A message from your Kansas District Directors

Well, the new year didn't start out so good. Most Chapters canceled their New Years Day events. My planned "Ride the Temperature" ride was one of them since it was still snowing at helmet time. At least the cancellation of the ride wasn't virus related like the annual "bean feed" was for Chapter A.

Since then, we've attended three Chapter meetings, the latest was Chapter B's in DeSoto where we were privileged to award Gary and Reba Ohler a "You Make A Difference" certificate and pins. Well Done Gary and Reba, you definitely deserved it!

Valentines Day is getting near, and I'm scratching my head, trying to think of something special to do with and for the love of my life, my new-to-me 1949 Hudson. Ha Ha! Oh! And Debbie also! I'm sure we'll all come up with something suitably romantic.

Like all of you, I'm sure, Debbie and I are looking forward to, and hoping for, some degree of normalcy this year. Wearing a mask everywhere is definitely getting old, but we'll continue doing so as long as necessary. Not being able to go to the larger events and seeing old friends is sorely missed.

We are going to get on our bikes and go somewhere this year, hopefully to a couple of rallies, but most assuredly we are going somewhere. We hope to see some of you along the way.

Until then, stay safe,

Joe & Deb Gattenby

YOU MAKE A DIFFERENCE!

GWRRA Thanks You
Reba & Gary Ohler
for everything you do!

A WORD FROM YOUR DISTRICT RIDER EDUCATORS

Here it is February already. It has been a strange year in many ways. I hope that everyone is staying healthy and safe.

It is time for us to schedule our on-bike riding courses for the year. We would like to do at least one of each of the four courses. We have not had either a Trike Trailering or a Bike Trailering Course in several years. I would really like to have one of each this year. I know that a lot of you pull trailers and I think it would be beneficial. The Rider Education team will be meeting soon to talk about the schedule. Please contact me if you would like to take one of these courses.

On that note Oklahoma has scheduled an Advanced Rider Course (for 2 wheeled riders) on Saturday March 13 at 8:00 am at Ponca City Airport, 2213 Waverly St., Ponca City, OK. Range starts at 1:00 pm at the airport. To register contact either Max Rowlett at 580-704-8290 maxer50@aol.com or Steve Cotton at 405-285-5962 scotton01@cox.net. There is a flyer attached that you can fill out and mail in also. I will be assisting Oklahoma with teaching this course. If this fits in your schedule it would be a great way to spend a Saturday and help you knock the rust off of your riding skills after the winter break.

Please stay safe and healthy and we will look forward to seeing all of our friends on a ride somewhere soon.

Look at the article that I have included with this newsletter.

How To Ride A Motorcycle Forever?

Getting Old: The difference between bouncing and breaking.

Getting Old

Yes, it's possible to perform as well or even better as when you were younger if you remain relatively fit, learn to be physically and mentally efficient, and capitalize on the insight that comes with age. Experience!

You might be a young buck full of vigor, flexibility, and confidence. But statistics tell us if you ride a motorcycle in the US, you are likely over 40 years of age. If you're one of these "seasoned" riders you might have noticed that certain physical and mental limitations have become more pronounced. What you might not realize is it's possible to perform as well (or better) as when you were younger if you remain relatively fit, learn to be physically and mentally efficient, and capitalize on the insight that comes with age.

Motorcycling isn't tolerant of people who are weak of mind or muscle. If you aren't able to maintain a certain level of sensory sharpness, strength, and mental competence you are putting yourself at greater risk of a crash. And if you do crash, you are more likely to get hurt. At twenty-something you'll bounce, while a 50-year-old will break.

Before you walk away depressed about your dark, inevitable decline, consider some benefits of being an older rider. Most of us who have survived this long have gained wisdom about managing the risks of riding and possess a well-developed arsenal of strategies that preserve mental energy. For example, we've learned to select lane positions that afford optimum visibility and know how to prioritize information efficiently so we can spot hazards early. Unfortunately, vision is one of the first things to diminish with age. Slow down if you can't see well enough ahead, and make sure you use clean, undamaged eye protection.

A big part of maintaining endurance and alertness is to become physically efficient. Anyone can see I'm far from what is considered young. Yet I am still able to match the stamina of riders decades younger—partly because I've learned to conserve energy. For example, hanging off the motorcycle to drag knee while on track can be tiring, but I can do it lap after lap because I've learned to use my torso and leg muscles (rather than my arms) for support. I also hang off only as far as my speed dictates and change body position only when absolutely necessary. These details really add up.

