. We have couples from every chapter this year so our selection process next January should be interesting to say the least. Please make sure you congratulate each of these couples as they are the representatives from your chapters and need to be recognized. Our Couple of the Year Baskets again generated a lot of interest and each of the basket winners was excited and happy about their wins. Our 50/50 money was won by the following people: David McDonald, KS P; Steve Milam, KS B; and Mary Rose Enderle, KS B. Congratulations to all our winners! We would also like to thank Tom and Karen Sweet for conducting our CMA Church Service on Sunday morning. As always they did a great job and we truly appreciate it. We have an Officers Certification Program Class set for April 25, 2015. It will be held on a Saturday and will start at 8:30 am in the morning and end at 5:00 pm. It will be held in Emporia, but we don't have a location yet. We will put out location and meal information to all Chapter Directors and District Team members as soon as it is final. Remember the upcoming spring months will start our other District Conventions and our Region H Convention which will be in Marshall, Texas which will be April 16-18, 2015.

We are excited to start another year of Fun, Safety, and Knowledge and hope that all of you are excited as well! We have a brand new year ahead of us and that means we can all have as much fun and excitement and knowledge as we want to take in.

We will see you down the road and until then, Please stay safe and warm.

Jack and Doris Schoeck, Kansas District Directors

Mid-Winter Rendezvous 2015

MID-WINTER RENDEZVOUS 2015 was a howling success. Attendance was great. Thank you to every one of you that made that possible. Having that kind of response to an event makes the hours donated on the event very worthwhile. Actually even if attendance record wasn't broken, it would still be very rewarding because the District Team gets to see 'up close and personal' a lot of smiling faces as you entertain yourselves by participating in the 16 activities, plus one seminar. As Assistant Director Rick Kistler said, "if you didn't have fun, you didn't participate".

Thanks to all that brought desserts so you could dance to 50's and 60's music and win goodies. We kept two circles going but there was a time that we could have had three circles going with 12 in each circle. But Sheila took care of those in the waiting line to dance and doubled up on numbers. Everyone got to dance as much as their feet could stand. The money went to the Couple of the Year Program to help with travel expenses. I believe \$73.00 was earned. Not bad when it cost only 25 cents per dance.

Although the 'Team Feud' ran over its allotted time, people told me they had a ball. We more than double the number of teams from last year. We had three teams that wanted to play just before we started. I wasn't about to turn anyone away that wanted to participate. That is why we have this annual party. The entire district team preached all year of 2014, we need you to participate, participate. **You did.**

Thanks to the thirteen teams that played. That's 52 happy, fun loving people enjoying themselves AND entertaining the spectators.

I could not believe the laughter created by the players when Sheila got the 'Battle of the Sexes' started. She started with the 'elephant' race. Funny, funny. Hard to explain but I'll try. Lead person places their hand between their legs, the person behind them, take hold of the hand and place their free hand between their legs, then the two go around chairs at the opposite end of the starting point, return, pick up a

third person until all twelve have hooked up. Get the picture. You have to see it to enjoy it. I did.

Can you believe grown men and women lying on the floor, forming a tree; or forming an airplane on the floor and a car! Then, at the end everyone in the audience was on stage getting into a circle, man's circle, woman's circle. I don't think there was a person sitting in a chair. The one's that had the most in their circle won. Golly, there was a lot of cheating going on, of course all in fun.

The report on the seven games run by chapters and watched over by the Game Marshal (Brenda Kistler), the games were played with zest. The most popular again was the clothes pin challenge. Why wouldn't it be? I'll not comment any further on that. It appeared that the Ping Pong Ball escape was also a hit. Thanks to Joe Gattenby for getting that one started. Some seemed a little reluctant to shake their bodies but Joe got them going. Other activities, Black Jack, Bingo, Magic Eye, the new Ugly Sweater competition, Pride table, Couple of the Year Baskets and several paper games such as 'HUGS' kept many busy. Let's not forget all the popcorn you can eat, Free. Drinks only 50 cents.

Prior to eating at the banquet, we had live entertainment. KSB's Crooner, Dave Patton sang country for all of us. Gosh he is so good. THANKS 'BIG' DAVE. YOU ROCK BABY....

One more time. Thanks to everyone that attended the 2015 Mid-Winter Rendezvous. You made our day!

We are returning to the same location January 15-16, 2016. Your District Team encourage you to give us some ideas for games and other activities you think will be fun to do and watch. We will look at every suggestion. IT'S YOUR PARTY!

Rider Ed Seminar Presenters: Bill Tucker, Rick & Carolyn Stevens, Jack & Doris Schoeck, Jim Lamb, Marv Ayers

Well, another very fun weekend has past. I can hardly wait for Jan 2016. Yes, I'm talking about MWR. This fun district activity will be held at the same place January 15 & 16, 2016.

