FREEDOM RIDE ~ ~ 2022

A Self-Guided Photo Tour of Kansas Mini Statues of Liberty
Sponsored by: **EASTERN KANSAS TOUR RIDERS (EKTR)**

The Boy Scouts of America (BSA) decided that for their 40th anniversary (in 1950) they would place replicas of Lady Liberty around America. There are about 200 of them, and we are lucky to have a few here in Kansas. Not only are there more than a handful, but there are 25 miniature Statues of Liberty hiding around Kansas. How many have you seen on your travels around the state?

To participate, in this “Freedom Ride”

- Complete the Registration Form and send it to the address indicated.
- Record your tour with an onsite photograph of yourself, or your two, three or four-wheeler at 12 or more of the sites.
- When you have completed your tour, send or e-mail your photographs and completed form to John English, or bring them to the EKTR Meetings by November 1, 2022.

EKTR will provide you with a certificate recognizing your achievement and listing the Kansas BSA Statues of Liberty you visited.

The following link lists the towns and shows pictures of each of the 25 statues.:
