Greetings, to all of our G.W.R.R.A. Family,

Another Christmas has come and gone and Sarah and I hope all of you and your Families had a very Merry Christmas and enjoyed the time spent with loved ones. Now we start the long days of winter with dreams that spring will be here soon and it will, we just all must be patient. But hey there is no better time than now to start getting the Wings, checked over cleaned up and ready and waiting for spring, to return don't get left behind because you put off things that needed to be done and yours is not ready for a great spring time ride, and remember to check all of your personal riding gear also. I can't stress enough that if your riding jackets need a good cleaning now is a great time to get them into a Dry Cleaner's, and get it done but here is a hint for each of you remove all of the safety padding from the jackets before you take them to be cleaned. The Dry Cleaner's, will Thank you for that because they really don't like to have to remove them and check the pockets no telling what you might find.

Hey just because it is winter does not mean that the FUN is going to stop and it's not because the 2019 Kansas District Mid-Winter Rendezvous, is almost here January 25-26 2019. And this is another reminder that if you have not yet sent in your Registrations do it NOW Registrations must be received no later than January 19th if you plan to partake in the Saturday evening banquet meal. And don't forget to make your Hotel reservations if you are planning to stay at the host Hotel rooms are blocked for special pricing until January 11th 2019. Registrations can be obtained off of the District Web-Site so don't put it off as we encourage all of you to do it now and come join the FUN.

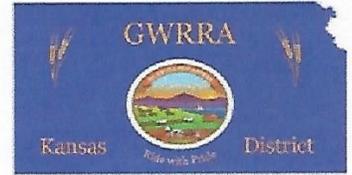

Now we know that most of us don't ride during the cold winter months in Kansas, and we also know that we have some Members, that still do ride during the winter and believe me my hat is off to those of you that do. But the winter months are still great for getting out and going to other Chapter, gatherings around our District, and believe us when we say they will be glad to see you and they will welcome you and treat you like Family because that is exactly what each of you are.

Sarah and I look forward to seeing as many of each of you at Mid-Winter, as possible but in the meantime we want to wish each of you a very Happy Safe and Healthy New Years.

Bill and Sarah Watts,

Hello All,

Brace yourself for a 'short and sweet', article, although I'm not sure how sweet it will be.

As we venture into 2019, I remind you that your District Team is already preparing some very good educational and refresher activities for you.

Bob Brown, Rick Stevens, yours truly and the support staff for rider courses are ready to help you hone your 2019 riding skills. We all get somewhat rusty during the winter and enrolling in one or more of the courses can only improve your already excellent riding skills. They just need a little 'sharpening'.

The dates have been posted for some time but I will repeat them now: TRC (Trike Riding Course) -April 20th. BRC2 (advanced course 2 wheels)- May 4th/ TTRC (Trike Trailering Rider Course) - May 11th and TC (Trailering Course 2 wheels) - June 8th. Our fees are very competitive, \$25.00 per bike.

Remember, Co-Riders (passengers) are ALWAYS FREE. Isn't she usually with you on your trips? Practice riding with her on board. You will be glad you did.

If you forget these dates, they are posted on GW University Web Site, Kansas Winger Newsletter and the Kansas Web Site.

We are looking forward to putting together another 'Kansas Summit' similar to the one Hutchinson last March. It was well attended hopefully will be again. We will look for a location as soon as we get a new DUC. What is DUC? 'District University Coordinator' that Mark & Linda Classen held. They were great to work with coordinating all the University Classes (seminar & modules).

At this time we have four ITCP certified facilitators, Doris Schoeck, Bob Brown, Joe Magnant, and me. Rick Steven can present Rider Ed Seminars that have not been converted to modules. I hope that some of you will take the step forward and become certified GW University Trainers. The modules are really a lot of fun to present.

Short enough? Yep! How about 'sweet'? Absolutely if you take advantage of the opportunities we have available for you, you will have FUN, receive KNOWLEDGE, and be a SAFER rider.

From the Team, Bob, & Barb, Rick & Carolyn, Bill & Sheila, Doris, Rick K. , Steve & Terri. HAVE A SUPER 2019.

Coordinator
POSITION OPEN

Hi Everyone,

I am subbing for the District University Coordinator .

I wish to take a moment to send my sincere thank you to Mark and Linda Classen for the time they gave to provide every person in this super organization educational and fun classes.

I had the opportunity to work closely with Mark & Linda in organizing the 'first ever' Kansas Summit. It was held in Hutchinson in March of 2018.and the attendance was super good.

We wish them well in their new state and home, Oklahoma. If I were a betting person I bet they become equally involved in the GWRRA life. Our lose is Oklahoma's gain.

As far as I know, the DUC (District University Coordinator) position is open. IF you have the qualifications for the position and would like to be considered, let our District Directors know.

It is my hope that we have some folks that would like to become GWRRA University (ITCP) certified and join the instructor team in presenting the very enjoyable 'new' modules now available. They are not only fun to present, but fun to attend and participate. PLEASE CONSIDER JOINING THE TEAM.