Sheila & I had fun hosting some of the games and it appeared that those of you that chose to participate had a ton of 'FUN'. Now to Rider Education.

Rider Ed announced the 2015 Riding Classes. In case you missed the announcement or didn't write them down, here they are. They are also posted on the Rider Education web page.

TRC Trike Course-	April 4
BRC2 (2 Wheels)	May 16
TC 2 Wheels Trailering	September 12
TTRC Trike Trailering	October 10

Co-Riders are encouraged to ride in the courses, and it is 'free' to them. The Co-Rider's that are in the levels program can receive credit for participating. Rick & I prefer the co-rider take the seminar first, then, ride in the range exercises with their rider. It is impossible for us to cover every aspect of Co-Rider responsibilities while on the range. But if the co-rider has taken the seminar, she or he can now practice what they learned in the seminar. Make Sense? Hope so.

We have the adjustable Fee program going again this year. And as long as we get the support from you at our fund raisers, we will continue to give back.

For the GW members we start at \$30.00 and will reduce it to \$20.00. Just remember to, get the reduced fee, you must take the courses consecutive. I wanted to go down to \$15.00 but we didn't do very well at our Kansas rally fund raiser. Maybe this year. HELP!

At MWR (Mid-Winter Rendezvous) the Chapter Educators met for a working luncheon meeting. All CE's (Chapter Educators) were present except Eric Wadman, CE KSB. He was unable to attend MWR this year. Jack Wagner, our Region Director was our guest speaker.

NEXT PAGE

Rider Ed Continued

And a good piece of news for me is that Gary Drake KSC approached me and asked about becoming KSC's Chapter Educator. Hopefully that will occur soon. That will leave only one chapter without a CE. The Chapter Director is working with me to fill that position.

I presented Larry Mazur, former CE KSA a plaque for his fine work as the Chapter Educator of KS-A. I also presented a plaque to Carolyn Stevens for being our reliable, hard working Range Aid and Administrative Assistant at the Range.

We have a couple of officer changes in our Rider Ed family. Jim Lamb has taken retirement from his volunteer position as Assistant District Educator and is scaling back on teaching the rider courses. I presented Jim and Carol a plaque expressing our sincere appreciation for their time and effort as your Asst District Educators.

I have appointed Senior Chapter Educator Rick Stevens and Chapter Educator Marv Ayers as the new Assistant District Educators. Both will retain their positions as Chapter Educators. Look at that Jim, takes two to replace you. I am truly going to miss working with Jim. He not only is a very good instructor, but just a very nice all around great guy and fun to be around. Jim will teach the two wheel Trailing course for us for the time being.

The new Chapter Director of KSA asked that Bob Brown replace Larry Mazur as the Chapter Educator. After speaking with Larry I told Marty Dannar (new CD) that Larry said he was good with moving on. Larry wanted to resign in 2014 but said he would stay on until a replacement was found. I'm going to miss my brother cop, but he isn't going far. Maybe I could talk him into participating with KSQ and he could be the Chapter Educator there.

Welcome aboard Rick Stevens, Marv Ayers and Bob Brown. Time to go to work.

Rick and I have been actively searching for a couple of people (man or woman) to become certified as MSF and GWRRA Rider Coaches. We need to replace Jim (in body anyway) and there will come a time in my life I will need to stop teaching, heaven forbid. I enjoy it too much to stop any time soon.

Bob Brown (KSA-CE) and Marv Ayers (KSH-CE) have expressed an interest in joining Rick and me. Bob told me he would be attending the March 15th RCP (Rider Coach Preparation) in Kansas City.

See ya soon!!!!!!

PRACTICE MAKES PERMENANT! YOU ARE WHAT YOU PRACTICE!
(So please do it right - take a Riders Course. Your co-rider will be glad you did)

BY THE BOOK

By: Jack Wagner
Region H Trainer

“By the Book” articles are intended to help familiarize GWRRA Volunteer Leaders and Members with the policies, procedures, and information contained in the GWRRA Officer’s Handbook (OHB). A Copy of the Officer’s Handbook can be found at the following Internet website: www.gwrroa.org/oconnect/officerhandbook.html
Please feel free to reprint these articles in Region, District, or Chapter newsletters.

The Last Resort

If you are taking the time to read *By the Book*, this article will probably sound like preaching to the choir. However, we have had some Chapter Directors announce that they were going to close their Chapter – frequently without involving the District Director or anyone else in advance. Chapter closure is not the Chapter Director's decision to make. There have been times when it seemed evident a Chapter would close, only to see it continue to not only survive, but to begin to thrive when the District became involved and some changes were implemented. It is imperative that the District team be involved before any announcement of Chapter closure is made.

Considering Chapter closure is a serious situation for GWRRA and its Members. Chapters are the very heartbeat of our Association. **All Chapter closures can usually be prevented if the following proactive steps are taken.** This checklist is to help Officers considering the closure of an established Chapter. Officers involved in the closure of a Chapter should carefully review and consider all of the following questions and suggestions. It is imperative for the benefit of the participating Members that all resources are utilized to keep the Chapter active.