You can preserve energy on the street by riding smoothly and minimizing unneeded inputs. Look well ahead to see where you want to go, and then maneuver your bike accurately with precise handlebar inputs. You can reduce this effort by pre-positioning your upper body toward the inside of the corner before you countersteer to initiate lean. This “pre-loads” the bike to turn. For even greater efficiency, push the inside handlebar while pulling the outside handlebar so both arms share the effort.

A long life on two wheels is dependent on making smart decisions. Patience and tolerance help prevent road rage and other impulsive behavior that exposes us to more risk. A calm manner preserves mental energy, frees the mind to make better decisions, and allows us to brake and steer with greater precision. In contrast, flustered or hurried riders execute decisions and control inputs erratically.

One demographic at great risk of delusion is middle-aged “returning riders” who think they can pick up where they left off a decade or two ago. Too many returning riders wobble their way out of a dealership parking lot on a shiny, new machine and into traffic with only a faint memory of how to really control a motorcycle. Thankfully, the odds of these mature riders having the common sense to seek training are pretty high.

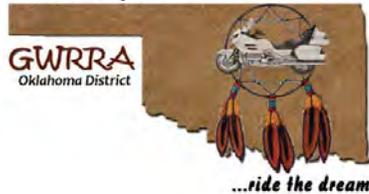

Whether you're a newly minted older rider, a returning rider, or a veteran codger, you are smart to recognize that you might not know all you need to about staying safe. Get regular training and continually practice cornering, braking, and evasive maneuvers. Also, minimize the negative effects of aging by exercising, eating well, and visiting your eye doctor. You'll feel better, ride better, and have more fun while reducing the chance of injury.

Remember:

PRACTICE MAKES PERMANENT...YOU ARE WHAT YOU PRACTICE.

HAPPY NEW YEAR FROM CHAPTER A!

I am sure that y'all feel like we do....Surely 2021 will be better than 2020. Even though the country has been under quarantine, some of us still got out and rode their bikes. Don't worry - we still practiced social distancing!

Chapter A had to cancel our annual Bean Feed and Ride the Temp gathering. "The snow made us do it". We definitely plan on doing this in 2022. All the details will be released at a later date.

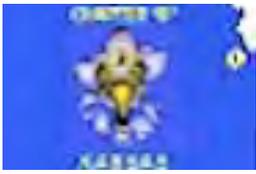

Chapters A&P have been having joint gatherings with us gathering at Spears Restaurant; eat at 6pm and gather at 7pm. This seems to work out nicely so that people don't have to get out as much. Besides, gotta love Free Pie Thursday.

We're happy to announce Chapter A's 2021 **Couple Of the Year (COY)** is Steve and Terri Bockhaus! We fully appreciate all they do for our Chapter and GWRRR as a whole.

As the season for riding is drawing near, let's remember our motto:

F - FRIENDS F - FUN S - SAFETY K - KNOWLEDGE

Until we meet again -

Chapter Couple of the Year
Bob & Audrey Savner

With snow falling on January 1st it was weather fit only for polar bears, so Chapter B members let the polar bears have it and cancelled their lunch ride. It was certainly not a day for motorcycle riding. Gary and Reba Ohler and Francis and Joyce Dalsing did venture out for lunch using four wheels. They had a good time while the rest of us stayed warm at home.

The weather forecast was much better on January 13th and Allen Robertson just had to get on his bike and go somewhere. He sent out some inspirations to ride and was joined by Brad Bernhardt, Gary Ohler, Mike Lyles, Steve Ramirez, Mick Schurer, Ed James, and Scott Henson. Everyone was riding a Gold Wing, six two-wheelers and two three-wheelers. Six of the bikes were red. Six of the bikes were new third generation wings and two were first generation. And, Gary, Mick, and Scott were all riding new bikes.

The group met in Lawrence, rode northwest through St. Mary's and then northeast to Holton. The plan was actually to get ice cream, but with a drive thru as the only option for ice cream, the group headed across the street to Casey's. Coffee, donuts, and pizza were on the menu and enjoyed. It was the scenic route home for a total of 170 miles. It was a beautiful day with the temperature hitting 60 at one point and great to be riding with good friends.