I'll close with introducing the GWU Team.

Bob Brown (KSA) modules/seminars

Hello everyone

It's done and it's finally here, the end of 2018 and the beginning of 2019. I don't know about the rest of you but 2018 has not been the best of years and I for one am glad that it is over. I just hope that 2019 will bring better things than 2018 did.

But let's not get in too big of a hurry to chase 2018 out the door until we talk about what all we did in December... 1st up (mostly because it was on the 1st) the Christmas Party put on by Chapters P & F. If you attended this little event and didn't enjoy yourself then you were not trying very hard. The food was wonderful. There were lots of people in attendance and the game at the end was fun and I think a lot of us will think about doing it again. Here are just a few pictures

Thanks again to Chapter F and P for a wonderful time.

6th of December was the annual Bockhaus Chili feed. For those who have never done this, each year Newton does a Christmas parade on the 1st Thursday of December this year it was on the 6th ... from what I heard there were some spots that made you hold your breath. Here is what Terri had to say about the event.

On December 6th we had our annual Chili Feed in conjunction with the Newton Christmas Parade of Lights. It is hard to believe that this was our 12th year to have it. Steve spent the day making sure that the chili was just right. Please do not ask for his recipe as there is none. He just starts early in the morning and adds ingredients as needed. It has always turned out good (so far).

As people arrived, they brought corn chips, cinnamon rolls, pies and etc. Several people decorated their Gold wings for the parade. The weather forecast was for cold and wet. But it turned out to be a nice evening for the parade. All of the entries were decked out with festive lights for the 3 block long parade. There was a large crowd to watch. Steve's truck had the Kansas Twisters banner in the back and riders rode circles around the truck. A trike followed the truck as the riders circled around and also did figure "8's" around the truck and trike. The crowd loved it.

After the parade, everyone returned to our house and had MORE chili and pies and coffee. Everyone sat around and enjoyed the company. If you did not attend, you missed a very good time. We look forward to next year on the 2nd Thursday of December to do it again. (Sorry, there are no pictures; you just had to be there) -----Steve & Terri Bockhaus

Sounds like fun...too bad we can't all attend this sometime. (It would probably double the length of the parade)

That's all I know about December...I hope everyone had a great Christmas, Hanukkah, Kwanzaa, and Boxing Day this year...

Now some of the things coming up in 2019

Jan 1st - our chapter has the annual New Year's Day ride & dinner (of course by the time you read this it will be past the 1st). The idea of this ride is to meet and ride the bikes as many miles as the temperature is high for the day. And as you guessed some years the ride can be a good long ride and other years it's so cold & snowy that the ride is over before you've had a chance to pull the bike out of the garage. Of course the best part of this is meeting at the end of the ride to enjoy a good meal and visit with our GW family. I will have more about this ride in next month's newsletter.

Jan 10th is our monthly chapter meeting @ the Country Café @ 2804 South Seneca. The meeting starts @ 7:00 but please come early for a meal and/or to visit with the other members.

Jan 16th – Larry & Mary Mazur's Anniversary

Jan 25th & 26th is Mid-Winter and is at the Atrium in Hutchinson I hope everyone that wants to go to this has sent in their registration

Please remember if you have a ride or event that you would like to see here in the newsletter send me your information and/or pictures and I will be glad to add it to the newsletter. (please don't make me bug you for it) You may e-mail me @ scarymary1210@sbcglobal.net

That's all for now so until then...ride safe

It's hard to believe that another year has come and gone, and we will now have to remember to write 2019 on each date. December 15 found thirty plus Chapter B members and friends enjoying a Christmas dinner arranged by Gary and Reba Ohler at the Community National Bank meeting room in Basehor, KS. It was a wonderful time with lots of yummy food and fellowship. Members continued the tradition of giving, and donated many pounds of non-perishable food items to the food pantry at the Central Nazarene Church in Lenexa.

Kansas District Directors, Bill and Sarah Watts, attended the dinner and presented GWRRA "You Make the Difference" awards to Gary and Reba Ohler and Francis and Joyce Dalsing for their help during the district campout.

It was a smaller group at the meeting on December 20. Members decided to go to Rooster's in Gardner

for the December breakfast get-together and planned a lunch ride on January 1 to be led by Eric Wadman. They also found they didn't know as much about Christmas trees as they thought. Three members were able to answer half of the ten questions correctly.

Several trivia questions pertained to United States presidents and Christmas trees. Did you know? In 1856, Franklin Pierce was the first president to place a Christmas tree in the White House. Calvin Coolidge started the National Christmas Tree Lighting Ceremony on the White House lawn in 1923 as shown in the photograph. From 1948-1951, President Harry Truman lit the National Christmas Tree by remote control because he spent Christmas at his home in Independence, Missouri. In 1952, he agreed to stay at the White House for Christmas and personally lit the tree.