1. Has the reason for closing the Chapter been explained to all Chapter participants? It is important that they are aware of the situation and the reason the health of the Chapter is in jeopardy. Chapter participants can offer valuable suggestions and possible solutions to the problem.
2. Have all Chapter participants been involved in attempting to save the Chapter? Many times a problem-solving meeting or series of meetings of concerned Chapter participants can yield viable solutions to save the Chapter.
3. Have alternatives to closure been discussed with all Chapter Participants? They need to have a clear picture of the reason for closure and the alternatives that are available to keep the Chapter active.
4. Have key individuals within the Chapter been contacted for their input? Key individuals may have ideas or solutions that may not be expressed unless contacted directly for their input.
5. Has the Chapter Director explored all alternatives within the Chapter to keep the Chapter active? Do not leave any stone unturned. It is very easy when frustrated with a problem to give in. All alternatives must be considered for the good of the participants.
6. Has the Chapter Director involved the District Director? The District Director can many times lend support and offer additional ideas, suggestions or alternatives.

7. Has the District Director contacted and discussed the closure with any of the Chapter Participants? Many times, direct contact from the District Director can carry more weight and solve some problems that were unable to be solved at a local level.

8. Has the District Director met with Chapter participants in an attempt to avert the Chapter closure? At times, this might be advisable to allow the interested Chapter Participants an opportunity to work directly with the District Director to solve the problem.

9. Has the Region Director been consulted regarding the possible Chapter closure? Here again, the Region Director, with his/her experience, might be able to offer additional ideas, suggestions or alternatives not previously thought of at District level and below.

Have all alternatives to closure been exhausted? The Chapter should not be closed until all alternatives have been exhausted. **No alternative should be left untried just because we feel it probably wouldn't be successful.**

If your Chapter is struggling, or if you hear of a Chapter talking about closing, please contact your District Director immediately.

REMEMBER: Chapter participation is an important and invaluable benefit of GWRRA Membership. It is through Chapter participation that the GWRRA Member truly develops “FRIENDS FOR FUN, SAFETY AND KNOWLEDGE.”

The more you know, the better it gets!

A Kansas Poem

It's winter in Kansas and the gentle breezes blow
 Seventy miles an hour, at thirty-five below.
 Oh, how I love Kansas when the snow's up to your butt.
 You take a breath of winter air and your nose gets frozen shut.
 Yes, the weather here is wonderful, so I guess I'll hang around.
 I could never leave Kansas, 'cause I'm frozen to the ground!

I don't know about the rest of you but when January started this year this is just how it felt. Thank goodness it finally started to be warm (if you think 40 & 50 is warm) because January was a busy month. We started out the month with our annual polar bear ride on January 1st which as I understand it only a few brave souls ventured out because it was one of those very cold days that we had but we met at Joe & Debbie Gattenby's for some good food and visiting with good friends.

Joe let us all know that this ride has been going on since 1991...wow!

KSA Continued

Then just a few days later on the 3rd the fun started all over again at the Hohlfeld's for their annual game night with Frankie & Philis Valens.

Next up was our monthly meeting on the 8th at Bishops on West Kellogg this is the 1st meeting with our new Chapter Directors Marty & Ruth and they introduce us to the rest of the team with include Asst Directors Joe & Debbie Gattenby, Chapter Rider's Educator Bob Brown, Chapter Treasurer Barb Brown, Chapter Membership Enhancement Christ Groom, Newsletter editor Mary Mazur, Couple of the Year is Chris & Michelle Groom and Individual of the year Bob Davis. Larry gave a lesson on helmets. Part of what was talked about was that judge because you pay a whole lot of money does not mean that you have the best helmet.

Next Page

KSA Continued

A good helmet will fit well and be comfortable to wear for long periods of time. When putting on your helmet it and you try to turn it your skin should move but the helmet shouldn't press your face in...if it does and you wear it for too long it will give you a headache

We also found out that our monthly meeting is moving. Starting on February 12th we will be going to the Golden Corral on East Kellogg the price should be \$11.45 (this will not include the tip so please remember our server and the hard work he/she will do for us)

The 16th & 17th was the dates for our Mid-Winter Rendezvous at the Best Western in Park City and I just want to say that our District put on a great event for us and I'm sure we all had fun (and I got a few pictures to prove it)

Here are a couple pictures of the whole table with close ups of the cute buildings (got nothing to say about the 5th picture)

Look like someone may have gotten 1st place!

Bob photo bombing Chapter A's pride table

Here are a few pictures of some of the chapter members playing the games

KSA Continued

Starting with the Dannars & the Mazurs playing Family Feud.