Joe and Debbie Gattenby attended the January Chapter meeting and collected coats and blankets to be donated to the Salvation Army. They presented a certificate to Gary and Reba Ohler for going the extra mile and making a difference in keeping the Chapter together and participating. Bob Garrett and Gary Ohler knew the most about severe winter weather as each answered seven of the ten trivia questions correctly. It was a fun evening.

There won't be a planning meeting held at this time due to the pandemic. So many events have had to be cancelled that most rides for now will be impromptu ones organized by an individual. If someone wants to organize a ride, send out an email and chances are that a group will join you.

CHAPTER B EVENTS FOR FEBRUARY:

February 18 - Chapter Meeting

February 27 - Breakfast Get-together

Stay safe and warm,
Paula Aiken

Chapter F – El Dorado

Meet 4th Tuesday every month at Oil Hill Elementary School 7:00 PM - Brown Bag at 6:00 PM

Chapter Directors Rick & Brenda Kistler 316-200-0726	MEC Sharon Webster 316-259-3352	Treasurer Deloris Shannon 316-323-4820	Ride Coordinator Jack Schoeck 620-341-0426
Newsletter Editor Doris Schoeck 620-340-5388	Individual of the Year Sharon Webster	Couple of the Year John & Karen Glaves	

The meeting for KS-F was called to order by Rick Kistler, Chapter Director. There were 20 people present.

Rick advised he had a new Kansas F Shirt and he opened his vest to show his Kansas City Chiefs shirt. It started our meeting off with a good laugh.

We would like to welcome a new member, James Maybury. Welcome James!!

Joe Gattenby had no new District News. Don Schroeder advised that Kansas Chapter H will meet on February 13, 2021 at the Shelter House at Ridge Road and Lincoln, in Wichita, Kansas. They will eat at 6:00 pm and the meeting will be at 7:00 pm. Pizza and Sub-Sandwiches will be available.

Rick Stevens, State Rider Education, advised they need to get a Trailering Class scheduled. He will be going to Oklahoma on March 13 to teach a Two Wheeler Class. This will be held in Ponca City, Oklahoma. Talk to Rick for details if you want to go.

Rick Kistler advised that Duane Kalous has congestive heart failure. Please remember to keep him in your prayers.

Kathy Chesnut advised that Chapters A and P would have a joint meeting on Thursday, February 11, 2021 at Spears in Wichita. Meal will be at 6:00pm and Meeting will be at 7:00 pm.

Sharon Webster advised that Virginia is still in the hospital at Wesley Satellite on Woodlawn in Wichita. She has pneumonia but is getting better every day. She thought Virginia would be there another 2-3 days.

Brenda Kistler announced the January birthdays, which were: Karen Glaves and Doris Schoeck on January 3rd, and Jan Schroeder's on January 28th. Please wish them all a Happy Birthday. There were no Anniversaries for January.

Birthdays for February are: Carol Chastain on February 3rd; John Glaves on February 10th; and Virginia's on February 18th. Everett and Carol Chastain have an Anniversary on February 2nd.

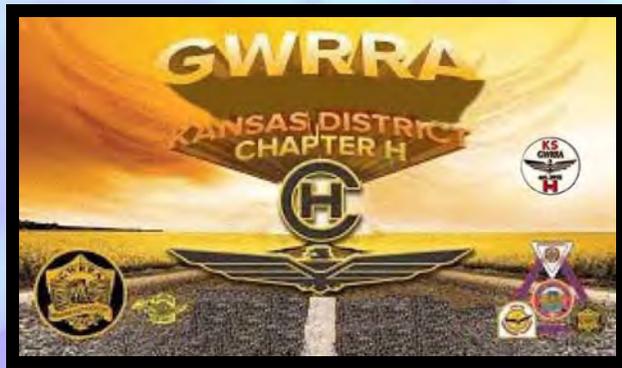

Jack Schoeck reported on the fall he took after our last meeting in November, 2020. He messed up his face but is better now. He fell face down and messed up the area around his eyes. Thankfully, there is no permanent damage.

Table Prizes were won by the following people: Teresa McDonald, Rick Stevens, Joe Gattenby, Sharon Webster, Brenda Kistler, and Doris Schoeck.

Our next meeting will be on Tuesday, February 23, 2021 and will be where we met tonight.

Meeting was adjourned.

Respectfully Submitted By,
Doris Schoeck

Happy February

The first of February marks the middle of winter. There have been a few days when riding was possible for several brave souls. At this point, Jan and I are working on spring and summer rides. The wild card for planning is still COVID and weather.

We remain optimistic, as we hope you are, about getting out and riding as well as enjoying meeting together, sharing stories and having fun. I have been working on the bikes to make sure they are ready to go on short notice. We have already had a couple of short notice rides, based on predictions of good weather.

A maintenance day at our house in Hesston is planned for April 10th for those interested in checking out their bikes, changing tires, etc. Last year we cancelled partly because of weather and partly because of COVID.

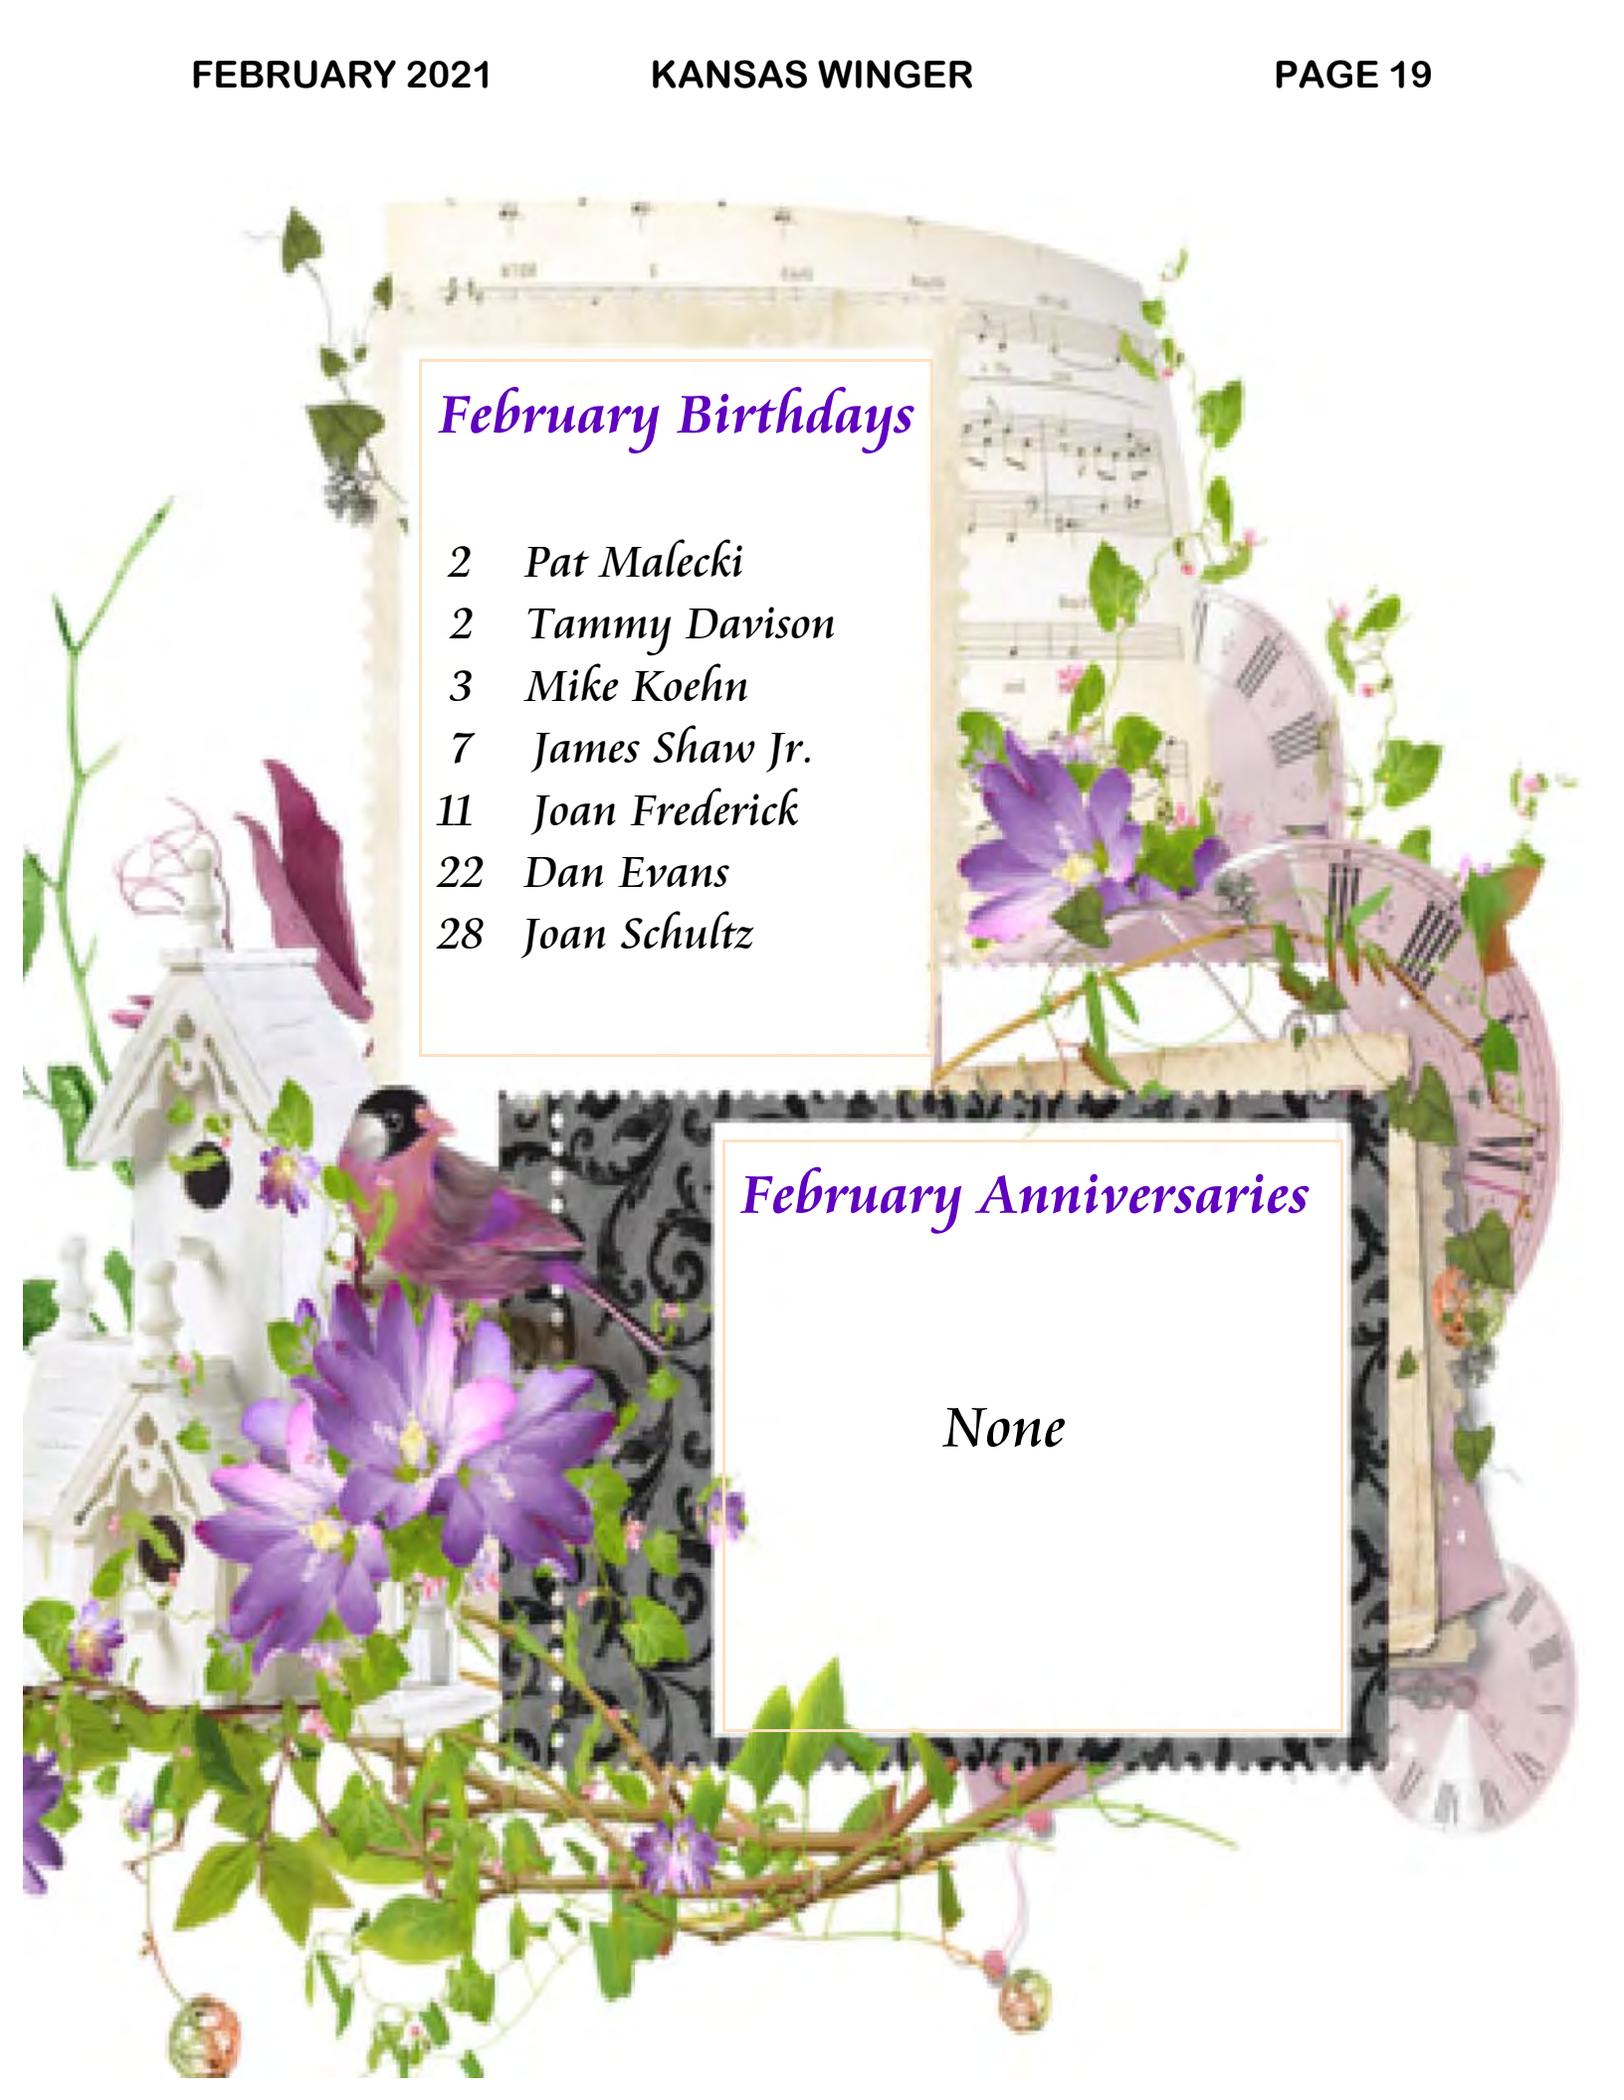

Of course, many of the rallies were cancelled last year. Much has been learned about COVID and what needs to be done to keep it in check. It's pretty well documented that masks, although not 100% effective, do help considerably. Also, as more folks are vaccinated, meeting together will become safer.

Check out the events page and watch your email for short notice rides.

Looking forward to seeing many of you at our February meeting and dinner at King Park Shelter House in Hesston, February 13th.

Thanks to all of you for sticking with us through these unusual and stressful months!

Don & Jan Schroeder
KS-H Chapter Directors

Chapter H MEC

(Membership Enhancement Coordinators)

We are happy to announce that Chuck & Kathy Schmidt will be taking over the Chapter MEC position.

We also want to thank Kit and Donna Sand for all of their hard work and dedication to this position over the past few years.

If you see any of them out and about, make sure to thank them for everything they have done or will do to make our Chapter run like a well oiled machine!

TEAMWORK MAKES THE TEAM WORK!

Chapter H Upcoming Activities

As has become all too common, dates and details are somewhat tentative. There are several in our group that have had the virus or vaccination, and we encourage others to get the vaccine when available to help protect us all.