As is typical of the first newsletter for the year it will be real short, because December as always is a slow month for Chapter C.

We held our Christmas party on the 2nd in Lyndon with 25 people attending from Chapter C and various other chapters. It seems to be the standard with Chapter C, Sandy Davis fixed the turkey, dressing and gravy, Margaret Hanson baked the ham and Susan Drake fixed the mashed potatoes (she gets drafted with that dish since she lives in Lyndon). Thank you ladies, as usual your cooking was perfect. The rest of the food was contributed by everyone and there wasn't much in the way of leftovers including the deserts, which seems to be the important part of any of our meals. That is very good since we don't need a lot of left over's this early in the month.

Our gift exchange went extremely well with Teresa keeping everything moving right along. There wasn't a lot of stealing of gifts which made things move right along.

This month we have no anniversaries only birthdays

Here is wishing everybody a Happy New Year and a safe and healthy year of riding with many, many fun filled miles during 2018.

Greetings to All!!

Welcome everyone to the New Year of 2019!! We hope everyone has a great and prosperous upcoming year. There are many activities coming with the New Year and we hope to see a lot of you at those activities.

We had our annual Christmas Party on December 1, 2018 at the Community Center in Cassody, Kansas. Chapter P joined us in giving the party. We had 59 people there and we had a lot of food! Brenda Kistler helped with the games and a great time was had by all. We had a gift exchange by drawing numbers and there was always the possibilities that you would not keep your gift as someone could steal it. It was pretty fun and several of the gifts exchanged hands before settling with an owner. We were glad to have so many people come and join us for the meal and the fun!!

Our Mid-Winter Event will take place in Hutchinson, KS this year and will occur on January 25 and 26, 2019. There will be many activities and fun to participate in and there should be plenty of things to do. A new District Couple of the Year will be chosen on Saturday and that should be an exciting time. Come and enjoy the weekend with us!!

January Birthdays are as follows: Doris Schoeck

January 8th

We will have a Breakfast Ride to Eureka Kansas at the Copper Kettle for Breakfast on Saturday, January 5, 2019 at 9:00 am. Anyone who would like to join us is welcome.

We had no meeting for the month of December other than our Christmas Party and our next meeting will be held on Tuesday, January 22, 2019 at the Oil Hill School in El Dorado. We hope to see a lot of you there.

There are a lot of Chapter activities going on this month, so please be sure to read the other Chapter News Articles in the January newsletter.

WOW TO SEE YOU THERE!

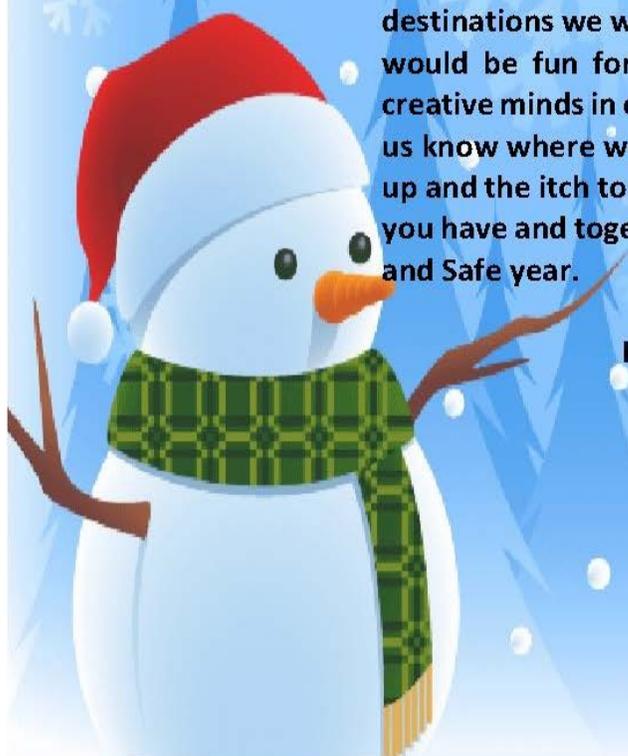

We just want to take a moment to thank each and every member for all of the fun and support you brought to Chapter H and GWRRA this past year.

While 2018 is winding down and we reminisce over fond memories of road trips, excursions, good food and a shared comradery, we realize that 2019 is just beginning and you know what that means?! Even more opportunities to travel unexplored roads to new destinations with old friends and new friends who meet us and just can't resist being a part of something that is so much fun.

We want 2019 to be all about you, the members, because without you GWRRA doesn't exist. We want to hear from YOU. We want our members deciding and planning to what undiscovered destinations we will journey or what kind of gatherings you think would be fun for everyone. We know there are some pretty creative minds in our Chapter, so get those wheels turning and let us know where we could venture as the weather starts to warm up and the itch to ride starts to hit. Let us know any and all ideas you have and together we'll make 2019 another fantastically Fun and Safe year.

HAPPY NEW YEAR EVERYONE!
May it be the best one ever!