We didn't do as good as we did last year and I don't know if it's because the questions got harder but whatever you do don't ask Marty or Larry "how do you adjust yourself" because they will have no problem standing up and showing you no matter how many people are in the room.

Here we have Michelle & Terry playing with some balls...and Joe's giving them a little advice.

Then there was the team skiing...Michelle & Debbie showing Larry & Marty how it's done.

KSA Continued

They had a new event this year...
the Ugly Sweater contest and
here is Terri in her entry.

At the closings since most of Chapter A's
team is new they all had to be sworn in...
So now we are official.

This should make you all excited about coming to Mid-Winter next year.

The rest of January was boring after all of this so now we need to look forward to February and here are some of the things to look forward to.

1st - Pat Swilley Birthday

Ruth & Marty Dannar's Anniversary

2nd - Ground Hog day. I don't care if he does or doesn't see his shadow...there will always be 6 more weeks of winter let's just hope that we're not up to our knees in snow!!!

8th - Chuck Powell's Birthday

12th - Rosie Posgai's Birthday

Chapter meeting...remember new location is the Golden Corral at
11006 E Kellogg. Meeting starts @ 7:00 but come early to eat &
Visit with the other members

14th - Valentine's Day

KSA Continued

16th - President's Day

24th - Debbie & Joe Gattenby's Anniversary

Dave Beranek is the ride leader for this month's Dinner Ride so date, time and place is yet to be determined I'm sure this information will be given to everyone later

A few other dates to keep in mind

I'm going to remind everyone that if you ever attend an event or go on a ride and would like to let the others know about it just send me a brief story and pictures I would love to include it our newsletter.

Send it to me at scarymary1210@sbcglobal.net

That's all for now so until then...ride safe

CHAPTER "B"

KANSAS

January 1 was cold, but sixteen Chapter B members ventured out for a Polar Bear Run to Slow Ride in Lawrence. Not everyone was on two or three wheels, but the group enjoyed a nice lunch and companionship for the first day of 2015.

Twenty three members attended the planning meeting on January 10. Lots of ideas were bantered about as we enjoyed cookies and planned the 2015 riding calendar. It was obvious that Chapter B members are eager for warm riding weather. We decided there really weren't enough weekends in the year to do everything that we wanted, but we squeezed in a lot. We will keep everyone up to date on our travels for the coming year and invite all who are interested to join us.

The January monthly meeting was held on January 15 and thirty three members were there to hear Chuck Finley give the 2014 mileage report. With thirty members reporting mileage, we rode 303,222 miles in 2014. Chapter B made it to the moon and approximately one fourth of the way back. We have to find a way to return to Earth with either more members reporting their mileage or riding even more this coming year. We also had at least one member in thirty five different states and Canada. Roger Shores was once again the high mileage rider with 30,013 miles, and Missy was along for most of those miles. Rounding out the rest of the top five were Bill Groh - 29,400 miles; John English - 19,633 miles; Ivan McKarnin - 15,151 miles; and Ed James - 14,721 miles.

Eighteen Chapter B members enjoyed the Mid-Winter Convention in Park City on January 16-17. We had fun

playing games, visiting with members from other chapters and sharing treats from the dessert walk.

The American Gothic painting, with a few changes, graced our pride table and Mary Rose Enderle won the ugly sweater contest.

We were pleased to introduce Mary Rose Enderle and Bogie Bogenrife as our 2015 Couple of the Year.

Dave Patton provided the entertainment before the Saturday evening meal and Steve Milam won money from the 50/50.

It was a weekend of fun and camaraderie.

Chapter B events for February:
February 19 - Chapter Meeting
February 28 - Breakfast Get Together

January has been a slower month than December was as far as happenings within the chapter go.

We held our annual “New Year Get Together” on the 1st at Red Robbin. We had 12 people in attendance and even had three on bikes. Brenda and I rode in from Manhattan and Ron Crawford rode his trike. Marjie came in their car and her excuse/reason was she had been deer hunting, however if she had gone hunting in the clothes she was wearing she wouldn’t have wanted to get Bambi because she was dressed way too well to field dress an animal. Everybody appeared to have a good time at Red Robbin after some confusion in who ordered what and Ken Felch being the last one served.

We held our monthly meeting on the 20th and had 17 people in attendance. Marty Danner delivered our new Chapter shirts and got real lucky as all who ordered them but two were in attendance. The shirts look real nice and are different from the originals so we now have a “new” look.

Bill Hanson started the meeting off with reminding everybody the importance of a good T-CLOCS especially if the bike has been parked for a period of time. Al Davis also commented to watch out for sand on the roads this time of year.

Bill also asked for input on ride notification. After a bit of discussion it was agreed that he would send out an e-mail a couple of days before a ride reminding everyone of the place and time to meet. At our planning meeting in November it was decided that for some rides the initial meeting location would be other than our normal starting point of the Kwik Shop at 45th and Topeka Blvd in Topeka.