Let's start getting back together as much as each individual feels comfortable. We ask that masks be worn except when eating. In due time, we will schedule more events.

FEBRUARY 13 –Meeting and Chapter H dinner (meal is provided):

King Park Shelter House, Hesston. 6 PM. King Park is just south of the corner of Lincoln (Dutch)
RSVP REQUIRED! to kansaschapterH@gmail.com or text [620-728-9812](tel:620-728-9812) **by February 11.**

Donations for the Reno County Food Bank, Please bring non-perishable food items/paper goods, etc. or a check, instead of a gift exchange.

Don and Carma, our 2021 COY will initiate the first 50/50 of the year.

Sharry Thompson will have a game. It's always a mystery, what she will come up with.

KANSAS "Q" FEBRUARY 2021 NEWSLETTER

We had a good meeting in January, with lots of you braving the virus and coming on out. It's tough right now to know just what we should be doing, just hope that we can all stay healthy. Some of our members have already had COVID-19 and have come through it just fine.

Our 50/50 winners at our January meeting were: Michelle Grooms, Rick Kistler and Jack Kistler. Thanks everyone, it was a good evening.

Next meeting is February 4th, weather permitting.

HAPPY VALENTINE'S DAY!!

Until the next time,
Jack & Teresa Kistler

OUR SPONSORS

Appreciate your support!

Why should you call Law Tigers?

We get it. Most people don't want to involve a lawyer when they get hit on the road. Maybe the damage wasn't that bad, and you feel fine.

Here's the reality...

Without representation, there are no guarantees that you'll get a fair shake.

Hospitals, medical providers, and insurance companies fight to make a profit from the worst day of your life. Without the right motorcycle lawyer on your side you will be the only loser in that fight.

What Law Tigers Motorcycle Accident Attorneys do for their Clients

At Law Tigers, our main focus is to assist in the prevention of motorcycle accidents, and to promote motorcycle safety. However, when accidents do occur, a Law Tigers motorcycle accident attorney is there to assist you. Available for free consultations (at our office, hospital, or your home), we provide clients with aggressive, experienced representation. As motorcyclists ourselves, we understand the challenges that you are going through and are prepared to assist you every step of the way. Because we are committed to helping our fellow motorcycle riders, we work on a contingency basis. There are no up-front charges, and our motorcycle accident attorney will only receive legal fees upon conclusion of your motorcycle accident case.

Motorcycle Accident Representation: It's the only thing we do

If you have been injured as the result of another motorist's reckless, negligent, or careless driving, you may be entitled to compensation for any damages you suffer. A Law Tigers motorcycle accident attorney can help you get your life back on track and help you obtain the maximum settlement possible.

[Find a motorcycle accident attorney near you](#) or call Law Tigers, toll-free, at 1-888-863-7216. Our lawyers are available — 24 hours a day, 7 days a week.

How much does it cost to have Law tigers represent you?

Every attorney-client relationship with our personal injury lawyers begins with a free consultation. Once we have evaluated your motorcycle injury case and determined it is viable, we charge no fee. That means clients do not pay attorney fees unless we obtain compensation on their claim, either through a settlement or a trial.

RACKUP TRAILERS

Manufactured 100% in Tennessee, we make and sale new and pre-owned trailers for motorcycle, ATV, Razor, Jeep, Mini-Cooper, Smart Car, and other vehicles.

RackUp trailers is your premier source for motorcycle, utility vehicle, and small vehicle trailers. Why choose Rack Up? Rack Up trailers were designed by people who use them. Tracing our roots over a decade ago, we quickly noticed that the trailers on the market had suspension issues causing the trailer to bounce and handle poorly. We also noticed most trailers were set at a price point that were not feasible for a single transaction.

We set out to change that. First we worked with the suspension and developed an adjustable air suspension that does not bounce. Second we worked on the price point. Our approach allowed us to save money but also allows you to build your trailer buying the options you want as you go. Our experience on the road combined with our engineering and machining specialties allowed us to make a trailer far superior to any on the market today. We are confident that our trailer rises far to the top among the competition.

CONTACT US

Customer feedback is the lifeblood of our business. Tell us what's on your mind, good or bad. We respond to all customer feedback and look forward to hearing from you!