Our motorcycle maintenance day was firmed up as April 25th at Ken & Arlene Felch’s. We also firmed up the Christmas Party for the Chapter for December 6th at the Lyndon Community Center. This has been our normal location and time for our party for several years so it should come as no surprise to most people.

Because of the dates of Wing Ding (Sep 3-6) and the District Rally (18-19) that we won’t have a chapter meeting in September. Ron will take care of notifying Perkins that we won’t be utilizing the room.

Marty mentioned that some of his Chapter members worked odd schedules and were interested in riding with other chapters

so I mentioned we would be going to Paradise again this year on the first day of Pheasant season and that anybody was welcome to join us anyplace along the route or even in Paradise. Al will be planning the ride with meet locations and times at a later date.

I mentioned that Chapter B in Idaho is doing a Potato Ride. This involves visiting 6 different towns, each starting with a letter in the word potato and taking a picture of us and that town’s post office or welcome sign to get photographic proof we were there. I was bored one day and planned a route that is less than 150 miles long with one of our favorite restaurants (Poncho’s in Ottawa) along the route. Most people seemed happy and we decided on April 11th for the ride. If anybody that reads this we will be departing from the Kwik Shop at 4500 SW Topeka Blvd. The time will be announced at a later date; however I don’t see it being real early for a ride of that length. Our first stop will be at the entrance to Frito Lay just so we can be different.

Gary Drake had the last thing to talk about and it wasn’t real positive. He had the number of motorcycle fatalities for 2014, of 48 which were up from the previous year. He did say most of the fatalities did not involve a car being at fault so pay close attention while riding. He did have a positive note that the stats for our type bikes were real good and to keep up the good work. Also the M endorsements are improving and that their budget has been reduced this year, so there won’t be as much advertising as in the past.

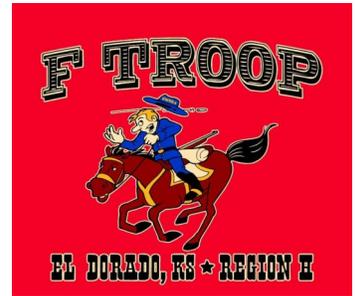

We ended the meeting with the 50/50 drawing with Marjie Crawford winning the big prize and Brenda winning the smaller one.

Our Chapter director stands out in February since he is the only chapter member with either a birthday or anniversary having been born on the 17th.

Happy Valentine's Day and Greetings from Chapter F!!

We are excited here in Chapter F to have started another new year! Just think of all the possibilities we have for the upcoming year in going on rides, learning new information at seminars and being able to attend activities and conventions here in Kansas and in other states. The amount of fun and adventures you have will be up to how many activities you attend, so get out there and have some fun. We sure plan to!!

Congratulations to Gene and Delores Shannon as the new Chapter F Couple of the Year.

There are a lot of things the District Team has planned for us and there are a lot of rides and activities planned already by other chapters.

If you did not attend the Mid-Winter Rendezvous this past month, you missed a great time! Chapter F won the prize for Best Pride Table. We were excited about that and surprised. There was great entertainment on Saturday evening before the banquet by Dave Patton, who is a member from Chapter B out of DeSoto. He did a great job and everyone loved listening to him. There were many fun things to do during the day and as always, the District Team made pop and popcorn available to all who wanted it.

We were surprised and excited to learn that this year, every Chapter in Kansas will have a Couple of the Year. Please remember to acknowledge these couples as they visit your chapters as they are representatives for our organization.

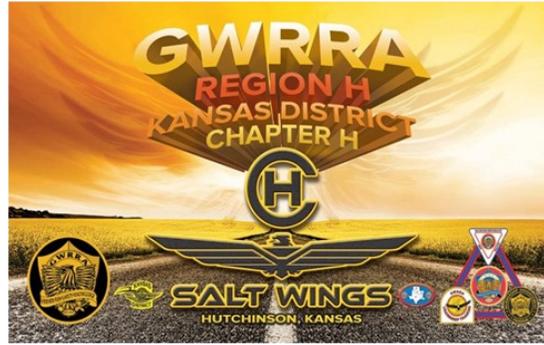

We would like to thank Chapter F members for the work they did in helping with games, bringing drinks, and helping to set up for the Chapter Pride booth. All of your help was much appreciated.

For Birthdays and Anniversaries this month we have:

Birthdays:	Carol Chastain	2-3
	John Graves	2-10
Anniversary	Everett and Carol Chastain	2-2

See you down the road!

District Staff

From your Chapter Directors

Terry & Judy Mann

January has been a mostly non riding month. We had a good turnout on the 10th at Martinelli's in Salina for dinner. Too cold to ride but good night for food and fellowship, had another new couple join us from Salina (yellow trike) welcome to the Davenports. Way to go Jeff and Ann for recurring them.

Just finished a great Midwinter Rendezvous in Park City, had about 20 from our Chapter attend. Thanks to all that helped make it a big success. Welcome to our new Couple of the Year Bill Watts and Sarah Taylor that were introduced at Midwinter. A big thank you to our 2014 Couple of the Year Dale and Georgeanna Tritsch for representing our Chapter well.

Great news, one of our newest members, Mark and Linda Classen, ordered a RoadSmith trike kit today. Looks like an iron butt ride is being planned to go to Alabama for the conversion.

Our next ride is a Valentine ride to Chapter P in Wichita on Feb. 13th. We have our Chapter H meeting on the 26th.

We will end the month on Feb. 28th with a breakfast ride to the Firehouse Cafe in Hutchinson.

Thanks
Terry and Judy Mann directors of Chapter H.

From your Assistant Chapter Directors

Dale & Georgeanna Tritsch

Your Assistant Chapter Directors have been busy building a new website for the Kansas District. We have learned a lot in the last 7 weeks and did enjoy doing it. We hope to keep adding to it and making it better. Each chapter in the Kansas District has their own page or a link to their chapter website. We are asking all chapters to send us information about their chapter: Officers, photos with descriptions, event list, and anything the chapters think would be of interest to all who visit the Kansas District website.

Everything and everyone has a purpose. If you don't know exactly what purpose you are intended for, just do what you do and be who you are. We all have our own special traits. 347550-01 That is what makes us unique. We can use these individualities in our chapter life. I have learned much from others. I may not always agree with another, but I will listen and consider other opinions. Back to everything has a purpose, we have motorcycles. The purpose of a motorcycle is to be ridden --- in a fun, safe, manner. That is why we as GWRRA members can rely on a good ride with other GWRRA members. If you haven't recently taken a rider course, do so. If you have in the past, do so again. We in chapter H have several opportunities to take courses offered by our instructors for all things GWRRA. It would be fantastic if we could "flash mob" the courses and have the most enrolled from chapter H.

As your Assistant Chapter Director, I hope to get to know all of you better. I am terrible at names, so always forgive me and correct me if I do not know your name or get it wrong. I have to look in a mirror and sing Happy Birthday To Me to remember my own name sometimes.

Send your photos and descriptions or short article of what you have been doing to Ann Whithorn izzy2freckles@hotmail.com so she can add it to the chapter scrapbook. Also send it to Dale Tritsch dalet@cox.net for the newsletter. Even a short ride for ice cream or pleasure would be appreciated.

From your Chapter Educator

Marvin & Toni Ayers

Rider Ed. Bits

Here we are in 2015. I hope you all had a very Merry Christmas and a Happy New Year. I haven't been brave enough to get the Wing out this winter but a few of my friends have. Kudos! As we ready ourselves for 2015, meetings and rides, keep in mind the training you received in the past. You may not be riding but you can keep your mind active. Remember the games you played as a kid? An imagination is a wonderful thing. I have gone through the ERC2 course in my mind, the turns, the breaking, the balance, and the box. Yes, I still hate the box but in my mind I can breeze right through it. So my friends it won't be long and we will be riding and using the skills we have. Remember – A skill not used is no longer a skill!

From your Chapter MEC

Bill Watts & Sarah Taylor

Greetings my Chapter H and entire GWRRA Family. Sarah and I do hope all is well with you and yours. Things could not be going better for us and this weather we have had the past several days is giving both of us the itch to get out and start riding with our extended family members. I do hope some of you have been able to get out and get a little riding in. If you have I am envious, but the fact remains there are some other things I have got to get done first so the riding will have to wait just a little longer for us.

Now a little about membership and recruiting. As most of all of you know, we talk about the importance of always keeping an application close by and at the ready to present to a potential member. I am going to share something that happened this past Sunday after attending the business meeting on Sunday morning in Wichita. Terry and Judy, Dale and Georgeanna, along with Sarah and I went to Auntie Mae's for a late Breakfast. When we finished, Dale, Georgeanna, Sarah and I were standing in front of the restaurant talking about what each of us had planned for the rest of day. As we stood there and talked, a man on an 1800 pulled up got off the bike and removed his helmet. Dale and I both looked at him then we looked at each other and asked the same question; do you recognize him? Nope, neither of us had ever seen him before.

Well it just so happens that Sarah was already on her way to the truck to grab an application and she rounded the corner with the application packet in hand at about the same time. Dale and I were introducing ourselves to this man (Steve) and we were asking him all the right questions and he was giving us some great positive responses. It just so happened that Steve had just recently bought this 1800 and he knew very little about it and he was actually looking for anyone that was familiar with an 1800 and could teach him how to properly ride it and was looking for a group to ride with. Well I don't need to tell any of you that this guy is a prospectors dream because I know each of you are sharp enough to figure that out.

As the conversation went on a little we learned that his wife also rides another brand of motorcycle but we assured him that was alright because every chapter has some of them and it makes no difference and she could join on the family plan. He liked that idea. We told him about our Chapter and have invited them to visit us and we also told him about our sister Chapter A since they do live in Wichita.

You see, it really does not matter where you may be when you find people like Steve because they are out there. It's about approaching people we see and having the recruiting tools close at hand. We may not get these people in our chapter but we (you) can at least get credit on the Find a Friend program and help find them a chapter and family so they too can start enjoying GWRRA as much as the rest of us.

I am going to close with this reminder for each of you: the prime riding season is going to be here quicker than we think. Now would be a great opportunity for any of you that have invited someone to come out and ride with us and take a look at our Chapter; if for some reason they had a conflict of scheduling when you invited them before and they could not make it, make contact with them again and check on them and extend another invitation for them to come with us. Tell them about some of the rides and activities and assure them that all of us will welcome them and do our best to make sure they have an enjoyable and positive experience.

Have Fun and Ride Safe!

From your Chapter COY

Bill Watts & Sarah Taylor

Another Mid- Winter Rendezvous has come and gone and I know Sarah and I had a great time the entire weekend and I do hope that all of you that attended also had a great time and enjoyed yourselves. We missed those of you that could not be there. If you have never attended a Mid-Winter we encourage you to attend next year. As both of us found out, it's not only about a fun weekend, it also may very well hold some surprises for some of you as it did for us on Saturday evening when Sarah and I were named Chapter H Couple Of The Year 2015. Yes, we were both surprised and honored at the same time because we both feel that any of you in our Chapter are a COY choice. We will uphold the tradition of this program and proudly serve each of you and Chapter H during this next year. We already have our sights set on the District COY and will become more excited when 2015 draws to a close and this torch gets passed on to the next couple.

From your Chapter Newsletter Editors

Dale & Georgeanna Tritsch

We all have been doing our indoor things the last two months, but it is getting close to get out and ride time. We have some very interesting meetings and events coming up. Don't miss out.

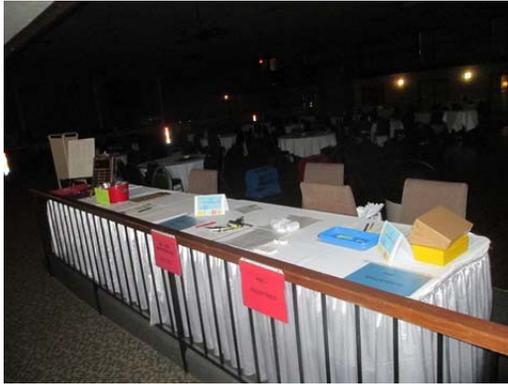

I was happy to see all who attended the Mid Winter Rendezvous. We all had a good fun time. The games were fun. The popcorn was plentiful. KS-F won the Pride Table judging, but our own KS-H Pride Table was good also. All of the Pride Tables were good and the various theme settings were interesting. Carolyn Colahan and Judy Mann each won a COY (couple of the year) basket. Terry Mann won some goodies at the Dessert Dance. I'm sure others from chapter H got some goodies also. Leon and Ellen Deges won the most games played. Three teams from chapter H participated in the Team Feud. That was fun. We were so busy running around visiting and trying to see everything that we can't remember it all. Be sure to thank the Kansas District Team for a fantastically fun time. Dale & Georgeanna have reservations for next year already.

Afterthoughts

GWRRA Message Boards Sign-In Help:

There seems to be a bit of confusion with the Message Boards, so hopefully this information will be helpful.

The website is www.gwrrabbs.org. A pop-up box will come up when you get there stating: User name is your GWRRA Membership number (zero's included). Password is the numbers in your address and the expiration date of your membership (in most cases). (If you are Life Members, it will be your address and then the word life, ex. 1234life.)

Once you are in the Message Boards, if this is your first time, you need to go up to the right-hand corner and press "REGISTER". There you will fill out the information asked and create your own user name and password. Keep in mind, the user name you choose can't be changed and it is what everyone will see on the Boards when you are logged in, so choose carefully.

Once you have registered, you will receive an email with your information. Please save this for future reference. You may be asked to login each time you go to the Board. The first set of logins will confirm your membership; the second logins will be what you created.

If you still have any questions on this process, please give us a call. It is easier to walk you through it over the phone. 800-843-9460.

Upcoming Events

(Watch email and phone text for times and staging)

- Feb 13 Valentine ride to Chapter P
- Feb 22 Breakfast ride to Water's Edge in Hesston
- Feb 26 Monthly Gathering
- Feb 28 Breakfast ride to Firehouse Café in Hutchinson

Birthdays

- Pat Malecki Feb 2
- James Shaw Jr. Feb 7
- Mark Classen Feb 10
- Joan Frederick Feb 11

Anniversaries

- Mark & Linda Classen Feb 14

Our regularly scheduled gathering is 7pm on the 4th Thursday of the month. We go to the Sirloin Stockade on 17th street in Hutchinson, KS (just a little west of 17th & K-61 Hwy).

We begin the feeding frenzy at 6pm.

We draw one membership number which is placed somewhere in the newsletter.

If the member to whom the number belongs sees it and is present at the next gathering after the number is published, that member wins \$5.

(it pays to be a member and attend gatherings)

Hey, get in on a good thing. 50/50 is 10 for \$5.

Did you find your membership number? Better read me again.

Meeting Night - Friday, February 13, 2015 - we will once again having the Valentine's Sweetheart Dinner! \$10.00 per person we begin serving at 6:30 pm.

Derby Church of Christ 225 N. Derby St,
Derby Ks. 67037 in the fellowship hall at the south
end of the building

What's Happening? All seemed to enjoy the Mid Winter Rendezvous in Park City. Many Chapters were well represented, and a good time was had by all. Chapter P is proud to announce that Gary and Phyllis VanBuskirk will be the Chapter P Couple of the Year. Congratulations! Also Rick and Brenda Kistler were installed as the District Couple of the Year. Congratulations to them also.

January 20th Chapter P had a good show for dinner at the newly remodeled Stroud's Restaurant in Wichita. A good feast of the signature Fried Chicken and all the extras.

Looking Ahead

February 13 we will once again having the Valentine's Sweetheart Dinner, all chapters welcome. It will be held at the Derby Church of Christ 225 N. Derby St, Derby Ks. 67037 6:30pm in the fellowship hall at the south end of the building, there will be a cost of \$10 a plate everyone planning on attending should contact Sherri at dlovessh@sbcglobal.net 316-650-3238 or .

Kathy at Kathy@berexco.com 316-214-1994 to RSVP

Well gang another month has come and gone, which means we are that much closer to some good riding weather. Some of you may have made it out in January, because as I recall there were a few nice days.

This year started off with a trip up to KSA's annual Bean Feed, it was a little too cool to ride for most of us, but we still made our way to the food. We would like to say Thanks to Joe and Debbie Gattenby for their hospitality in hosting the bean feed once again this year. They had a great turnout of people and plenty of food.

For those of you that were unable to attend this year's Mid Winter Rendezvous, you missed a great weekend. The District staff did a wonderful job once again in putting together a lot of fun stuff to keep everyone busy. Some of the games that we all participated in included the Battle of the Sexes, which they decided was a tie and then we had the Family Feud once again. This year they broke the record with the amount of teams that joined in on the Family Feud. I am sorry to say that none of the "Q" crew teams came out on top this year, but look out for us next year! We also had the round robin games this year again and as always the Clothespin game was a big hit.

We would also like to extend a **BIG CONGRATULATIONS** to Rick and Brenda Kistler, they were named our 2015 Kansas District Couple of the Year at Mid Winter. We know that they will represent all of us well.

Now a reminder of our upcoming events for February, on the 21st we are going to have a Breakfast Ride/Drive depending on the weather, to Derby's Little Firehouse Café, we will plan on leaving Udall at 7:30am and plan on meeting at the Café at 8:00am. We will put out more details as we get closer. Also, in March we are going to be having our St. Patty's Party once again and it will be at the Udall Comm. Bldg., we plan on starting the evening around 6:30pm. So everyone get your potato centerpieces ready and let's see how creative some of you are this year. On March 22nd we will have another Breakfast/Day Ride, more details as it gets closer. Everyone mark your calendars and plan on joining us.

FEBRUARY BIRTHDAYS:

Chris Naylor 2nd
 Bev Smith 10th

ANNIVERSARIES:

Jim & Carol Owens 14th
 Duane & Cathy Sherrard 28th

Until the next time,
 Ride Safe,

The Kansas Twisters

Drill Team

Steve Bockhaus, Team Captain

Here it is time for February news and I am caught not ready. Ok, so I am admitting that I have put off writing this article. There is not much news from the team yet, so this may make one think that we are not busy. WRONG! The team has been very busy designing a new routine for you to see. It takes a lot of work to come up with a routine that is interesting to watch, flows smoothly and contains all of the required competition moves. Once the routine is choreographed, then it must be present to the team as a whole. After the team approves it, then we must figure out how to call all of the moves in a manner that every rider understands.

From that point, it is walk, walk, walk! We have to understand the routine before we ever ride it. Now to many this

may seem like we are playing “follow the leader”, maybe we are in their eyes.

But like Bill Tucker says --- “Practice makes Permanent”. The Drill Team routines are just like anything else we do on a motorcycle, we do not ride until it is safe to ride.

We are not complaining, we are just pointing out the hard work and dedication that this group does and has while we represent the riders of Kansas.

We ALL enjoy what we are doing.

Ride SAFE and ride OFTEN!

Steve A Bockhaus – Captain
Twisted “One”

Kansas Twisters Motorcycle Drill Team.
